The Golden Of Buccaneers:

The Golden Age of Piracy Benerson Little, 2016-10-04 For thousands of years pirates have terrorized the ocean voyager and the coastal inhabitant plundered ship and shore and wrought havoc on the lives and livelihoods of rich and poor alike Around these desperate men has grown a body of myths and legends fascinating tales that today strongly influence our notions of pirates and piracy Most of these myths derive from the pirates of the Golden Age from roughly 1655 to 1725 This was the age of the Spanish Main of Henry Morgan and Blackbeard of Bartholomew Sharp and Bartholomew Roberts The history of pirate myth is rich in action at sea and ashore However the truth is far more interesting In *The Golden Age of Piracy* expert pirate historian Benerson Little debunks more than a dozen pirate myths that derive from this era from the flying of the Jolly Roger to the burying of treasure from walking the plank to the staging of epic sea battles and shows that the truth is far more fascinating and disturbing than the romanticized legends Among Little's revelations are that pirates of the Golden Age never made their captives walk the plank and that they instead were subject to horrendous torture such as being burned or hung by their arms Likewise epic sea battles involving pirates were fairly rare because most prey surrendered immediately The stories are real and are drawn heavily from primary sources Complementing them are colorful images of flags ships and buccaneers based on eyewitness accounts Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Excerpt Jack looked up from the book he had been reading Father he asked what was a buccaneer Cousin Fred says buccaneers and pirates were the same thing and Jim says they were not and in this story they speak of pirates and buccaneers both Fred and Jim are both wrong and both right replied Mr Bickford Buccaneers were pirates but pirates were not necessarily buccaneers But nowadays the two are often confused and writers of stories do not seem to realize the difference and make it still more confusing When Fred comes over to night bring him into the library and I ll try to straighten out the puzzle and tell you about the buccaneers Say Fred cried Jack when his cousin came 2 bouncing into Jack s den that evening You were way off Buccaneers were not the same as pirates Dad says so and he s going to tell us all about them to night Come on down to the library That ll be dandy agreed Fred enthusiastically And of course if Uncle Henry says they re not the same why they re not but I always thought they were I wonder if Captain Kidd was a pirate or a buccaneer Ask Dad he knows laughed Jack as the two raced downstairs to Mr Bickford s library They found him surrounded by books with odd
