The Garlands Of Rampur:

The Garlands of Rampur Jill Cartwright, 1998 Chronicles of Rampur Krish Day, 2016-01-25 Advocate Kumaron is the only lawyer in town He lives in a crumbling seaside resort on the east coast of India which was once the retreat of British expatriates reluctant to return to the bleak landscape of end of war England now the dilapidated haunt of low end tourism and pot smoking backpackers The lawyer's meagre income is supplemented by the equally meagre profits from his hotel run with fastidious eccentricity Gradually the sleepy pace of the town gives way to startling and dramatic events The variegated cast of characters is woven into a tapestry that presents the human panorama in all its peculiarities The politician who has risen from dirt poverty to unimagined heights bloated and flatulent whose unbridled greed finally decrees a grotesque downfall A naive young woman from Tyrol Austria who wandering wide eyed through the exotic East unwittingly seduces an accidental lover to abandon hearth and home The bishop who driven to random promiscuity by an unwilling wife falls from grace The temple head priest who unable to face competition along modern business lines finally resorts to inadvertent violence A Greek tobacco heiress seeking her inner self and who passes from one avaricious and lascivious guru to another finds a melancholy end in the savage carnality of a young lover Both entertaining and thought provoking The Chronicles of Rampur combines the sombre and the joyous to reflect the chaos of modern India The Garland Encyclopedia of World Music Alison Arnold, 2017-09-25 In this volume sixty eight of the world's leading authorities explore and describe the wide range of musics of India Pakistan Bangladesh Sri Lanka Kashmir Nepal and Afghanistan Important information about history religion dance theater the visual arts and philosophy as well as their relationship to music is highlighted in seventy six in depth articles *The Garland Encyclopedia of World Music: South Asia : the Indian subcontinent* Bruno Nettl, Alison Arnold, Ruth M. and faith are drawn as clearly as the boundaries between the fields and are understood from birth Marriages are not just unions of two souls but the weaving of two families a sacred thread in the village s communal tapestry But even the most placid river can carry an unexpected current and even the most tightly woven tapestry can have a thread that pulls free threatening to unravel the entire design Long after the whispers have faded and the judgment has softened into memory Rampur still tells one such story It is not a story of heroes or demons but of the complex untameable territory of the human heart This is the story of a bride s divided loyalty a husband s impossible choice and a love that defied every rule written in custom and scripture It asks a question that the elders still debate under the shade of the old neem tree When duty and desire declare war who can possibly claim victory This is that story It begins as so many do with the pungent scent of marigolds and the promise of a new beginning

The Gods of Glass Madan M. Sauldie, 2004 **MUCIA/AID Project at the Institute of Agriculture and Animal Science of Tribhuvan University Ramur, Nepal** ,1991 *Degh to*
