The Practice of the Presence of God, and the Spiritual Maxims Brother Lawrence, 2006-12-01 A former soldier French mystic Nicholas Herman aka BROTHER LAWRENCE 1611 1691 was converted to a powerful love of God at age 18 by a humble observation of nature and his thoughts collected in these two uncomplicated works of devotion remain among the most pure and most powerful adorations of the divine A lay Carmelite brother Lawrence spent most of his time in the monastery's kitchens and his simple earthy observations on the direct paths to communication with God continue to inspire those seeking a stronger more potent spirituality today The Practice of the Presence of God Brother Andrew, 2004-07 Books for less than a buck Absolutely with Barbour's Value Book line you'll boost your impulse sales and your bottom line These 96 page paperbacks priced at only 99 cents each make perfect all on buys for your customers

The Practice of the Presence of God Brother Lawrence, 1982-06-01 Brother Lawrence was a man of humble beginnings who discovered the greatest secret of living in the kingdom of God here on earth It is the art of practicing the presence of God in one single act that does not end He often stated that it is God who paints Himself in the depths of our souls We must merely open our hearts to receive Him and His loving presence As a humble cook Brother Lawrence learned an important lesson through each daily chore The time he spent in communion with the Lord should be the same whether he was bustling around in the kitchen with several people asking questions at the same time or on his knees in prayer He learned to cultivate the deep presence of God so thoroughly in his own heart that he was able to joyfully exclaim I am doing now what I will do for all eternity I am blessing God praising Him adoring Him and loving Him with all my heart This unparalleled classic has given both blessing and instruction to those who can be content with nothing less than knowing God in all His majesty and feeling His loving presence throughout each simple day

The Practice of the Presence of God Lawrence Brother, 2012-02-01 The original guide to practicing the presence of God We must not grow weary of doing little things for the love of God who looks not on the great size of the work but on the love of it In this classic work which has instructed and inspired millions a humble 17th century monk reveals the secrets of daily moment by moment fellowship with God In the way of God thoughts count very little writes Brother Lawrence who spent much of his monastic life in the kitchen Love does it all Full of realistic honesty friendliness and simplicity Brother Lawrence shows that it is possible to meet God amongst the pots and pans in the ordinary daily events of life This edition rendered from the original French into graceful contemporary English will nourish and delight all those who seek to practice the presence of God The Practice of the Presence of God Brother Lawrence, 2016-07-12 God Is Always There for You The Practice of the Presence of God is a little gem But it is also a book you have to be receptive to appreciate Without this requisite receptivity its pearls of wisdom would be wasted But with the right frame of mind and heart it is the perfect book Perfect in that while it can be read in one hour mastery of its central concept requires a lifetime Well at least for this soul and a very long lifetime at that This is a short but profoundly meditative read Good stuff for mothers

in a hurry who want to ponder a connection with God in the midst of busy days also palatable for people going through a hard time to read little bits at a time and absorb them without charging through Brother Lawrence was a man of humble beginnings who discovered the greatest secret of living in the kingdom of God here on earth It is the art of practicing the presence of God in one single act that does not end He often stated that it is God who paints Himself in the depths of our soul We must merely open our hearts to receive Him and His loving presence For nearly 300 years this unparalleled classic has given both blessing and instruction to those who can be content with nothing less than knowing God in all His majesty and feeling His loving presence throughout each simple day **The Practice of the Presence of God** Brother

Lawrence, 2015-07-21 The Practice of the Presence of God is a book of collected teachings of Brother Lawrence a 17th century Carmelite monk Compiled by Father Joseph de Beaufort The compilation includes letters as well as records of his conversations kept by Brother Lawrence's interlocutors The basic theme of the book is the development of an awareness of the presence of God This classic has been translated and published many times since Nicholas Herman known as Brother Lawrence first penned his letters and conversations in the 17th century His view of practicing the presence of God could be summed up with his statement The time of business does not with me differ from the time of prayer and in the noise and clatter of my kitchen while several persons are at the same time calling for different things I possess God in as great tranquility as if I were upon my knees at the blessed sacrament The simplicity yet the profoundness of being so aware of God His love and His delight is antithetical to the busyness of ministry and the need to perform well for God and people Brother Lawrence's advice was that the most excellent method he had found of going to God was that of doing our common business without any view of pleasing men and as far as we are capable purely for the love of God The compilation of his reflections and advice should be read periodically to remind us of the spiritual discipline of practicing the presence of God in our daily lives The Practice of the Presence of God Brother Lawrence of the Resurrection OCD, 1994-12-13 The only English

translation of the French critical edition this volume includes a general introduction bibliography and testimonies about Brother Lawrence by those who knew him With 5 photos and illustrations More Information The third centenary of the death of Brother Lawrence of the Resurrection inspired the Belgian Discalced Carmelite Conrad De Meester to present this new critical edition of Brother Lawrence's classic on the Practice of the Presence of God including all of his letters maxims and conversations This book also contains a detailed general introduction to the life and works of Brother Lawrence as well as the testimonies of his biographer The Practice of the Presence of God Brother Lawrence of the Resurrection Lawrence, 2023-03-11
