The Pragmatics Of Insignificance Chekhov Zoshchenko Gogol

Leah V. Garrett

The Pragmatics Of Insignificance Chekhov Zoshchenko Gogol:

The Pragmatics of Insignificance Cathy Popkin, 1993 What makes a tale worth telling What makes a text worth reading When is a detail significant and when extraneous And how much irrelevant detail can a reader take in his or her stride This book addresses the question of tellability by looking at texts that raise the question themselves works by Anton Chekhov Mikhail Zoshchenko and Nikolai Gogol The author examines closely both the works of the three authors and their readers responses to them emphasizing the pragmatic predicament of readers confronted with textual material that confounds their sense of import and tempts them to quit reading She also raises the vexed question of reading for pleasure and profit The book accounts systematically for why Chekhov s trivia works so well and speculates provocatively about why Gogol s does not It also aims to fill a major gap in the English language scholarship on Zoshchenko most of which concentrates almost exclusively on his stylistic idiosyncrasies The book locates Zoshchenko s appeal in the iconoclastic structure and content of his miniatures

Essays on Anton P. Chekhov Robert Louis Jackson, 2023-05-30 This long awaited collection brings together in one volume the definitive essays on Anton Chekhov by renowned Chekhov scholar Robert Louis Jackson including work that has never appeared in English as well as brand new essays published here for the first time The volume offers a series of slow readings that yield insight after exquisite insight They also model fruitful ways of discerning the rich complexity of Chekhov s deceptively simple work The volume s introduction by Robin Feuer Miller captures beautifully what Jackson undertakes in his careful scrutiny of Chekhov s text The editor s afterword by Cathy Popkin includes passages from the editorial correspondence in which Jackson reflects on his work and articulates his aspirations the authorial voice thus resounds in the section Jackson expected to write himself The editor also outlines the arguments and insights of Jackson s remarkable unfinished essays Finally an appendix provides the full text of his virtually complete but still open ended treatment of On Official Business the story Jackson returned to repeatedly for decades the previously unpublished culmination of his life s work on Chekhov **Essays on Anton P Chekhov Close Readings** is fully accessible to readers without knowledge of Russian while also providing complete documentation for scholars in the field

The Cambridge Introduction to Chekhov James N. Loehlin, 2010-10-07 Chekhov is widely acknowledged as one of the most influential literary figures of modern times Russia s preeminent playwright he played a significant role in revolutionizing the modern theatre His impact on prose fiction writing is incalculable he helped define the modern short story Beginning with an engaging account of Chekhov s life and cultural context in nineteenth century Russia this book introduces the reader to this fascinating and complex personality Unlike much criticism of Chekhov it includes detailed discussions of both his fiction and his plays The Introduction traces his concise impressionistic prose style from early comic sketches to mature works such as Ward No 6 and In the Ravine Examining Chekhov s development as a dramatist the book considers his one act vaudevilles and early works while providing a detailed act by act analysis of the masterpieces on which his reputation rests The Seagull

Uncle Vanya Three Sisters and The Cherry Orchard **New Poetics of Chekhov's Major Plays** Harai Golomb,2014-01-01

This text attempts to map the unique structure and meaning that comprise Chekhov's immensely rich artistic universe. The prime components of his theatrical technique and fictional world are explored to uncover the basic principles governing the Chekhov's universe *South African Literature's Russian Soul* Jeanne-Marie Jackson,2015-10-22 How do great moments in literary traditions arise from times of intense social and political upheaval? *South African Literature's Russian Soul* charts the interplay of narrative innovation and political isolation in two of the world's most renowned non-European literatures. In this book Jeanne Marie Jackson demonstrates how Russian writing's Golden Age in the troubled nineteenth century has served as a model for South African writers both during and after apartheid. Exploring these two isolated literary cultures alongside each other, the book challenges the limits of global methodologies in contemporary literary studies and outdated models of center-periphery relations to argue for a more locally involved scale of literary enquiry with more truly global horizons.

Russian Minimalism Adrian Wanner,2003-12-26 The first study of the prose poem in the context of Russian literature

Music as a Platform for Political Communication Onyebadi, Uche,2017-02-14 Artistic expression is a longstanding aspect of mankind and our society. While art can simply be appreciated for aesthetic value, it can be utilized for other various multidisciplinary purposes. *Music as a Platform for Political Communication* is a comprehensive reference source for the latest scholarly perspectives on delivering political messages to society through musical platforms and venues. Highlighting innovative research topics on an international scale such as election campaigns, social justice, and protests, this book is ideally designed for academics, professionals, practitioners, graduate students, and researchers interested in discovering how musical expression is shaping the realm of political communication **The Performance of Authenticity**

Teófilo Espada-Brignoni,2022-01-28 In *The Performance of Authenticity: The Makings of Jazz and the Self in Autobiography*, Teófilo Espada Brignoni analyzes the autobiographies of New Orleans musicians Baby Dodds, Sidney Bechet, Pops Foster, and Lee Collins, who throughout their texts construct New Orleans jazz as an authentic musical expression grounded in their experiences and culture. The author argues the autobiographies reproduce and reinterpret modernist conceptions of authenticity to assert and affirm authority over the public representations and discussions of jazz. Through the autobiographers' use of ideas about authenticity, they establish the value of their narratives but at the same time reinforce some of the power dynamics they set out to criticize. Their narratives also reveal the complex ethics that emerged during the first decades of the music and problematize modernist values such as individualism, the dichotomy of work and life, as well as the self and the social. The book adopts Foucauldian and social constructivist perspectives, complementing analysis of the autobiographies by drawing from literary theory, psychology, sociology, and jazz scholarship **Journeys beyond the Pale** Leah V. Garrett,2003-03-15 *Journeys beyond the Pale* is the first book to examine how Yiddish writers from Mendele Moycher Sforim to Der Nister to the famed Sholem Aleichem used motifs of travel to express their complicated relationship with

modernization The story of the Jews of the Pale of settlement encompasses current day Russia the Ukraine Belarus and Poland *Russia on Reels* Birgit Beumers, 1999-12-31 This is the first book to deal exclusively with Russian cinema of the 1990s It introduces readers to the currents and common interests of contemporary Russian cinema offers close studies of the work of filmmakers like Sokurov Muratova and Astrakhan reviews the Russian film industry in a period of massive economic transformation and assesses cinema's function as a definer of Russia's new identity
