**The Goddesses and Gods of Old Europe** Marija

Gimbutas, 2007-09 Originally published under the title *God and goddesses of Old Europe 7000 3500 B C* *The Goddesses and Gods of Old Europe, 6500-3500 BC* Marija Gimbutas, 1982 European civilization between 6500 and 3500 BC long before Greek or Judaeo Christian civilizations flourished had a distinct culture with its own unique identity The mythical imagery of this era tells us much about early humanity's concept of the cosmos of human relations with nature of the complementary roles of male and female Through study of sculpture vases and other cult objects Gimbutas sketches the village culture that evolved there before it was overwhelmed by the patriarchal Indo Europeans The Goddess incarnating the creative principle as Source and Giver of All fertility images mythical animals and other artifacts are analysed for their mythic and social significance in this beautifully illustrated study Bogowie: A Study of Eastern Europe's Ancient Gods T.D.

Kokoszka, 2023-08-25 T D Kokoszka grew up in Texas with a Jewish mother and a Polish American father While he was aware of roots going back to Eastern Europe from both families he found it hard to learn very much about them He knew that Polish people would whack one another with palm leaves around Easter and he knew that his great grandmother purportedly believed in forest spirits known as borowy However it wasn't until he was in his teens that he became vaguely aware of an ancient people known as the Slavs who gave rise to the Polish Ukrainian Russian Serbian Bulgarian Slovakian Slovene and Czech languages It quickly became clear to him that this was a family of cultures currently under represented in popular culture and even in western scholarship Not simply a regurgitation of scholarship from the Soviet period and presenting new analyses by using previously neglected resources *Bogowie A Study of Eastern Europe's Ancient Gods* offers one of the most painstaking scholarly reconstructions of Slavic paganism These new resources include not only an overview of folklore from many different Slavic countries but also comparisons with Ossetian culture and Mordvin culture as well as a series of Slavic folktales that Kokoszka analyzes in depth often making the case that the narratives involved are mythological and shockingly ancient Readers will recognize many European folktale types and possibly learn to look at these folktales differently after reading this book Wicca's Charm Catherine Edwards Sanders, 2005 Traces the author's one year journey into the Wiccan culture where she interviewed neo pagans and witches in her quest to understand modern pagan spirituality explaining the growing attraction of this religion that celebrates the wonder of creation and the life giving energy of women Original

**Orientalism and the Reception of Powerful Women from the Ancient World** Filippo Carlà-Uhink, Anja

Wieber, 2020-02-06 Why is Cleopatra a descendent of Alexander the Great a Ptolemy from a Greek Macedonian family in popular imagination an Oriental woman True she assumed some aspects of pharaonic imagery in order to rule Egypt but her Orientalism mostly derives from ancient Roman and modern stereotypes both the Orient and the idea of a woman in power

are signs in the Western tradition of otherness and in this sense they can easily overlap and interchange This volume investigates how ancient women and particularly powerful women such as queens and empresses have been re imagined in Western and not only Western arts highlights how this re imagination and re visualization is more often than not the product of Orientalist stereotypes even when dealing with women who had nothing to do with Eastern regions and compares these images with examples of Eastern gaze on the same women Through the chapters in this volume readers will discover the similarities and differences in the ways in which women in power were and still are described and decried by their opponents

**Wagadu Volume 3** Wagadu,2007-09-26 The United Nations has proclaimed the 21st century to be the century of water In this volume Water and Women in Past Present and Future scholars analyze the gendered political economy of water resource allocations and importantly offer recommendations for viable women friendly solutions to address scarcity and distribution among other issues Contributors also explore feminist analyses of the aesthetic dimension of water and the feminine since water is often associated with women shown in cross cultural examples of mythology symbols and legends Intersecting the fields of hydro politics and aesthetics this book should be of interest to policy analysts activists and academics *Sheela-na-gigs* Barbara Freitag,2005-08-15 A study of the mysterious stone carvings of naked females exposing their genitals on medieval churches all over the British Isles **We Heal from Memory** C. Steele,2016-04-30 Through an examination of the poetry of Anne Sexton Audre Lorde and Gloria Anzald a We Heal From Memory paints a vivid picture of how our culture carries a history of traumatic violence child sexual abuse the ownership and enforcement of women s sexuality under slavery the transmission of violence through generations and the destruction of non white cultures and their histories through colonization According to Cassie Premo Steele the poetry of Sexton Lorde and Anzald a allows us to witness and to heal from such disparate traumatic events <http://admin.mtp.hum.ku.dk/m/editbook.asp?eln=203591> Robert Mailhammer,Theo Vennemann gen. Nierfeld,Birgit Anette Olsen,2015-11-06 Most of us know of the Indo European roots of European languages but how did this precursor language take hold and what did Europe look like before it did so This book explores the continent before the spread of the Indo Europeans examines its indigenous population and the contacts it had with Indo European and Uralic immigrants and ultimately asks how these origins led to the development of that crucial singularity for Europe s languages Drawing on archaeology religious studies and palaeography the contributors offer a detailed and comprehensive picture of Europe s linguistic and in turn cultural prehistory **Handbook of Research on Aestheticization of Violence, Horror, and Power** Erdem, M. Nur,Kocabay-Sener, Nihal,Demir, Tuğba,2020-10-02 Individuals seek ways to repress the sense of violence within themselves and often resort to medial channels The hunger of the individual for violence is a trigger for the generation of violent content by media owners of political power owners of religious power etc However this content is produced considering the individual s sensitivities Thus violence is aestheticized Aesthetics of violence appear in different fields and in different forms In order to analyze it an interdisciplinary perspective is

required The Handbook of Research on Aestheticization of Violence Horror and Power brings together two different concepts that seem incompatible aesthetics and violence and focuses on the basic motives of aestheticizing and presenting violence in different fields and genres as well as the role of audience reception Seeking to reveal this togetherness with different methods research analyses and findings in different fields that include media urban design art and mythology the book covers the aestheticization of fear power and violence in such mediums as public relations digital games and performance art This comprehensive reference is an ideal source for researchers academicians and students working in the fields of media culture art politics architecture aesthetics history cultural anthropology and more *The Logic of Language* Michael

Shapiro,2022-08-21 This book serves as a basis for the exploration of language in a more systematic way By surveying the several major divisions of language phonology morphology syntax lexis tropology and explicating the way in which sound and meaning cohere in them this text lays bare for students scholars and advanced readers alike the lineaments of an understanding of what makes language the sign system par excellence in the service of its most important function as the instrument of cognition and of communication This book is intended as a companion volume to Shapiro s *The Speaking Self* Language Lore and English Usage The two volumes taken in tandem will provide a solid grounding in the observational science of linguistics linking theory with practice in a way that will expand one s understanding of language as a global phenomenon

**Salvation Story** David R. Froemming,2016-10-20 Salvation Story responds to Douglas John Hall s claim that the world is waiting for gospel Humanity needs a clearer understanding that the gospel has come to redeem The work of Rene Girard an anthropologist demonstrates that our human culture is founded on the concealing of its own violence in religious myths and symbols Girard had hoped to enter into dialogue with Richard Dawkins whose expertise is evolution but this encounter never happened Dawkins observed how evolution is blind not unlike the blindness created by human myth and religion Bringing together the work of Girard and Dawkins provides a lens for reading scripture Salvation Story is written to challenge religious fundamentalists and atheists alike as well as the rest of us all those who realize that our current approaches to the Bible are woefully inadequate This book digs into these ancient texts to discover what we have been hiding from regarding our own evolutionary inheritance in order to discover the God who comes to save us from our own self destruction

**The Historical Enigma of the Snake Woman from Antiquity to the 21st Century** Angela Giallongo,2018-06-11 This book provides an exploration of the historical conditions that gradually defined subordinating symbols and conflictual values in social relations between the sexes It reveals how snakes and the gelid eyes of Medusa the archetypical snake woman have reverberated across the visual arts and written sources throughout the ages in association with negative emotions fear anger scorn and shame The outcomes and implications of the disturbing correlation between the dangerous female gaze the malignitas of the snake and the lethal power of menstruation that have been woven through the fabric of the Western imaginary are analysed here This analysis reveals an intriguing history of female reptilian hybrids from

the pleasing Minoan snake goddesses to the depressing Gorgon Echidna Amazons Eve Melusine Basilisk Poison Damsel Catoblepas and Sadako Samara and gives the reader an opportunity to explore things that never happened but have always been

*Speaking Through the Aspens* J. Mallea-Olaetxe, 2016-06-01 *Speaking Through the Aspens* analyzes the content of thousands of arboglyphs in the mountains of Nevada and California by topic language politics the Basque homeland the shepherd's life sex and pictorial themes In addition author Mallea Olaetxe has examined such shepherd artifacts as sheep camps and bread ovens conducted extensive interviews with former herders and sheep company personnel and undertaken research in immigration and other records The result is a highly original work of history a detailed account of the lives of Basque shepherders in the American West For the first time these men who contributed so much to the development of the region many of whom went on to establish the West's thriving Basque community speak for themselves about their experiences Enhanced by numerous illustrations this book is history at its most engrossing essential reading for scholars and anyone curious about the arboglyph phenomenon

*Entangled Histories of the Balkans - Volume Three* Roumen Daskalov, Alexander Vezenkov, 2015-03-10 Modern Balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories The authors in this volume take a different approach They view the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories This regards the treatment of shared historical legacies by rival national historiographies The volume deals with historiographical disputes that arose in the process of nationalizing the past Contributors include Diana Mishkova Alexander Vezenkov Roumen Daskalov Tchavdar Marinov and Bernard Lory

**Witchcraft and Magic** Helen A. Berger, 2011-03-19 Magic always part of the occult underground in North America has experienced a resurgence since the 1960s Although most contemporary magical religions have come from abroad they have found fertile ground in which to develop in North America Who are today's believers in Witchcraft and how do they worship Alternative spiritual paths have increased the ranks of followers dramatically particularly among well educated middle class individuals Witchcraft and Magic conveys the richness of magical religious experiences found in today's culture covering the continent of North America and the Caribbean These original essays survey current and historical issues pertinent to religions that incorporate magical or occult beliefs and practices and they examine contemporary responses to these religions The relationship between Witchcraft and Neopaganism is explored as is their intersection with established groups practicing goddess worship Recent years have seen the growth in New Age magic and Afro Caribbean religions and these developments are also addressed in this volume All the religions covered offer adherents an alternative worldview and rituals that are aimed at helping individuals redefine themselves and make their interactions with the environment more empowered Many modern occult religions share an absence of dogma or central authority to determine orthodoxy and have become a contemporary experience embracing modern concerns like feminism environmentalism civil rights and gay rights Afro

Caribbean religions such as Santería and Curanderismo which do have a more developed dogma and authority structure offer their followers a religion steeped in African and Hispanic traditions Responses to the growth of magical religions have varied from acceptance to an unfounded concern about the growth of a satanic underground And as magical religions have flourished increased interest has resulted in a growing commercialization with its threat of trivialization **This Sacred Earth** Roger S. Gottlieb, 2003-11-07 Updated with nearly forty new selections to reflect the tremendous growth and transformation of scholarly theological and activist religious environmentalism the second edition of *This Sacred Earth* is an unparalleled resource for the study of religion's complex relationship to the environment Global Perspectives on Motherhood, Mothering and Masculinities Andrea Moraes, Tola Olu Pearce, 2021-06-01 The two phenomena highlighted in this edited volume motherhood mothering and masculinities are each recent areas of development in critical Feminist and Men's Studies In contributing to these areas of gender studies this book draws attention to the fact that much can also be gained when we explore relationships between them an idea that may not readily come to mind While femininities and masculinities are co constructed motherhood and mothering bring additional perspectives to the study of femininity that affect the construction of masculinity in complex ways The 12 chapters in this volume allow readers to ponder some of these complexities and may suggest other issues that require investigation Spanning many continents the essays have both a global and historical reach emphasising cultural differences and historical changes Of import is the idea that mothers have agency and are active in constructions affecting their lives They are able to bring motherhood out of the shadows as they strive to build re evaluate or alter their roles within families and communities These have an impact on developments in masculinities The book is divided into three parts and the chapters investigate a wide range of issues including cultural constructs gender in parent child relationships non binary developments the impact of war on mothering decolonisation struggles and much more
