The Gaullist Phenomenon:

The Gaullist Phenomenon Jean Charlot, 2021-11-21 Books on gaullism or more precisely books on General de Gaulle are not uncommon Originally published in English in 1971 this claimed to be the first book of this sort on gaullism as a political force within the French political system Since the publication of his work on the Union pour la nouvelle R publique Jean Charlot had become known as one of the few objective experts on gaullism His knowledge of the British political system had helped him to appreciate the nature of the gaullist party which he saw from the first not as a transient party linked to the political career of General de Gaulle but as a major modern right wing party comparable to the Conservative Party in Britain In this book he demonstrates how the gaullist movement is a voter oriented party the first that France had really ever known The strength of gaullism lies in the electorate which had fully accepted gaullist economic policies the institutional changes introduced under the Republic and the party s foreign policy This voter oriented party had fundamentally changed the French party system A majority party since 1962 the gaullist movement would force the left to regroup within a left wing voter oriented party if it did not want to face political sterility Jean Charlot was one of the few specialists to publish an article just after the referendum Le Monde May 2 1969 forecasting that the departure of General de Gaulle did not foreshadow the end of gaullism as a major political force

The Gaullist Attack on Canada, 1967-1997 J. F. Boshier, 1999 What lay behind Charles de Gaulle s Vive le Qu bec libre speech in Montreal on 24 July 1967 Philippe Rossillon s activities in New Brunswick Belgium and Africa and the sinking of Greenpeace s Rainbow Warrior in New Zealand in 1985 J F Boshier argues that the motivation behind all these incidents was a policy of underhanded imperial ambition on the part of France In The Gaullist Attack on Canada he contends that French nationalists have been at work behind the screen of harmless fraternising of international francophonie in order to stimulate French revolutionary nationalism in Quebec and elsewhere and that the Gaullist ideology behind these attempts rests on a set of myths about past events age old resentment of the English speaking nations and a deep rooted belief in the superiority of France its language and its culture The Gaullist Attack on Canada reveals a phase of French imperialism that poses a threat to Canadian Confederation Since the 1960s Boshier argues de Gaulle and his followers have conspired to stimulate Quebec separatism as part of their larger goal to revive France s role as a great power He bases his case on the evidence of France s actions in other former French colonies especially in Africa as well as the writings of such leading Gaullist conspirators as Bernard Dorin Pierre Claude Mallen Pierre de Menthon and Philippe Rossillon who have boasted about their efforts to win Quebec away from Canada for France Boshier criticises the Canadian government for its failure to respond to or even to recognise the Gaullist threat The Under Secretary of State for External Affairs in the 1960s Marcel Cadieux wanted to take vigorous steps against the Gaullist mafia but was overruled by his political superiors Boshier argues that even now by standing up to French aggression the government might weaken the separatist movement in Quebec or at least turn the tide of political support for it

De Gaulle's Legacy W.

Nester,2014-12-16 This book explores the following What is the art of power What is the art of French power How did Charles de Gaulle understand and assert power establishing the Fifth Republic and breaking centuries of political instability How well or poorly have his successors wielded the art of French power to define defend or enhance French interests

The Routledge Handbook of French Politics and Culture Marion Demossier,David Lees,Aurélien Mondon,Nina Parish,2019-11-12 The Routledge Handbook of French Politics and Culture provides a detailed survey of the highly differentiated field of research on French politics society and culture across the social sciences and humanities The handbook includes contributions from the most eminent authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art research in French Studies across disciplinary boundaries As such it represents an innovative as well as an authoritative survey of the field representing an opportunity for a critical examination of the contrasts and the continuities in methodological and disciplinary orientations in a single volume The Routledge Handbook of French Politics and Culture will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on French politics society and culture Christian

Democracy in France (Routledge Revivals) R. E. M. Irving,2010-03-23 Christian Democracy which may briefly be defined as organised political action by Catholic democrats has been a major political force in Western Europe since the Second World War not least in France The aim of this book first published in 1973 is to trace the Development of Christian Democracy in France from its origins in the 1830s to the present day discussing its theories and its importance in French history and politics with particular but by no means exclusive reference to the Fourth Republic 1946-58 when the MRP was one of the key centre parties Dr Irving provides a thorough analysis of MRP its economic foreign and colonial policies and gives reasons for the relative decline of French Christian Democracy in the 1960s This French movement has been little understood in Britain and a thorough history has been badly needed This study will be valuable to all those who in the context of a United Europe wish to understand the political forces at work at its conception It will be valuable especially to students of modern history and politics

The Government and Politics of France Dorothy Pickles,2023-02-24 First published in 1973 The Government and Politics of France Volume Two provides a comprehensive overview of French political history from 1958-1973 Dorothy Pickles writes with her characteristic elegance and the major themes are fully discussed and clearly related to their roots in earlier periods and to their consequences in later ones The book covers the Algerian war and its aftermath the notion of participation educational reform economic problems regionalism the changing nature of Gaullism and in the field of foreign policy attitudes of European Community relations with the Atlantic powers and France's attempts at achieving a world role This book is a must read for students of French politics political science political institutions and European politics

Contemporary French Political Parties David Scott Bell,1982 **Studies in Economics and Political Science** Various,2022-07-30 This 13 volume collection originally published between 1929 and 1982 contains a selection of titles from

the fields of economics and political science Many individual titles focus on Britain and include topics such as democracy environmental planning foreign policy legislation microeconomics national income and the welfare state The earliest title looks at the nature of nationality and two further titles look at politics in France This set will be an insight for those interested in the history of either field *Searching for the New France* James F. Hollifield, George Ross, 2013-12-16 The face of today's France does not resemble its forebear of a quarter century ago it is more like its European neighbors Searching for the New France provides an in depth historical account of the changes that have swept France over the past three decades and explores the political challenges that confront the country today An array of distinguished international scholars examine changes in French politics society and the economy The compilation is both comprehensive and topical in its coverage and is unique in the broad based historical and interpretive nature of its essays The study will be invaluable to a wide range of scholars and students in the social sciences **The Long March of the French Left** R.W. Johnson, 1981-03-19 Conservative Moments Mark Garnett, 2018-08-23 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com As a complex and multifaceted world view conservatism is often pigeonholed and partially understood And while the nature of conservative ideology is warmly contested among scholars no one can deny its prominence in contemporary debates and its effects on the politics of everyday life These 16 essays written by expert scholars and specialists offer a broad survey of conservative thought that extends beyond typical historical and geographic boundaries to include past thinkers like Plato and Edmund Burke non European conservative traditions such as Japan and Russia and political practitioners including Margaret Thatcher Ronald Reagan and Charles de Gaulle Each essay grapples with short primary source extracts while offering instructive criticism and commentary Conservative Moments offers students a useful accessible and comprehensive exposition of this political ideology *The Fifth French Republic* Nicholas Atkin, 2017-10-07 At the time of its founding few predicted that the Fifth Republic would survive It is a regime whose obituary has been written several times over but which stubbornly refuses to die Adopting a chronological framework this up to date study examines how the regime emerged out of the chaos of the Algerian crisis how its political evolution has been very different from that envisaged by de Gaulle and why it has endured Nicholas Atkin explains the success of the Fifth Republic but likewise illustrates the underlying problems within it As the 2002 presidential elections have shown although there is little prospect of regime change liberal democracy is not in a particularly healthy state While the political narrative takes centre stage Atkin also explores the key social economic and international developments which have shaped the modern history of France and affected its standing both in Europe and the rest of the world **Encyclopedia of Life Writing** Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *Routledge Library Editions: Political Protest* Various, 2022-07-30 This 26 volume set is a wide ranging time and subject spanning examination of the phenomenon of political protest What drives people to take to

the streets and how do their governments respond These questions and many more are analysed in areas as varied as sixteenth century German peasant uprisings revolutionary Russians at the Paris Commune women protesting nuclear weapons at Greenham Common and the role Christianity played in protests across the ages An impressive reference resource this set also looks at the policing of protests and official responses to them *Defence and Dissent in Contemporary France* Jolyon Howorth, Patricia Chilton, 2021-09-05 This book first published in 1984 examines France's independent nuclear weapons programme of the 1980s alongside the French peace movement which was almost totally absent in contrast to the peace protests of the US and the rest of Europe This book analyses this unusual pattern of defence and dissent and assesses its likely development It looks at the evolution of French post war defence policy and discusses the French peace movement attempting to explain why it was so weak **Europe Since 1945** Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos The Fifth Republic at Twenty William G. Andrews, Stanley Hoffmann, 2015-03-17 The first twenty years of the Fifth Republic encompass four presidential elections alternating political control of the National Assembly and years of rapid economic growth and contraction Thus a variety of events now allow an evaluation of the efficacy of the Fifth Republic The chapters of this book examine the governmental framework and various political groups that have vied for control of it industrial development and modernization education and culture and foreign policy Containing both favorable and critical assessments the book provides a comprehensive balance sheet on the Fifth Republic and the influence of Charles de Gaulle Its 25 essays were written by such well known scholars as Crozier Gagnon Gourvitch Ross Suleiman and others as well as some of the younger generation of French specialists with concluding synthesis by Stanley Hoffmann The book features an essay of historical importance on the Constitution of the Fifth Republic by the Constitution's own father the former Prime Minister of France Michel Debr Looking into the areas of government politics economy society culture and foreign policy this volume gives the reader an understanding of the considerable impact of Charles de Gaulle's administration on contemporary France The French Communist Party During the Fifth Republic Gino G. Raymond, 2005-08-10 The demise of the French Communist Party PCF has been a recurrent feature of overviews of the Left in France for the past two decades and yet the Communists survive This study examines the factors that undermined the position of the PCF as the premier party of France but also highlights the challenges that the party faces in a society disillusioned with politics and the new strategies that it is developing in order to revive its fortunes **De Gaulle** Julian Jackson, 2003 Accessible and affordable illustrated biography *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency, 1965

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gaullist Phenomenon eBooks, including some popular titles.

FAQs About The Gaullist Phenomenon Books

What is a The Gaullist Phenomenon PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Gaullist Phenomenon PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gaullist Phenomenon PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gaullist Phenomenon PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gaullist Phenomenon PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
