Social and Political Transformation in Iran Since 1979 Dr. Shah Alam, 2015-07-01 The Islamic Revolution of 1979 in Iran is a watershed in the history of Iran where Islam had played a dominant role in restructuring and reshaping society as a whole The fusion of religion with politics and working as ideology is unique in the history of Islam The structural nature and functional scope of the three branches of the government has been changed along Islamic lines since the establishment of the Islamic Republic Islam s penetration is so extensive that its manifestation has come up in the form of the institutionalized role of Islam In the aftermath of the revolution a new constitution was enacted which declared Twelver Shiism as state religion Islam has profound impact on social political and economic system of Iran Iranian economy has also been restructured along Islamic line Its influence is deep and far reaching in the economic system of Iran The author in this book has analysed the role of Islam in the Transformation of Social Political and Economic structure of Iran post Islamic Revolution of 1979

Nation, Ethnicity and the Conflict in Afghanistan Raghav Sharma, 2016-07-15 Ethnic and tribal loyalties in Afghanistan provided the lethal cocktail for the violent conflict that engulfed the country following the collapse of the Soviet backed government in 1992 The ensuing fighting between mujahideen groups paved the way for the tectonic social and political shifts which continue to shape events today What accounts for the emergence of ethnicity as the main cause of conflict in Afghanistan

What moved people to respond with such fervour and intensity to calls for ethnic solidarity This book attempts to make sense of ethnicity's decisive role in Afghanistan through a comprehensive exploration of its nature and perception Based on new data generated through interviews field notes and participant observations Sharma maps the increased role of ethnicity in Afghan national politics Key social political and historical processes that facilitated its emergence as the pre dominant fault line of conflict are explored moving away from grand political and military narrative to instead engage with zones of conflict as social spaces This book will be of interest to students and scholars working in politics ethnic studies and security studies

Islam, Gender, & Social Change Yvonne Yazbeck Haddad, John L. Esposito, 1998 The essays collected in this book place this issue in its historical context and offer case studies of Muslim societies from North Africa to Southeast Asia These fascinating studies shed light on the impact of the Islamic resurgence on gender issues in Iran Egypt Jordan Pakistan Oman Bahrain the Philippines and Kuwait Taken together the essays reveal the wide variety that exists among Muslim societies and believers and the complexity of the issues under consideration

Iran's Political Economy since the Revolution Suzanne Maloney, 2015-08-20 This book provides a comprehensive overview of Iran's political economy since the 1979 revolution and examines the country's energy sector

Sectarian Politics in the Persian Gulf Lawrence G. Potter, 2014-06-01 Sunni Shia relations in the GCC countries are analysed by the contributors in the wake of recent protests in Bahrain Saudi Arabia and elsewhere

The Afghanistan Wars William Maley, 2020-11-03 A whole generation has grown up in Afghanistan knowing little but the ravages of war The dramatic overthrow of the Taliban regime in 2001 was simply one event in a series of interrelated struggles which have blighted ordinary people's lives over the last three decades and which continue to interfere with reconciliation and reconstruction This new edition of *The Afghanistan Wars* provides a meticulously documented history of these successive waves of conflict From the roots of Afghanistan's slide into disorder in the late 1970s to the challenges faced by Afghan leaders following the substantial withdrawal of international forces in 2014 it explores military and diplomatic history while also offering valuable insight on humanitarian action gender medical and cultural themes Thoroughly revised in the light of the latest research the third edition also features a new final chapter which examines recent developments in Afghanistan bringing the story up to the present day and mounting a strong case for continuing support for this troubled country New to this Edition A final chapter on the recent developments in Afghanistan up to the present day Revised to take into account the considerable amount of new material published on this topic since 2009 Refreshed and updated throughout

Women's Human Rights and the Muslim Question Rebecca Barlow, 2012-01-02 *Women's Human Rights and the Muslim Question* shows how Muslim women have made meaningful contributions to the development of the international framework on gender equality and women's rights An investigation into the women's movement of Iran offers a practical grounding for this argument and presents unprecedented findings on how ideological divisions along secular and religious lines have been worked in favour of a rights based framework for change The book

presents a comprehensive synthesis and analysis of the campaign material of the women s movement Change for Equality Campaign one of the most progressive and sophisticated movements in the Middle East Central Asia Islamic Studies Series Volume 11 **Inside Afghanistan** Timor Sharan,2022-09-28 This book maps out how political networks and centres of power engaged in patronage corruption and illegality effectively constituted the Afghan state often with the complicity of the U S led military intervention and the internationally directed statebuilding project It argues that politics and statehood in Afghanistan in particular in the last two decades including the ultimate collapse of the government in August 2021 are best understood in terms of the dynamics of internal political networks through which warlords and patronage networks came to capture and control key sectors within the state and economy including mining banking and illicit drugs as well as elections and political processes Networked politics emerged as the dominant mode of governance that further transformed and consolidated Afghanistan into a networked state with the state institutions and structures functioning as the principal marketplace for political networks bargains and rent seeking The fa ade of state survival and fragmented political order was a performative act and the book contends sustained through massive international military spending and development aid obscuring the reality of resource redistribution among key networked elites and their supporters Overall the book offers a way to explain what it was that the international community and the Afghan elites in power got so wrong that brought Afghanistan full circle and the Taliban back to power
