# The Gentle Rebel

**Rosalind Mayo, Christina Moutsou**

## **The Gentle Rebel:**

**The Gentle Rebel** Gilbert Morris,2004-08 At first opposed to the idea of the American Revolution Nathan Winslow eventually becomes a Patriot whose faith is tested when he falls in love with Abigail Howland a proud and spoiled Tory Original **The Gentle Rebel (House of Winslow Book #4)** Gilbert Morris,2004-09-01 The story of Nathan Winslow in The Gentle Rebel brings the saga of the Winslow family into the American Revolution At first opposed to the idea of revolution Nathan eventually becomes a Patriot But his faith and courage are tested when he falls in love with beautiful Abigail Howland a proud and spoiled Tory The Gentle Rebel William Harvey Berryhill,1982 William Harvey Berryhill lost his life in the Civil War leaving behind a wife and seven children These letters mostly to his wife some to his brothers reflect the thoughts of one Confederate soldier during the trying times of that conflict The Gentle Rebel Sheldon Cholst,1991-01-01 Renoir Francois Daulte,1973 The Indentured Heart & The Gentle Rebel House of Winslow III & IV.,1988 **Reluctant Rebels** Kenneth W. Noe,2010-05-14 After the feverish mobilization of secession had faded why did Southern men join the Confederate army Kenneth Noe examines the motives and subsequent performance of later enlisters He offers a nuanced view of men who have often been cast as less patriotic and less committed to the cause rekindling the debate over who these later enlistees were why they joined and why they stayed and fought Noe refutes the claim that later enlisters were more likely to desert or perform poorly in battle and reassesses the argument that they were less ideologically savvy than their counterparts who enlisted early in the conflict He argues that kinship and neighborhood not conscription compelled these men to fight they were determined to protect their families and property and were fueled by resentment over emancipation and pillaging and destruction by Union forces But their age often combined with their duties to wear them down more quickly than younger men making them less effective soldiers for a Confederate nation that desperately needed every able bodied man it could muster Reluctant Rebels places the stories of individual soldiers in the larger context of the Confederate war effort and follows them from the initial optimism of enlistment through the weariness of battle and defeat The American Bibliopolist ,1871 **Rebels and Renegades** Neil A. Hamilton,2002-10-11 Rebels and Renegades examines 350 years of history through the eyes of the uncompromising Presented in nine clearly written chronological chapters this comprehensive reference covers the major events and personalities in the history of extremism in the U S Besides chronicling the event itself entries ranging from 500 to 1000 words include background information and historic effects In addition to the chronology sidebars highlight historical biographical cultural and ethical aspects of the story tying the past to the present Topics include the influence of radical idea on the mainstream the role of violence in radicalism and the evolving relationship between radicals and the media An extensive appendix of excerpts transcripts and full source documents round out the work To see the Introduction a list of detailed contents a generous selection of sample pages and more visit the Rebels and Renegades website **The Battle of Peach Tree Creek** Earl J. Hess,2017-08-09 On July 20 1864

the Civil War struggle for Atlanta reached a pivotal moment As William T Sherman s Union forces came ever nearer the city the defending Confederate Army of Tennessee replaced its commanding general removing Joseph E Johnston and elevating John Bell Hood This decision stunned and demoralized Confederate troops just when Hood was compelled to take the offensive against the approaching Federals Attacking northward from Atlanta s defenses Hood s men struck George H Thomas s Army of the Cumberland just after it crossed Peach Tree Creek on July 20 Initially taken by surprise the Federals fought back with spirit and nullified all the advantages the Confederates first enjoyed As a result the Federals achieved a remarkable defensive victory Offering new and definitive interpretations of the battle s place within the Atlanta campaign Earl J Hess describes how several Confederate regiments and brigades made a pretense of advancing but then stopped partway to the objective and took cover for the rest of the afternoon on July 20 Hess shows that morale played an unusually important role in determining the outcome at Peach Tree Creek a soured mood among the Confederates and overwhelming confidence among the Federals spelled disaster for one side and victory for the other

**The Gentleman's Magazine and Historical Chronicle** ,1746 **The Gentleman's Magazine: Or, Monthly Intelligencer** Edward Cave,1746 **The Gentleman's Magazine** ,1746 Contains opinions and comment on other currently published newspapers and magazines a selection of poetry essays historical events voyages news foreign and domestic including news of North America a register of the month s new publications a calendar of forthcoming trade fairs a summary of monthly events vital statistics births deaths marriages preferments commodity prices Samuel Johnson contributed parliamentary reports as Debates of the Senate of Magna Lilliputia Shakespeare's Tribe Jeffrey Knapp,2002 Most contemporary critics characterize Shakespeare and his tribe of fellow playwrights and players as resolutely secular interested in religion only as a matter of politics or as a rival source of popular entertainment Yet as Jeffrey Knapp demonstrates in this radical new reading a surprising number of writers throughout the English Renaissance including Shakespeare himself represented plays as supporting the cause of true religion To be sure Renaissance playwrights rarely sermonized in their plays which seemed preoccupied with sex violence and crime During a time when acting was regarded as a kind of vice many theater professionals used their apparent godlessness to advantage claiming that it enabled them to save wayward souls the church could not otherwise reach The stage they argued made possible an ecumenical ministry which would help transform Reformation England into a more inclusive Christian society Drawing on a variety of little known as well as celebrated plays along with a host of other documents from the English Renaissance Shakespeare s Tribe changes the way we think about Shakespeare and the culture that produced him Winner of the Best Book in Literature and Language from the Association of American Publishers Professional Scholarly division the Conference on Christianity and Literature Book Award and the Roland H Bainton Prize for Literature from the Sixteenth Century Society and Conference *American Historical Fiction* Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young

adult readers | American Historical Fiction | R contains over 3 000 titles set in states and historical regions of the United States  
Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author  
title genre subject and geographic setting      **The Congressional globe** ,1862      **Raised Country Style from South**

**Carolina to Mississippi** Bettye B. Burkhalter,2010-03-31 The saga continues with Dr Burels children moving west His son James led the Mississippi bound wagons from South Carolina into another untamed frontier Their first Christmas in Attalaville Mississippi was a grand celebration of their newfound life only to have the New Year bring tragedy Mississippis Golden Years brought prosperity to the pioneers as landowners and independent farmers Too soon the Civil War swept across their land leaving King Cotton reeling and survivors coping with shattered lives Sympathetic eyes of the world watched as they searched for ways to survive the aftermath of total war Lisbeth Burel struggled with the heartbreak of losing the war her husband James and her youngest son Bracing to survive post war defeat and economic ruination Lisbeth and her oldest son learned to cope with the nagging pain and hatred of a useless war With the burden of the world on William Rileys back he turned to God and self reliance to get them through the bleak future Recovery was slow and families joined hands to plant new fields of cotton corn and sorghum cane Thirty years of worry and hard work turned William into an old sick man long before his time On a cold October morning the stooped and frail man shuffled toward the sugarcane mill and furnace Assuring the old family recipe and tradition continued he taught his grandson how to cook molasses to be as smooth as silk A couple months later Williams family celebrated the biggest Christmas since the war Sadly two days later the celebration was marred as his thirteen proud children mourned the loss of their Pa After the war William Riley took great pain to instill the belief that they and their kind were the moral fiber offering the best hope for rebuilding the New South And they were

**American Catholicism Transformed** Joseph P. Chinnici,2021-04-27 Situating the church within the context of post World War II globalization and the Cold War American Catholicism Transformed draws on previously untapped archival sources to provide deep background to developments within the American Catholic Church in relationship to American society at large and Vatican Council II During this time the Catholic community entered a transitional stage in which those on the right and those on the left battled for control of the Church s vision This convergence of international and national forces of renewal and resistance to them will continue to shape the American Catholic community s global identity in the twenty first century      The Mother in Psychoanalysis and Beyond Rosalind Mayo,Christina Moutsou,2016-10-04 The question of what it means to be a mother is a very contentious topic in psychoanalysis and in wider society The Mother in Psychoanalysis and Beyond explores our relationship to the maternal through psychoanalysis philosophy art and political and gender studies Over two years a group of psychotherapists and members of the public met at the Philadelphia Association for a series of seminars on the Maternal In the discussions that followed a chasm opened up slowly and painfully between the idealised longings and fantasies we all share and the realities of maternal experiences here were met the great silences of love loss

longing memories desire hatred and ambivalence This book is the result of this bringing together in conversation and reflections of what so often seems unsayable about the Mother It examines how issues of personal and gender identity are shaped by the ideals of separation from the mother the fears and anxiety of merging with the mother and how this has often led in psychoanalysis and society to holding mothers responsible for a variety of personal and social ills and problems in which maternal vulnerability is denied and silenced There are two main themes running throughout the book Matricide and Maternal Subjectivity On the theme of matricide several contributors discuss the ways in which the discourse and narratives of the Mother have been silenced on a sociocultural level and within psychoanalysis and philosophy in favour of discourses that promote independence autonomy power and the avoidance and denial of our fundamental helplessness and vulnerability On the theme of maternal subjectivity several chapters look at the actual experience of mothering and or our relationship to our mother to highlight the ways in which the maternal is intimately connected with human subjectivity The Mother in Psychoanalysis and Beyond provides new and provocative thinking about the maternal and its place in various contemporary discourses It will appeal to psychoanalysts psychotherapists and psychologists of different schools scholars and advanced students of art gender studies politics and philosophy as well as anyone interested in maternity studies and the relationship between the maternal and human subjectivity

The Confederate Heartland Bradley R. Clampitt, 2011-12-12 Bradley R. Clampitt's *The Confederate Heartland* examines morale in the Civil War's western theater the region that witnessed the most consistent Union success and Confederate failure and the battleground where many historians contend that the war was won and lost Clampitt's western focus provides a glimpse into the hearts and minds of Confederates who routinely witnessed the defeat of their primary defenders the Army of Tennessee This book tracks morale through highs and lows related to events on and off the battlefield and addresses the lingering questions of when and why western Confederates recognized and admitted defeat Clampitt digs beneath the surface to illustrate the intimate connections between battlefield and home front and demonstrates a persistent dedication to southern independence among residents of the Confederate heartland until that spirit was broken on the battlefields of Middle Tennessee in late 1864 The western Confederates examined in this study possessed a strong sense of collective identity that endured long past the point when defeat on the battlefield was all but certain Ultimately by authoring a sweeping vision of the Confederate heartland and by addressing questions related to morale nationalism and Confederate identity within a western context Clampitt helps to fashion a more balanced historical landscape for Civil War studies
