The Pope Of Greenwich Village:

THE POPE OF GREENWICH VILLAGE Vincent Patrick, 1984 *The Pope of Greenwich Village [by] Vincent Patrick* Vincent Patrick, 1979 *The Pope of Greenwich Village* Vincent Patrick, 1984-06 Charlie nicknamed The Pope manager of a New York City restaurant and barely able to stay ahead of his gambling debts and his pals Paulie and Barney pull a heist that makes them targets of both the Mafia and the police *The Pope of Greenwich Village* Vincent Patrick, 1981 **New York Magazine** , 1984-06-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Made Men** Greg B. Smith, 2003-02-04 For years the DeCavalcantes the most powerful Mob family in Jersey labored in the shadows of the more famous families in New York the likes of the Gambinos and the Columbos Dismissed by the big city capos the DeCavalcantes finally came into their own when they found their lives mirrored in the television hit *The Sopranos* Overnight it legitimized the made men of the Garden State Now they were a familia to be reckoned with Unfortunately with high profile came high risk As member turned against member as trusted friend turned terrified informant the FBI put the brakes on the DeCavalcante s explosive ride into infamy hastening a fall from honor that would become as infamous as their notorious ascension into the annals of organized crime Based on more than 1 000 hours of secretly recorded conversations *Made Men* delivers for the first time the unprecedented and completely uncensored behind the scenes truth of a historically clandestine world of violent life and sudden death inside and outside the mob told by the very men who made it **Reel Baseball** Stephen C. Wood, J. David Pincus, 2003-01-16 Not only are movies and baseball two of America s favorite pastimes they are integral parts of our culture Small wonder that the two frequently merge in Hollywood s use of baseball themes jargon and icons This work on baseball in the movies is organized into four sections examining different aspects of the cultural intersection between film and baseball In the first three sections *Baseball in Baseball Films* Babe Ruth and the Silver Screen and *Baseball in Non Baseball Films* essays by scholars in various disciplines cover such topics as symbols the role of family baseball as a facilitator of violence and the American mythos The fourth section consists of interviews with directors such as Ron Shelton and Penny Marshall actors Kevin Costner James Belushi and baseball personnel broadcaster Vin Scully coach Rod Dedeaux who have worked in baseball films Instructors considering this book for use in a course may request an examination copy here [New York Magazine](#) , 1984-07-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and
