The God Of Second Chances

Stephen Arterburn

The God Of Second Chances:

The God of Second Chances Stephen Arterburn, 2010-09-20 A second chance all of us have needed one at some point in our lives As children we beg our parents to give us just one more chance As adults we turn our pleadings to God for another opportunity just to start over again In this revised and updated version of *The God of Second Chances* author Stephen Arterburn takes us through his own journey of pleasure seeking and ambition to a life changing encounter with the reality of God's grace Arterburn is painfully honest sharing his personal experiences with sexual immorality that culminated in the abortion of his child It was then desperate and at the end of himself that Arterburn cried out to God for a second chance Through his willingness to share his struggles Arterburn helps us to confront our failures and reach out for God's restorative touch With a gentle humor he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter In doing so we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes

The God of Second Chances Erik Kolbell, 2008 *The God of Second Chances* Mike Mazzalongo, 2017-01-03 The story of David and Bathsheba is used to illustrate the gracious nature of God's character and the power of His forgiveness

The God of Second Chances Jess Green, 2017-08-08 In this book the author encourages readers to have faith and look to the God of second chances in everything they do She takes readers through the journey of her own life and shows that with faith in God one can triumph over great adversities She shares her shameful conception and challenging childhood Her two near death experiences and an unexplained event that to this day still plays on her mind She shares her highs as a young married woman in love and her lows as a single mother raising two children in a foreign land with no relatives to look to She also highlighted strongly that is not where one starts in life but where they finish that will feature strongly in the story of their lives and the legacy that they will leave for the next generation The author reassures readers that no matter how long they have to wait God have a plan for their lives and no matter how bad things get He will deliver them He is a God that keeps His promises for a thousand generation

The God of Second Chances Don Baker, 1991-01-01 The Bible says that no prophet emerged from Israel like Moses He knew God face to face and indeed he was called a friend of God This is high praise for somebody who spent his first forty years as a nobody But how did Moses become a somebody He did it through trial and error through his failures and God's forgiveness The Lord refined and remade Moses by giving him many second chances God works in our lives the same way he's still giving away second chances His goal for us is not a trouble free life or a prosperous existence God's goal is transformation change from the basic raw product to a faithful obedient and refined disciple of Jesus Christ Such transformation takes time It takes buffing It requires abrasives Sometimes it's painful But God knows just what it takes to get us there He did it with Moses and he can do it with us What we need in the midst of life's baffling and bewildering experiences is not an explanation but just a deeper understanding of the God of second chances

The God of Second Chances Ron Clark, 2012-09-13 When the

people of Judah were taken captive by the Babylonians their world was drastically changed While in exile they experienced shame guilt fear and displacement However their God had been traumatized by their behavior and also grieved with them Yet Yahweh gave them a second chance by forgiving them and bringing them home God offered them hope mercy and love The prophets were God's chosen messengers not only to provide a new vision of what could be but to suffer with the people These servants were caught in the middle between a passionate God and traumatized people As the people returned to Jerusalem to rebuild their city and their lives the prophets were with them to remind them that God had not abandoned them The author suggests that the prophets live on today through the church as those who engage their community fight for people's hearts and remind others that God gives second chances Clark shares stories from his personal ministry to the marginalized in Portland Oregon who seek relief from shame suffering and hopelessness In this hope our community receives new vision through a loving God and persistent prophets

this tale speaks of an eternal covenant a path to restoration that beckons the weary back into the light of fellowship and hope It celebrates the inexhaustible love that persists the love that shapes destinies and forges legacies through the whispers of second chances The God of Second Chances Shawnese Mason,2024-04-20 Christian planner and journal The God of Second Chances is more than a planner it s a companion for your spiritual growth offering guidance inspiration and reminders of God s unfailing forgiveness and grace Embrace the opportunity for renewal and embrace the promise of new beginnings **Kingdom Mentality** Oscar Pelaez,2017-03-02 The Kingdom Mentality is a book that God put in my heart a long time ago I knew it was the perfect will of God for me to write this book but I was waiting for Gods perfect timing so that it could be released in the right season In the times that we are living in many people are not resting in Gods peace because they do not spend enough time in Gods presence Financial pressure is one of the biggest things that keep us too busy to make time for God Satan uses many weapons to attack the mind of an individual in times of crisis such as stress anxiety depression discouragement about your calling and probably the worst one is unbelief in the promises of God If this is your case then consider this book as a divine appointment of God for your life that will renew your mind bring about the healing of your faith and help you to believe that God has more for you because he is a god of second chances The Bible says that all things work together for good for those who love God and are called according to his purpose God loves you so much that he wants to take all your failures and disappointments and use them to bless others so what the enemy has meant for evil God is able to turn it around and use it for good The fact that this book is in your hands means that Godthe god of all provision the god that has closed so many doors to bring you to the right dooris preparing you to enter into one of the best seasons of your life and that season will begin with one simple thing that you believe that you qualify to have more because if you do not believe it then your faith may have been burned down Probably you have experienced a perceived failure and you may need to hear the prophetic words that are contained in this book to bring the necessary healing of your faith Maybe you have forgotten that no matter how bad your present situation looks God is still in control of everything in your life Maybe the godly kingdom mentality that you used to have is long gone because you have prayed fasted and chased the Lord and nothing changed or maybe you feel like you cannot continue to live the Christian life anymore but I have good news for you God has been working behind the scenes to prepare you to begin a better life and the only one thing you need to understand is that God works from the inside out not from the outside in The apostle Paul said in the book of Romans chapter 12 Lets be transformed by the renewing of our minds As a teacher that moves in the prophetic word of knowledge I am here to tell you that the worst is over for your life and the best is yet to come I pray that you meditate on the words of this book in the unity of the Holy Spirit of God so the godly mentality that was stolen in the garden from Adam and Eve will be restored when you see the power of his resurrection through the cross by Jesus Christ I pray that this book will help you to receive the necessary healing of your faith so you will be able to press on toward your destiny even through times of difficulty I pray that

your kingdom mentality will be renewed the way God did it from your mothers womb Cordially Pastor Oscar Pelaez
