The Politics Of Reproductive Ritual

S Ben Porath

The Politics Of Reproductive Ritual:

The Politics of Reproductive Ritual Jeffery M. Paige, Karen Ericksen Paige, 2023-04-28 A welcome addition They argue that rituals of reproduction in preindustrial societies are essentially political In these societies they say men need to control the reproductive power of women in order to establish political power where there is no law or central government ritual is used as a way of gaining control The type of ritual will vary they conclude according to the economic base of the society for those who are interested in the subject this book is indispensable Its thesis is challenging and the documentation is excellent Paige and Paige have made an essential contribution to a long debate and their theory is sure to stir new and lively controversy Science Digest This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981

Ritual and Conflict: The Social Relations of Childbirth in Early Modern England Adrian Wilson, 2016-04-08 This book places childbirth in early modern England within a wider network of social institutions and relationships Starting with illegitimacy the violation of the marital norm it proceeds through marriage to the wider gender order and so to the ceremony of childbirth the popular ritual through which women collectively controlled this the pivotal event in their lives Focussing on the seventeenth century but ranging from the sixteenth to the eighteenth century this study offers a new viewpoint on such themes as the patriarchal family the significance of illegitimacy and the structuring of gender relations in the period *Deeply Into the Bone* Ronald L. Grimes, 2002-12 Providing a personal informed and cultural perspective on rites of passage for general readers this text illustrates the power of rites to help us navigate life's troublesome transitions *Identity Politics And Women* Valentine M. Moghadam, 2019-04-09 Identity politics refers to discourses and movements organized around questions of religious ethnic and national identity This volume focuses on political cultural movements that are making a bid for state power for fundamental juridical change or for cultural hegemony In particular the contributors explore the relations of culture identity and women providing vivid illustrations from around the world of the compelling nature of Woman as cultural symbol and Woman as political pawn in male directed power struggles The discussions also provide evidence of women as active participants and as active opponents of such movements Taken together the chapters provide answers to some pressing questions about these political cultural movements What are their causes Who are the participants and social groups that support them What are their objectives Why are they preoccupied with gender and the control of women The first section of the book offers theoretical comparative and historical approaches to the study of identity politics A second section consists of thirteen case studies spanning Muslim Christian Jewish and Hindu countries and communities In the final section contributors discuss dilemmas posed by identity politics and the strategies designed in response

The Gendered Society

Michael S. Kimmel, 2017 The sixth edition of *The Gendered Society* explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women's experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon **Ideas and**

Practices in the History of Medicine, 1650-1820 Adrian Wilson, 2023-04-21 Although articles in this volume fall into three thematic clusters each of those groups exemplifies three general themes micro social processes innovations and the question of continuity versus discontinuity and the relationship between ideas and practice Most of these essays touch upon and some of them are exclusively concerned with small scale social processes e.g. the routines of the all female early modern childbirth ritual the different ways that male practitioners were summoned to such occasions the functioning of voluntary hospitals the protocols underlying patient records Such social practices are well worth studying as both the sites and drivers of larger scale historical change Whenever there comes into being something new whether an institution a hospital a social practice the summoning of men as midwives or a concept a new approach to disease the question arises as to its relationship with what went before This concept resonates throughout these essays but is most to the fore in the chapters on early Hanoverian London which asks explanatory questions and on Porter versus Foucault who represent the extremes of continuity and discontinuity respectively A couple of generations ago the history of ideas was pursued largely without reference to practice in recent times the danger has appeared of the very reverse taking place This book ranges across a broad spectrum in this respect the emphasis being sometimes upon practice Eleanor Willoughby's work as a midwife and sometimes upon ideas concepts of pleurisy across the centuries but in every case there is at least the potential for relating the two to one another None of these themes is specific to medical history on the contrary they are the bread and butter of historical reconstruction in general **Women as Mothers in Pre-Industrial England** Valerie Fildes, 2013-01-03

Originally published in 1990 this book met the rising interest in the subject of women in pre industrial England bringing together a group of scholars with diverse and wide ranging interests experts in social and medical history demography women's studies and the history of the family whose work would not normally appear in one volume Key aspects of motherhood in pre industrial society are discussed including women's concepts of maternity the experience of pregnancy childbirth and wet nursing the fostering and disciplining of children and child abandonment and neglect This unique book provides a comprehensive introductory overview of its subject with emphasis on women's experiences and motives

Sacred Pain Ariel Glucklich, 2003-10-30 Why would anyone seek out the very experience the rest of us most wish to avoid Why would religious worshipers flog or crucify themselves sleep on spikes hang suspended by their flesh or walk for miles through scorching deserts with bare and bloodied feet In this insightful new book Ariel Glucklich argues that the experience of ritual pain far from being a form of a madness or superstition contains a hidden rationality and can bring about a profound transformation of the consciousness and identity of the spiritual seeker Steering a course between purely cultural and purely biological explanations Glucklich approaches sacred pain from the perspective of the practitioner to fully examine the psychological and spiritual effects of self hurting He discusses the scientific understanding of pain drawing on research in fields such as neuropsychology and neurology He also ranges over a broad spectrum of historical and cultural contexts showing the many ways mystics saints pilgrims mourners shamans Taoists Muslims Hindus Native Americans and indeed members of virtually every religion have used pain to achieve a greater identification with God He examines how pain has served as a punishment for sin a cure for disease a weapon against the body and its desires or a means by which the ego may be transcended and spiritual sickness healed When pain transgresses the limits the Muslim mystic Mizra Asadullah Ghalib is quoted as saying it becomes medicine Based on extensive research and written with both empathy and critical insight **Sacred Pain** explores the uncharted inner terrain of self hurting and reveals how meaningful suffering has been used to heal the human spirit

Gender Rituals Nancy Lutkehaus, Paul Roscoe, 2013-09-13 This volume draws together ethnographies of female initiation rites in Melanesia which require anthropologists to rethink their analysis of initiations and their perceptions of gender The contributors argue that female initiation rites express more than cultural notions of femininity narrow definitions of reproduction or coming of age rituals instead they play an important role in other life cycle rituals and in the political and economic organization of society

Birthing a Mother Elly Teman, 2010 This is an ethnography which probes the intimate experience of gestational surrogate motherhood Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavour

The Politics Of Reproductive Ritual Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Politics Of Reproductive Ritual free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Politics Of Reproductive Ritual free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Politics Of Reproductive Ritual free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Politics Of Reproductive Ritual. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Politics Of Reproductive Ritual any PDF files. With these platforms, the world of PDF downloads is just a click away.
