

The Potawatomi Of Wisconsin

Steven L. Danver

The Potawatomi Of Wisconsin:

The Potawatamie of Wisconsin Damon Mayrl, 2002-12-15 Discusses the origins social structure spiritual beliefs and daily life of the Potawatomi as well as examining their contributions to American culture **The Potawatomi Indians of Wisconsin** Robert Eugene Ritzenthaler, 1953 Wisconsin's Past and Present Wisconsin Cartographers' Guild, 1998 The atlas features historical and geographical data including full color maps descriptive text photos and illustrations **The Potawatomi Indians of Wisconsin** Robert E. Ritzenthaler, 19?? **Wisconsin Indian Literature** Kathleen Tigerman, 2006 Presents the oral traditions legends speeches myths histories literature and historically significant documents of the twelve independent bands and Indian Nations of Wisconsin This anthology introduces us to a group of voices enhanced by many maps photographs and chronologies **Bulletin of the Public Museum of the City of Milwaukee** Milwaukee Public Museum, 1933 **Encyclopedia of Native American Tribes** Carl Waldman, 2014-05-14 A comprehensive illustrated encyclopedia which provides information on over 150 native tribes of North America including prehistoric peoples Native Peoples of the World Steven L. Danver, 2015-03-10 This work examines the world's indigenous peoples their cultures the countries in which they reside and the issues that impact these groups **The Potawatomis** R. David Edmunds, 1978-01-01 The Potawatomi Indians were the dominant tribe in the region of Wisconsin Illinois Indiana and southern Michigan during the seventeenth and early eighteenth centuries Active participants in the fur trade and close friends with many French fur traders and government leaders the Potawatomis remained loyal to New France throughout the colonial period resisting the lure of the inexpensive British trade goods that enticed some of their neighbors into alliances with the British During the colonial wars Potawatomi warriors journeyed far to the south and east to fight alongside their French allies against Braddock in Pennsylvania and other British forces in New York As French fortunes in the Old Northwest declined the Potawatomis reluctantly shifted their allegiance to the British Crown fighting against the Americans during the Revolution during Tecumseh's uprising and during the War of 1812 The advancing tide of white settlement in the Potawatomi lands after the wars brought many problems for the tribe Resisting attempts to convert them into farmers they took on the life style of their old friends the French traders Raids into western territories by more warlike members of the tribe brought strong military reaction from the United States government and from white settlers in the new territories Finally after great pressure by government officials the Potawatomis were forced to cede their homelands to the United States in exchange for government annuities Although many of the treaties were fraudulent government agents forced the tribe to move west of the Mississippi often with much turmoil and suffering This volume the first scholarly history of the Potawatomis and their influence in the Old Northwest is an important contribution to American Indian history Many of the tribe's leaders long forgotten such as Main Poc Siggenauk Onanghisse Five Medals and Billy Caldwell played key roles in the development of Indian white relations in the Great Lakes region The Potawatomi experience also sheds light on the development of later United States policy

toward Indians of many other tribes
