The Politics Of Identity Ideology And The Human Image:

The Politics of Identity Wilhelmus Petrus Du Preez, 1980

The Politics of Identity in Australia Geoff

Stokes, 1997-06-30 Issues of identity are central to many historical and current debates in Australia This superb collection of essays represents a significant rethinking of received ideas on identity and reveals how issues of identity lie at the heart of Australian political thought and form the foundation of Australian society and culture It provides a comprehensive introduction to the political discourse surrounding Australian identity through key themes including identity theory the manipulation of identity for political ends gender and sexuality immigration and national identity citizenship and Aboriginality and literature and film The book rejects many of the assumptions underlying contemporary political debates including the promulgation of a singular national identity in historical fact or as a political goal This is a thought provoking study of identity its links with nationalism and its potentially divisive effects *Social Constructionist Identity Politics and*

Literary Studies S. Gupta, 2007-01-10 This study presents a critique of social constructionist identity politics which is distinguished from specific identity based political positions from within and with social constructionist commitments Gupta examines the institutionalization of social constructionist identity politics in literary studies considering the notions of canonicity *Bibliography of Semiotics, 1975-1985*, 1986-01-01 This bibliography of semiotic studies covering the years

1975 1985 impressively reveals the world wide intensification in the field During this decade national semiotic societies have been founded all over the world a great number of international national and local semiotic conferences have taken place the number of periodicals and book series devoted to semiotics has increased as has the number of books and dissertations in the field This bibliography is the result of a dedicated effort to approach complete coverage *Ethnic Identity and National*

Loyalty of an Ethnic Group G. Palanithurai, 2005 *China's Quest for National Identity* Lowell Dittmer, Samuel S.

Kim, 2018-07-05 How to define a Chinese national identity remains as hotly contested a question among today's Chinese citizens as it has been among foreign observers This volume brings together ten new essays by an interdisciplinary group of leading sinologists and offers a comprehensive framework for understanding the nature of Chinese national identity in past and contemporary settings **Big Picture Perspectives on Planetary Flourishing** Nicholas Hedlund, Sean

Esbjörn-Hargens, 2022-07-29 This book split across two volumes is a follow up and companion to Metatheory for the Twenty First Century Routledge 2016 All three of these volumes are the dialogical outcome of a multi year symposia series wherein critical realists and integral theorists deeply engaged each other and their distinct but complementary approaches to integrative metatheory Whereas Metatheory for the Twenty First Century is primarily theoretical in its focus Big Picture Perspectives for Planetary Flourishing Metatheory for the Anthropocene aims to more concretely and practically address the complex planetary crises of a new era that many scholars now refer to as the Anthropocene In this first of two new volumes participants of the symposia series articulate a variety of big picture perspectives and transformative interventions in the

domains of society and economics social psychology and education Together these chapters demonstrate how integrative metatheory and its application can make powerful contributions to planetary flourishing in the Anthropocene With one of the defining characteristics of the Anthropocene being the sheer complexity and multi valent nature of our interconnected global challenges these volumes crucially present new forms of scholarship that can adequately weave together insights from multiple disciplines into new forms of metapraxis As such this book will be of interest to students scholars and practitioners in the areas of philosophy social theory critical realism integral studies metamodernism and current affairs generally
