The Politics Of Government Growth Early Victorian Attitudes Toward State Intervention 1833 1848:

Protection and Politics Anna Gambles, 1999 Examination of debate within the Conservative party over the principles of free trade The complex and troubled relationship between protectionism and Conservatism in nineteenth century Britain is the focus of this book It looks at how the developing free trade orthodoxy was challenged within Conservatism and offers new perspectives on the intellectual controversies which precipitated the Conservative party's split of 1846 and the intricate denouement of 1846 52 In contrast to traditional accounts it also seeks to explore the intellectual character of opposition to the evolving mid Victorian consensus framed around free trade laissez faire and sound money revealing how Conservatives debated key aspects of economic policy Through an exhaustive reading of Conservative journals pamphlets and contributions to parliamentary debates the author is able to expose an alternative set of ideas about the direction of British economic and social change and the role of government in moulding it Dr ANNA GAMBLES is lecturer in modern British history University of Kent at Canterbury

The Politics of Government Growth William Cornelius Lubenow, 1968 *Protest and the politics of space and place, 1789-1848* Katrina Navickas, 2015-12-01 This book is a wide ranging survey of the rise of mass movements for democracy and workers rights in northern England It is a provocative narrative of the closing down of public space and dispossession from place The book offers historical parallels for contemporary debates about protests in public space and democracy and anti globalisation movements In response to fears of revolution from 1789 to 1848 the British government and local authorities prohibited mass working class political meetings and societies Protesters faced the privatisation of public space The Peterloo Massacre of 1819 marked a turning point Radicals trade unions and the Chartists fought back by challenging their exclusion from public spaces creating their own sites and eventually constructing their own buildings or emigrating to America This book also uncovers new evidence of protest in rural areas of northern England including rural Luddism It will appeal to academic and local historians as well as geographers and scholars of social movements in the UK France and North America

The Politics of Government Growth William C. Lubenow, 1971 **Liberalism and Local Government in Early Victorian London** Benjamin Weinstein, 2011 This is an exploration of the conflict between Whig politicians and London radicals in metropolitan government

Democracy, Capitalism and Empire in Late Victorian Britain, 1885-1910 E. Spencer Wellhofer, 1996-05-23 Late Victorian Britain witnessed three challenges to its eighteenth century Republican Ideal democracy capitalism and ethnic nationalism Calling upon the languages and debates of the period the book examines contending images of the social order with new data analytic techniques and information Joining the contextual study of history to advanced analytic techniques refutes standard interpretations and provides a more complete portrait of the period The conclusions on democratic transition have important implications for understanding today's efforts to reap democracy's rewards

The Sources of Social Power Michael Mann, 1986 Distinguishing four sources of power in human societies ideological economic military and political The Sources of Social Power traces their interrelations

throughout human history Volume 2 deals with power relations between the Industrial Revolution and the First World War

The Sources of Social Power: Volume 2, The Rise of Classes and Nation-States, 1760-1914 Michael

Mann, 2012-09-24 This second volume deals with power relations between the Industrial Revolution and the First World War

Public Health and Social Justice in the Age of Chadwick Christopher Hamlin, 1998-02-13 A revisionist account of the story of the foundations of public health in industrial revolution Britain *Statemaking and Social Movements* Charles Bright, Susan Harding, 2025-10-01 Statemaking does not end once states emerge but is a continuous process argue the contributors to this volume In their view states are not static structures that act upon society nor are states simple reflections of economic relations states are instead highly dynamic structures that are constantly built up dismantled and transformed by complex interplays of political social and economic processes This collection of original essays by leading scholars in the fields of history anthropology sociology and economics argues for historically specific theories of states and politics in place of ahistorical models Case studies range in scope from Aztec Mexico and feudal Europe to Nazi Germany and contemporary America What emerges from this ground breaking interdisciplinary dialogue is a historically sensitive way of thinking about states politics and social movements and the transformative relationship between states and societies
