

The Populist Revolt

The Populist Revolt

Laura Ingraham

The Populist Revolt:

The Populist Revolt John Donald Hicks, 1931 *Populist Revolt* was first published in 1931 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions When *The Populist Revolt* was originally published the New York Times critic called it far and away the best account of populism that we have and one not likely to be replaced That prophecy proved right the book has not been replaced and historians and critics agree that it is the definitive work on its subject Now it is made available once more after being out of print for some time This is a history of the Farmers Alliance and the People's Party under whose banners a great crusade for farm relief was waged in the 1880s and 1890s As important as the chronicle of the political movement itself is the detailed picture which Professor Hicks gives of the conditions which set the stage for this agrarian revolt He describes the inequities and malpractices which beset both the new settlers of the West and the poverty ridden whites and Negroes of the South following the Civil War The story of Populism itself is a lively one people with such picturesque leaders as Pitchfork Ben Tillman of South Carolina Sockless Jerry Simpson and Mary Elizabeth Lease the Patrick Henry in petticoats of Kansas Bloody Bridles Waite of Colorado Thomas E Watson of Georgia Dr C W Macune of Texas James B Weaver of Iowa and Ignatius Donnelly of Minnesota In these pages Professor Hicks has as Frederic L Paxson pointed out presented the case for Populism better than the Populists themselves could do it Henry Steele Commager calls the book a thorough scholarly sympathetic and spirited history of the entire Populist movement

The Populist Revolt John Donald Hicks, 1955 *The Populist Revolt* John D. Hicks, 1970 *the Populist Revolt*, 1955 *The ^A Populist Vision* Charles Postel, 2007-05-29 The Populist Vision offers an innovative reevaluation It offers that the Populists were modern people rejecting the notion that Populism opposed modernity and progress Looking at Populism as a national movement Postel focuses on farmers but also wage earners and bohemian urbanites He examines topics from technology business and women's rights to government race and religion

The Populist Revolt John Donald Hicks, 1967 **The Populist Revolt** John Donald Hicks, 1967 *The Uprising* David Sirota, 2009-04-28 An all access pass to the populist insurrection brewing across the country Job outsourcing Slashed paychecks A war without end fatally mismanaged Americans on both the Right and Left are tired of being disenfranchised by corrupt politicians and are organizing to change the status quo In his invigorating new book David Sirota investigates this uprising taking us into the trenches where real change is happening in the headquarters of the most powerful third party in America at an ExxonMobil shareholder meeting and on the quasi military staging area of a vigilante force on the Mexican border The Uprising is essential reading for anyone who wants to look beyond presidential politics at the new populism that is reshaping the American political landscape

Busting the Barricades Laura Ingraham, 2018-10-09 Previously published as *Billionaire at the Barricades* Americans didn't just go to the polls in 2016 They joined a movement that swept the unlikely of candidates Donald Trump into the Oval Office Can he complete his agenda Or

will his opponents in the media protestor class and political establishment block his efforts and choke off the movement he represents In *Busting the Barricades* Laura Ingraham gives readers a front row seat to the populist revolution as she witnessed it She reveals the origins of this movement and its connection to the Trump presidency She unmasks the opposition forecasts the future of the Make America Great Again agenda and offers her own prescriptions for bringing real change to the swamp of Washington Unlike most of her media colleagues Ingraham understood Trump s appeal and defied those who wrote his political obituary Now she confronts the president s critics and responds to those who deny the importance of his America First agenda With sharp humor and insight she traces the DNA of the populist movement from Goldwater s 1964 campaign to Nixon s Silent Majority to Reagan s smashing electoral victories Populism fueled the insurgency campaigns of Buchanan and Perot the election of George W Bush and the Tea Party rallies of the Obama presidency But a political novice a Manhattan billionaire proved to be the movement s most vocal champion This is the inside story of his victory and the fitful struggle to enact his agenda

The Populist Revolt, a History of the Farmers' Alliance and the People's Party. John D. Hicks, ... John Donald Hicks, 1931
