The God That Weve Created The Basic Cause Of All Disease:

The God That We've Created Michele Longo O'Donnell,2005-03 Michele Longo O'Donnell author of Of Monkeys and Dragons Freedom from the Tyranny of Disease expands upon her belief that we were never intended to live with pain misery and tears Further the book reveals that disease and all suffering is a learned experience and therefore can be unlearned

All Creation Groans Daniel W. O'Neill,Beth Snodderly,2021-05-18 In a suffering world reeling from global pandemics and health disparities it is high time to think theologically about the devastating experience of disease and to address our God inspired responsibility to understand its origins and engage in its management In a fragmented world we need a unifying and integrated perspective on people in communities embedded in a fractured ecology In an academic world blind to the spiritual world and imbalanced toward technical solutions the global church must articulate a contemporary metanarrative that is moral practical and deeply transformational All Creation Groans brings together multiple perspectives for a compelling global health approach to the pathologies of the world as a part of the missio Dei The authors paint a unifying perspective on God's healing intentions in creation redemption and consummation and the opposing nature corrupting effects of the rebellion of created moral agents It is a fresh call for the global church to engage in aligning with God's healing action for eternally sustainable global health

God'S Grand Design for Health James Darnell,2017-05-24 In his inspiring new book Dr Darnell teaches you the basics of good cellular health and the importance of reducing inflammation in order to prevent chronic diseases This book will guide you through the evolution of the American diet and its impact on our health along with the many factors that cause the cells within the body to become diseased Understanding these factors and following the guidelines to wellness provided in this book may lead you to a healthier life and pain free longevity
