The Price of Salt Claire Morgan,1984 An all time classic a compelling beautiful love story **A Companion to Literature and Film** Robert Stam,Alessandra Raengo,2008-04-15 A Companion to Literature in Film provides state of the art research on world literature film and the complex theoretical relationship between them 25 essays by international experts cover the most important topics in the study of literature and film adaptations Covers a wide variety of topics including cultural thematic theoretical and genre issues Discusses film adaptations from the birth of cinema to the present day Explores a diverse range of titles and genres including film noir biblical epics and Italian and Chinese cinema

Modern American Queer History Allida Mae Black,2001 In the twentieth century countless Americans claimed gay lesbian bisexual and transgender identities forming a movement to secure social as well as political equality This collection of essays considers the history as well as the historiography of the queer identities and struggles that developed in the United States in the midst of widespread upheaval and change Whether the subject is an individual life story a community study or an aspect of public policy these essays illuminate the ways in which individuals in various locales understood the nature of their desires and the possibilities of resisting dominant views of normality and deviance Theoretically informed but accessible the essays shed light too on the difficulties of writing history when documentary evidence is sparse or coded Taken together these essays suggest that while some individuals and social networks might never emerge from the shadows the persistent exploration of the past for their traces is an integral part of the on going struggle for queer rights Historical Dictionary of Homosexuality Brent L. Pickett,2022-04-04 The history of same sex attraction and love is relevant to many aspects of history including its social religious and political dimensions The Historical Dictionary of Homosexuality provides a comprehensive survey of same sex relations from ancient China and Greece to the contemporary world The book covers religious traditions that have tolerated or had a role for same sex relations to those that have condemned it and called for punishment The legal treatment of homosexuality and the development in the modern world of a gay rights movements are central areas of focus In addition there are a number of entries for specific countries and regions that provides concise summaries of how same sex relations have been understood and treated around the globe Court decisions and emerging norms in international law are also covered Historical Dictionary of Homosexuality Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 200 cross referenced entries on important historical figures philosophic artistic and literary treatments of same sex love historical terms and contemporary events This book is an excellent resource for students researchers and anyone wanting to know more about homosexuality **Understanding Film Theory** Ruth Doughty,Christine Etherington-Wright,2017-08-30 This essential core textbook provides an approachable and extensive introduction to film theory written by two highly experienced senior lecturers Bringing a fresh contemporary and accessible approach to what is often perceived to be a challenging and old fashioned area of film studies that requires time and effort to

grasp the text illustrates why theory is important and demonstrates how it can be applied in a meaningful way The book's sixteen chapters are clear and comprehensive and provide an insight into the main areas of debate using clear definitions and explaining complex ideas succinctly The ideal entry point for any student studying film the book is designed for use on courses on film theory on undergraduate and postgraduate degree programmes within film cinema media and cultural studies New to this Edition An expanded introduction plus a new chapter looking at Adaptation Contemporary case studies exploring popular and topical films such as The Hunger Games 2012 Blue is the Warmest Colour 2013 and The Lego Movie 2014 An expanded introduction plus a new chapter looking at Adaptation Additional genre based case study on the British Gangster film Additional actor based case study on Ryan Gosling A greater focus throughout on the relevance of film theory to students undertaking practical film degrees and units
