Howard Garrett,1975-02-01 **Wheels of Her Own** Carla R. Lesh,2024-03-25 Women used automobiles as soon as they had
access to them Black Indigenous and White American women utilized the automobile to improve their quality of life and
achieve greater freedom These women shared unique concerns and common aims as they negotiated their way through a
time when advocacy for social change was undergoing a resurgence The years that brought the automobile to the United
States 1893 1929 also brought increased legal and social restrictions based on racism and gender stereotypes For women the
automobile was a useful tool as they worked to improve their quality of life The automobile provided a means for Black
Indigenous and White women to pull away from limitations and work toward greater freedom Exploring these key issues and
more this book is a history and social exploration of women and the automobile during the early automotive era Catalog
