changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks
