The Powers Behind The Prime Minister The Hidden Influence Of Number Ten

Michael Foley

The Powers Behind The Prime Minister The Hidden Influence Of Number Ten:

The British Prime Minister in the Core Executive Birgit Bujard, 2018-07-21 This book examines the UK prime minister's political leadership in the domestic executive. By offering a comparative study of the political leadership of James Callaghan, Margaret Thatcher, John Major, and Tony Blair with regard to European monetary policy, it challenges the thesis that British prime ministers today have more power, resources, and autonomy than their predecessors, giving them a greater capacity to act. Taking key European monetary policy decisions by the British government between 1976 and 2007 as empirical cases, the book assesses the extent to which the political leadership of each prime minister was affected by the cabinet, the parliamentary party, as well as the media, and the extent to which he or she was able to manage these factors. It becomes clear from this analysis that prime ministerial predominance is not as frequent as suggested, while collective leadership does not represent a return to cabinet government. Moreover, particularly the party in government affects the prime minister's leadership by shaping his or her options on appointments and therefore the composition of the core executive, and through its behaviour in parliament, e.g. through rebellions or the threat of them.

The Impossible Office? Anthony Seldon, Jonathan Meakin, Ilias Thoms, Tom Egerton, 2024-03-14 Over 300 years, fifty-seven individuals have held the office of British Prime Minister, who have been the best and worst.

Special Advisers Ben Yong, Robert Hazell, 2014-12-01 Viewers of *The Thick of It* will know of special advisers as spin doctors and political careerists. Several well-known ministers have been special advisers among them: David Cameron, Ed Miliband, Jack Straw, and Vince Cable. People also know about the public relations disasters involving Jo Moore, Damian McBride, and Adam Smith. But what is the reality? What do special advisers actually do in government? Who are they? Where do they come from and why are they needed? This book is the most detailed study yet carried out of special advisers. The Constitution Unit's research team, led by Dr Ben Yong and Professor Robert Hazell, assembled a comprehensive database of over 600 special advisers since 1979. They conducted written surveys and interviewed over 100 special advisers, ministers, and officials from the past thirty years. They conclude that special advisers are now a permanent and indispensable part of Whitehall but are still treated as transient and temporary. The book concludes with practical recommendations for increasing the effectiveness of special advisers through improvements to their recruitment, induction, and training, support and supervision, and strengthening their accountability.

Permanent Campaigning in Canada Alex Marland, Thierry Giasson, Anna Lennox Esselment, 2017-06-28 Election campaigning never stops. That is the new reality of politics and government in Canada, where everyone from staffers in the Prime Minister's Office to backbench MPs practise political marketing and communication as though each day were a battle to win the news cycle. *Permanent Campaigning in Canada* examines the growth and democratic implications of political parties' relentless search for votes and popularity and what constant electioneering means for governance. With the emergence of fixed-date elections and digital media, each day is a battle to win mini-contests: the news cycle, public opinion polls, quarterly fundraising results, by-elections, and more. The

contributors case studies reveal how political actors are using all available tools at their disposal to secure electoral advantage This is the first study of a phenomenon including the use of public resources for partisan gain that has become embedded in Canadian politics and government **Governance Stories** Mark Bevir,Rod Rhodes,2006-04-19 An incisive examination of Britain today which breaks from traditional studies and takes a new approach to account for massive changes in the make up of the nation Over the last twenty years Britain has changed from being governed as a unitary state to a country ruled by the interplay of various forces central government the market public private partnerships new local government structures eg the new Mayoral system greater regional autonomy as well as the EU and transnational businesses and organizations In their earlier book *Interpreting British Governance* Bevir and Rhodes examined changes in British government by setting out an interpretative approach to British political science which focussed on an aggregate analysis of British political traditions This new study builds on this work to provide a theoretical defence of situated agency located in the historical context of British political science compare their approach to British political science with others including post structural and institutional analysis present a general account of governance as the context for ethnographic analyses of governance in action deliver studies of the consumers of public services the National Health Service government departments and policy networks This book will be of great interest to advanced students and researchers of political theory public policy British politics and British history **The British Presidency** Michael Foley,2000 The Premiership of Tony Blair has not only reaffirmed previous trends towards leader centered parties and governments it has provided a decisive change in the development of a British presidency The strategies and techniques designed to secure and expand Blair s public outreach together with the priority attached to the prime minister s personal pledges and individual vision have propelled the office into new dimensions of independence Michael Foley argues that the ascendancy of Blair is not an aberration but rather a culmination of trends that have established vigorous leadership as a key criterion of political evaluation and governing competence This edition is completely up to date including the first convincing analysis of Tony Blair s leadership style **Comparing Westminster** R. A. W. Rhodes,John Wanna,Patrick Weller,2009-08-27 This book explores how the governmental elites in Australia Britain Canada New Zealand and South Africa understand their Westminster system It examines in detail four interrelated features of Westminster systems Firstly the increasing centralisation in collective responsible cabinet government Second the constitutional convention of ministerial and collective responsibility Third the role of a professional non partisan public service And finally parliament s relationship to the executive The authors explain the changes that have occurred in the Westminster model by analysing four traditions royal prerogative responsible government constitutional bureaucracy and representative government They suggest that each tradition has a recurring dilemma between centralisation and decentralisation party government and ministerial responsibility professionalisation and politicisation and finally elitism and participation They go on to argue that these

dilemmas recur in four present day debates the growth of prime ministerial power the decline in individual and collective ministerial accountability politicisation of the public service and executive dominance of the legislature They conclude by identifying five meanings of or narratives about Westminster Firstly Westminster as heritage elite actors shared governmental narrative understood as both precedents and nostalgia Second Westminster as political tool the expedient cloak worn by governments and politicians to defend themselves and criticise opponents Third Westminster as legitimising tradition providing legitimacy and a context for elite actions serving as a point of reference to navigate this uncertain world Fourth Westminster as institutional category it remains a useful descriptor of a loose family of governments with shared origins and characteristics Finally Westminster as an effective political system it is a more effective and efficient political system than consensual parliamentary governments Westminster is a flexible family of ideas that is useful for many purposes and survives even thrives because of its meaning in use to elite actors *Policy Making in Britain* Peter Dorey, 2005-04-30 This textbook introduces students to the public policy making process in Britain today Assuming no prior knowledge it provides a full review of the key actors institutions and processes **Policy Making in Britain** Peter Dorey, 2005-04-05 By applying the range of tools of policy analysis to the detail of the policy making machinery of British government Peter Dorey's text has met a need for teachers and students of these subjects which has not been fulfilled for a decade or more I have adopted it straight away as a must buy for my own students Justin Greenwood Robert Gordon University A very welcome addition to the literature on public policy making in contemporary Britain and ideal for teaching purposes Peter Dorey's new book is clearly written theoretically informed but also rich in illustration A key resource for all students of British public policy Dr Andrew Denham Reader in Government University of Nottingham This accessible textbook introduces students to the public policy making process in Britain today Assuming no prior knowledge it provides a full review of the key actors institutions and processes by addressing the following questions who sets the public policy agenda who influences the detail of public policy what makes for successful implementation of public policy is there such a thing as British public policy Peter Dorey is careful to ground theory in the reality of contemporary British politics and the text fully assesses the impact of devolution and European integration and the evolution from government to governance The result is a lively and accessible new text that will be required reading for all students of contemporary British politics public policy and governance

Ministerial Leadership Leighton Andrews, 2024-01-16 Ministerial Leadership offers a practice based account of how ministers in UK governments perform their roles and exercise leadership in their spaces of activity Drawing on the unique Ministers Reflect archive of the Institute for Government which is an open and growing resource of over 140 ministerial interviews at UK and devolved government levels as well as other ministerial reflections the book addresses the literature on ministerial life and political leadership and develops new concepts for examining ministerial leadership in different spheres It argues that the relationship between ministers and civil servants has changed significantly in recent decades as ministers

place greater emphasis on delivery and implementation The book adopts a theoretically pluralist approach with the intention of offering a valuable teaching aid for existing and new courses It will appeal to all those interested in public policy and governance

Eventually, you will agreed discover a additional experience and expertise by spending more cash. nevertheless when? pull off you take that you require to acquire those all needs later than having significantly cash? The Powers Behind The Prime Minister The Hidden Influence Of Number Ten Introduction

In today's digital age, the availability of *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *The Powers Behind The Prime Minister The Hidden Influence Of Number Ten* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *The Powers Behind The Prime Minister The Hidden*

Influence Of Number Ten books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Powers Behind The Prime Minister The Hidden Influence Of Number Ten books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Powers Behind The Prime Minister The Hidden Influence Of Number Ten books and manuals for download and embark on your journey of knowledge?

FAQs About The Powers Behind The Prime Minister The Hidden Influence Of Number Ten Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Powers Behind The Prime Minister The Hidden Influence Of Number Ten is one of the best book in our library for free trial. We provide copy of The Powers Behind The Prime Minister The Hidden Influence Of Number Ten in digital format, so the resources that you find are

reliable. There are also many Ebooks of related with The Powers Behind The Prime Minister The Hidden Influence Of Number Ten. Where to download The Powers Behind The Prime Minister The Hidden Influence Of Number Ten online for free? Are you looking for The Powers Behind The Prime Minister The Hidden Influence Of Number Ten PDF? This is definitely going to save you time and cash in something you should think about.
