Graziosi, Emily Greenwood, 2007-06-07 Exploring the crucial place of Homer in the cultural landscape of the 20th century these essays contribute to debates about the nature of the Western literary canon the evolving notion of world literature the relationship between orality and the written word and the dialogue between texts across time and space **Albanian Cinema through the Fall of Communism** Bruce Williams, 2025-10-01 Albanian cinema truly represents a terra incognita for most of the world. Decidedly Europe's most isolated country during the Cold War era, communist Albania had already been cut off from the West for centuries as a one of the westernmost outposts of the Ottoman empire. Nonetheless and unknown to most of the world, communist Albania had a vibrant cinema tradition. Although bound by official orthodoxy, the films of the state-run Kinostudio enterprise were surprisingly innovative and at times daringly subversive. This book opens with examinations of moving images in Albania from the Ottoman period through those captured under independence and the Fascist occupation. It subsequently foregrounds transformations in Kinostudio from the early optimism of socialist realism through the brooding social angst of the 1980s which constitute a bridge to the socioeconomic concerns of Albanian films of the postcommunist period. *Encyclopedia of the World Novel, 1900 to the Present* Michael David Sollars, Arbolina Llamas Jennings, 2015-04-22 Praise for the print edition: a useful and engaging reference to the vast world of the novel in world literature. Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world. Entries on individual writers assess the place of that writer within the development of the novel form, explaining why and in exactly what ways that writer is important. Similarly, an entry on an individual novel discusses the importance of that novel, not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre. A wide range of topic entries explore the history, criticism, theory, production, dissemination, and reception of the novel. A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world. **The Rough Guide to Classic Novels** Rough Guides, 2008-05-01 Get the lowdown on the best fiction ever written. Over 230 of the world's greatest novels are covered, from Quixote 1614 to Orhan Pamuk's Snow 2002, with fascinating information about their plots and their authors and suggestions for what to read next. The guide comes complete with recommendations of the best editions and translations for every genre, from the most enticing crime and punishment to love, sex, heroes and anti-heroes, not to mention all the classics of comedy and satire, horror and mystery, and many other literary genres. With feature boxes on experimental novels, female novelists, short reviews of interesting film and TV adaptations, and information on how the novel began, this guide will point you to all the classic literature you'll ever need. Long Term Impact of War, Civil War and Persecution in Civilian Populations Thomas Wenzel, Meryam Schouler-Ocak, Thomas Stompe, 2021-11-01 **Water in a Broken Pot** Yogesh Maitreya, 2023-04-17 Incredibly moving and hauntingly honest, *Water in a Broken Pot* is the memoir of Yogesh Maitreya, a leading independent Indian Dalit publisher, writer, and poet. Encompassing experiences of pain, loneliness,

depravation alienation and the political consciousness of his caste identity this intimately moving memoir is a story of resilience and raw brutality Growing up in a working class family with meagre wages to get by in life Yogesh writes of his father s struggle against alcohol and passion for cinema of intergenerational dreams shattered working day and night shifts in factories the struggle of being lost overlooked and unmentored in India s schooling college and University systems which continue to be casteist exclusionary and hostile and feelings of lovelessness loss and heartaches Having hopped from gig to gig to make ends meet he writes of his eventual discovery of the written word literature and the Ambedkarite legacy which helped shape his dreams identity and the eventual career choice of publishing books In sharing his story this fresh and radical voice tells his truth in the most frank and unfiltered of ways as it happened giving us readers permission to also be vulnerable in telling our tales

Ismail Kadare Peter Morgan,2017-07-05 Ismail Kadare has experienced a life of controversy In his own country and internationally he has been both acclaimed as a writer and condemned as a lackey of the Albanian socialist dictatorship Coming of age after occupation and war Kadare b 1936 belonged to the first generation of new Albanians In a land where writers were routinely imprisoned Kadare produced the most brilliant and subversive works to emerge from socialist Eastern Europe His work brings to an end the century whose literary beginnings were marked by the terror to which Kafka gave his name The inaugural award of the International Man Booker Prize for Literature in 2005 marked an important milestone in the global recognition of Kadare Ironic multi layered and imaginative Kadare s writing is profoundly opposed to ideology Through critical analysis of a representative selection of Kadare s works Peter Morgan explains for a wide audience how Kadare survived and wrote in the repressive Albanian Stalinist environment Peter Morgan is Professor of European Studies at the University of Western Australia

War and the Body Kevin McSorley,2013-01-25 This edited volume places the body at the centre of critical thinking about war and its consequences War is fundamentally embodied The reality of war is not just politics by any other means but politics incarnate politics written on and experienced through the thinking feeling bodies of men and women From steeled combatants to abject victims war occupies innumerable bodies in a multitude of ways profoundly shaping lives and ways of being human Giving the body an analytic recognition that it warrants and has often been denied in conventional war studies this book brings together new interdisciplinary scholarship that explores the numerous affective sensory and embodied practices through which war lives and breeds It focuses on how war is prepared enacted and reproduced through embodied action suffering and memory As such the book promotes new directions in theorising war and transformations in warfare via an explicit focus on the body This book will be of much interest to students and scholars of war studies security studies sociology anthropology military studies politics and IR in general

Discourses on Nations and Identities Daniel Syrový,2021-01-18 The third volume of the collected papers of the ICLA congress The Many Languages of Comparative Literature includes contributions that focus on the interplay between concepts of nation national languages and individual as well as collective identities Because all literary communication

happens within different kinds of power structures linguistic economic political it often results in fascinating forms of hybridity In the first of four thematic chapters the papers investigate some of the ways in which discourses can establish modes of thinking or how discourses are in turn controlled by active linguistic interventions whether in the context of the patriarchy war colonialism or political factions The second thematic block is predominantly concerned with hybridity as an aspect of modern cultural identity and the cultural and linguistic dimensions of domestic life and in society at large Closely related a third series of papers focuses on writers and texts analysed from the vantage points of exile and exophony as well as theoretical contributions to issues of terminology and what it means to talk about transcultural phenomena Finally a group of papers sheds light on more overtly violent power structures mechanisms of exclusion Totalitarianism torture and censorship but also resistance to these forms of oppression In addition to these chapters the volume also collects a number of thematically related group sections from the ICLA congress preserving their original context

Literature and Film from East Europe's Forgotten "Second World" Gordana P. Crnkovic, 2021-05-06 Czechoslovakia Yugoslavia no longer on the map East Europe of the socialist period may seem like a historical oddity apparently so different from everything before and after Yet the masterpieces of literature and cinema from this largely forgotten Second World as well as by the authors formed in it and working in its aftermath surprise and delight with their contemporary resonance This book introduces and illuminates a number of these works It explores how their aesthetic ingenuity discovers ways of engaging existential and universal predicaments such as how one may survive in the world of victimizations or imagine a good city or broach the human boundaries to live as a plant Like true classics of world art these novels stories and films to rephrase Bohumil Hrabal keep telling us things about ourselves we don't know In lively and jargon free prose Gordana P Crnkovic builds on her rich teaching experience to create paths to these works and reveal how they changed lives

Valley Forge Orderly Book of General George Weedon of the Continental Army Under Command of Genl. George Washington George Weedon, 1902

Historical Dictionary of Albania Robert Elsie, 2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it's a land of

destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **Kingdom Alliance: The Elven Citadel, Book 1** M.L. Chrisman,2015-07-14

Elves once ruled the world of Anon But Elves have vanished without leaving a trace of where they went or what happened to them Now is the time of man In the rubble of the elves he finds the magic they left behind An arms race between the kingdoms of man developed The first to understand and control the Elven magic will rule the world It has been 10 years since the Great War with the Kingdom of Emos Now Emos is back on the attack using and wielding more magic than ever before Queen Bellfourth s spies have informed her that Emos has discovered an ancient Elven Citadel the source of their magic She launches a daring plan to destroy the citadel Her plan calls for an elite force to travel to Emos locate the citadel and destroy it She decided to lead the mission herself for personal reasons But the mission will not stand a chance if the three kingdoms don t unite and attack Emos Given the bad history between the kingdoms she wonders if a alliance is possible **Ontario Library Review and Book-selection Guide** ,1920 **Albanian Identities** Stephanie Schwandner-Sievers,Bernd Jürgen Fischer,2002 The contributors to this study critically de construct Albanian myths and offer insights into Albanian history and politics They conclude with contemporary Albanian critiques of the origins and functions of Albanian politics and ideologies
