

Problem of Evil: John Hick Philosophy of Religion

✓ Exclusively available on IvyPanda

Problem of Evil

The first part of the paper is a discussion on evil and suffering. The second part is the proposed solution on how to deal with evil and suffering. In John Hick's book entitled *Philosophy of Religion* he devoted a chapter on the problem of evil. He states that this is a theological problem for those who believe that a loving God exists. If God is evil then Hick's proposition is useless. But it can be argued that most believers in the Jewish, Christian, and even Islam religions believe that God is good. Thus, Hick was justified in saying that the existence of evil in this world is a problematic phenomenon for these believers.

Hick said that some tried to excuse the existence of evil as an imaginary thing. But the author countered that even in the Christian Bible it is clear that evil is real. The Bible records "every kind of sorrow and suffering, every mode of 'man's inhumanity to man' and of our painfully insecure existence in the world" (Hick, p.77). He then added, "There can be no doubt, then, that for biblical faith evil is entirely real and no sense an illusion" (Hick, p.77). Once this issue of evil has been settled then it is time to find an explanation and perhaps a solution.

Hick said that there are three major responses to the existence of evil. He said that the first one is centered on the idea on the fall of man, from an original state of righteousness to something that is less than ideal and therefore mankind is now capable of inflicting evil unto himself and unto God's creation. The second view is what he called the Irenaean response and it is the belief that evil and suffering are God's tools of perfecting a still imperfect world (Hick, p.78). The third one is the idea that God is not that powerful and therefore he has no ability to deal with the problem of evil and suffering.

The Problem Of God In Philosophy Of Religion

Paul Gould

The Problem Of God In Philosophy Of Religion:

The Problem of God in Philosophy of Religion Henry Duméry,1964 **The Problem of God in Philosophy of Religion** Henry Duméry,1969 *The problem of God in philosophy of religion* Henry Duméry,1964 **The Hiddenness Argument** J. L. Schellenberg,2015-07-02 In many places and times and for many people God's existence has been rather less than a clear fact According to the hiddenness argument this is actually a reason to suppose that it is not a fact at all The hiddenness argument is a new argument for atheism that has come to prominence in philosophy over the past two decades J L Schellenberg first developed the argument in 1993 and this book offers a short and vigorous statement of its central claims and ideas Logically sharp but so clear that anyone can understand the book addresses little discussed issues such as why it took so long for hiddenness reasoning to emerge in philosophy and how the hiddenness problem is distinct from the problem of evil It concludes with the fascinating thought that retiring the last of the personal gods might leave us nearer the beginning of religion than the end Though an atheist Schellenberg writes sensitively and with a nuanced insider's grasp of the religious life Pertinent aspects of his experience as a believer and as a nonbeliever and of his own engagement with hiddenness issues are included Set in this personal context and against an authoritative background on relevant logical conceptual and historical matters The Hiddenness Argument's careful but provocative reasoning makes crystal clear just what this new argument is and why it matters *C.S. Lewis and the Problem of God* David Werther,2024-05-15 Understanding C S Lewis's vocation is essential for reading his works well as is knowing how he came to it his long and winding philosophical journey and reoccurring experiences of Joy Lewis discounted proofs in philosophical theology but offered key arguments in support of theism per se and Christianity in particular His account of mere Christianity shows the centrality of self determination an emphasis on Christ's human nature and a relativizing of atonement theories Finally Lewis's understanding of faith his attempts to make sense of petitionary and imprecatory prayers and his emphasis on theosis deification are considered [The Problem of God in David Hume](#) Anders Kraal,2024-01-18 David Hume 1711-1776 is one of the foremost critics of attempts to provide rational arguments in support of traditional Christian theism in Western philosophy In this Element the authors examine Hume's chief objections to the cosmological argument the design argument and the argument from miracles along with some main responses to these objections The authors also examine Hume's seminal version of the argument from evil which is deployed in an effort to show that traditional Christian theism is lacking in coherent meaning Drawing on recent developments in Hume scholarship according to which Hume's ultimate philosophical aim was to further an anti-Christian agenda an attempt is made to situate Hume's writings on God and religion in an unfolding narrative that is impacted throughout by the trenchant religious criticisms of Hume's chief philosophical predecessor Thomas Hobbes [The Problem of God in Modern Thought](#) Philip Clayton,2000 It is widely believed that modern philosophers have dismissed the idea of God and opted instead for a secular humanism Challenging these

stereotypes through a careful study of major philosophical texts written since the Enlightenment Philip Clayton shows how the main thinkers of the modern period have continued to wrestle with the problem of God and to make proposals for understanding the divine Following up on his award winning book *God and Contemporary Science* Clayton here explores the constructive resources that modern thought offers to those struggling with the notion of God as infinite and perfect He finds in the narrative of modern thought about God strong support for panentheism the new theological movement that maintains the transcendence of God while denying the separation of God and the world

Is Faith in God Reasonable? Corey Miller, Paul Gould, 2014 The question of whether faith in God is reasonable is of renewed interest in today's academy In light of this interest as well as the rise of militant religion and terrorism and the emergent reaction by neo atheism this volume considers this important question from the views of contemporary scientists philosophers and in a more novel fashion of rhetoricians It is comprised of a public debate between William Lane Craig supporting the position that faith in God is reasonable and Alex Rosenberg arguing against that position Scholars in the aforementioned fields then respond to the debate representing both theistic and atheistic positions The book concludes with rejoinders from Craig and Rosenberg

Beyond the Control of God? Paul Gould, 2014-03-27 The question of God's relationship to abstract objects touches on a number of perennial concerns related to the nature of God God is typically thought to be an independent and self sufficient being Further God is typically thought to be supremely sovereign such that all reality distinct from God is dependent on God's creative and sustaining activity However the view that there are abstract objects seems to be a repudiation of this traditional understanding of God Abstract objects are typically thought to exist necessarily and it is natural to think that if something exists necessarily it does so because it is its nature to exist Thus abstract objects exist independently of God Philosophers have called this the problem of God and abstract objects In this book six contemporary solutions to the problem are set out and defended against objections It will be valuable for all students or scholars who are interested in the concept and nature of God

The Problem of God Edgar Sheffield Brightman, 1930

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Problem Of God In Philosophy Of Religion eBooks, including some popular titles.

FAQs About The Problem Of God In Philosophy Of Religion Books

What is a The Problem Of God In Philosophy Of Religion PDF? A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Problem Of God In Philosophy Of Religion PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Problem Of God In Philosophy Of Religion PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Problem Of God In Philosophy Of Religion PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Problem Of God In Philosophy Of Religion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
