

The Gentle Tamers

WOMEN OF
THE OLD WILD WEST
by Dee Brown

The Gentle Tamers Women Of The Old West

Susan Armitage, Elizabeth Jameson

The Gentle Tamers Women Of The Old West:

The Gentle Tamers Dee Brown, 2012-10-23 A fascinating history of women on America's western frontier by the 1 New York Times bestselling author of *Bury My Heart at Wounded Knee* Popular culture has taught us to picture the Old West as a land of men whether it's the lone hero on horseback or crowds of card players in a rough and tumble saloon But the taming of the frontier involved plenty of women too and this book tells their stories At first female pioneers were indeed rare when the town of Denver was founded in 1859 there were only five women among a population of almost a thousand But the adventurers arrived slowly but surely There was Frances Grummond a sheltered Southern girl who married a Yankee and traveled with him out west only to lose him in a massacre Esther Morris a dignified middle aged lady held a tea party in South Pass City Wyoming that would play a role in the long slow battle for women's suffrage Josephine Meeker an Oberlin College graduate was determined to educate the Colorado Indians but was captured by the Ute And young Virginia Reed only thirteen set out for California as part of a group that would become known as the Donner Party With tales of notables such as Elizabeth Custer Carry Nation and Lola Montez this social history touches upon many familiar topics from the early Mormons to the gold rush to the dawn of the railroads with a new perspective This enlightening and entertaining book goes beyond characters like Calamity Jane to reveal the true diversity of the great western migration of the nineteenth century This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection *The Gentle Tamers* Dee Alexander Brown, 1972 *The Gentle Tamers* Dee Brown, 1968 *The Gentle Tamers* [book Club Kit] Dee Brown, 1981 *The Gentle Tamers* Dee Alexander Brown, 1973 **Women of the Wild West** Katherine E.

Krohn, 2000-01-01 Presents an account of frontier life for women in the American West through brief biographies of six famous individuals including Calamity Jane Molly Brown Belle Starr Pearl Hart Laura Ingalls Wilder and Annie Oakley

Women of the Wild West Ruth Pelz, 1995 Photographs and text present the biographies of eight women of the Western United States *Wild West Women* Katherine E. Krohn, 2005-01-01 Why Should I Recycle Garbage PB *Entertainment in the Old West* Jeremy Agnew, 2014-01-10 Miners loggers railroad men and others flooded into the American West after the discovery of gold in 1848 and entertainers seeking to fill the demand for distraction from the workers daily toil soon followed Actors actresses and traveling troupes crisscrossed the American frontier performing in tents saloons fancy theaters and the open air This exploration of the heyday of popular theater in the Old West chronicles its emergence and growth from 1850 to the early twentieth century Here is the story of the men and women who provided myriad types of entertainment in the Old West and brought excitement laughter and tears to generations of pioneers **The North American West in the Twenty-First Century** Brenden W. Rensink, 2022-11 In 1893 Frederick Jackson Turner famously argued that the generational process of meeting and conquering the supposedly uncivilized western frontier is what forged American identity In the late twentieth century new western historians dissected the mythologized western histories that Turner and others had

long used to embody American triumph and progress While Turner s frontier is no more the West continues to present America with challenging processes to wrestle navigate and overcome The North American West in the Twenty First Century edited by Brenden W Rensink takes stories of the late twentieth century modern West and carefully pulls them toward the present explicitly tracing continuity with or unexpected divergence from trajectories established in the 1980s and 1990s Considering a broad range of topics including environment Indigenous peoples geography migration and politics these essays straddle multiple modern frontiers not least of which is the temporal frontier between our unsettled past and uncertain future These forays into the twenty first century West will inspire more scholars to pull histories to the present and by doing so reinsert scholarly findings into contemporary public awareness *American West* Karen R. Jones,2009-03-21 The American West used to be a story of gunfights glory wagon trails and linear progress Historians such as Frederick Jackson Turner and Hollywood movies such as Stagecoach 1939 and Shane 1953 cast the trans Mississippi region as a frontier of epic proportions where savagery met civilization and boys became men During the late 1980s this old way of seeing the West came under heavy fire Scholars such as Patricia Nelson Limerick and Richard White forged a fresh story of the region a new vision of the West based around the conquest of peoples and landscapes This book explores the bipolar world of Turner s Old West and Limerick s New West and reveals the values and ambiguities associated with both historical traditions Sections on Lewis and Clark the frontier and the cowboy sit alongside work on Indian genocide and women s trail diaries Images of the region as seen through the arcade Western Hollywood film and Disney theme parks confirm the West as a symbolic and contested landscape Tapping into popular fascination with the Cowboy Hollywood movies the Indian Wars and Custer s Last Stand the authors show the reader how to deconstruct the imagery and reality surrounding Western history Key Features Uses popular subjects the Cowboy Hollywood westerns the Indian Wars and Custer s Last Stand to enliven the text Includes 13 b w illustrations Interdisciplinary approach covers film literature art and historical artefacts **The World of the American West** Gordon Morris Bakken,2010-10-04 The World of the American West is an innovative collection of original essays that brings the world of the American West to life and conveys the distinctiveness of this diverse constantly changing region Twenty scholars incorporate the freshest research in the field to take the history of the American West out of its timeworn Cowboys and Indians stereotype right up into the major issues being discussed today from water rights to the presence of the defense industry Other topics covered in this heavily illustrated highly accessible volume include the effects of leisure and tourism western women politics and politicians Native Americans in the twentieth century and of course oil With insight both informative and unexpected The World of the American West offers perspectives on the latest developments affecting the modern American West providing essential reading for all scholars and students of the field so that they may better understand the vibrant history of this globally significant ever evolving region of North America

Across the Plains Sarah Royce,2009-06-07 On April 30 1849 Sarah Bayliss Royce along with her husband Josiah and

their daughter Mary left her home in Tipton Iowa and headed for California in a covered wagon Along the way she kept a diary which nearly thirty years later served as the basis for a memoir she titled *Across the Plains* That book has been freshly transcribed by Jennifer Dawes Adkison from Royce s original handwritten document and this new edition is faithful to the original restoring several passages that were omitted from the previous edition In a new introduction Adkison reveals *Across the Plains* to be far more than a simple narrative of one pioneer woman s journey west She explains that Royce wrote the book at the request of her son Josiah Royce a well known professor of philosophy at Harvard University with motives of his own She crafted the narrative that her son wanted an argument for spiritual faith and fortitude as foundational to California s history Yet the narrative itself in addition to offering a window into a world that has long lacked close documentation gives us the opportunity to study the ways in which nineteenth century western women asserted this primacy of faith and crafted their experience into stories with larger cultural and social resonance Scholars have long used *Across the Plains* to mold and support an iconic image of the resolute pioneer woman However until now no one has considered Royce s own self conscious creation of this persona Readers will discover that in many ways Sarah Royce s careful construction of this cultural portrait deepens our respect for her and our delight in her travels travails and triumphs **The Pacific Historical Review** Anna Marie Hager,1976 Hell's Half Acre Richard F. Selcer,1991-01-01 Texas is a place where legends are made die and are revived Fort Worth Texas claims its own legend Hell s Half Acre a wild n woolly accumulation of bordellos cribs dance houses saloons and gambling parlors Tenderloin districts were a fact of life in every major town in the American West but Hell s Half Acre its myth and its reality can be said to be a microcosm of them all The most famous and infamous westerners visited the Acre Timothy Longhair Jim Courtright Luke Short Bat Masterson Wyatt Earp Doc Holliday Sam Bass Mary Porter Etta Place along with Butch Cassidy and his Wild Bunch and many more For civic leaders and reformers the Acre presented a dilemma the very establishments they sought to close down or regulate were major contributors to the local economy Controversial in its heyday and receiving new attention by such movies as *Lonesome Dove* Hell s Half Acre remains the subject of debate among historians and researchers today Richard Selcer successfully separates fact from fiction myth from reality in this vibrant study of the men and women of Cowntown s notorious Acre *The Women's West* Susan Armitage,Elizabeth Jameson,1987 Uses selections from diaries public records letters interviews and fiction to describe the experiences of women in the West including Indians servants waitresses prostitutes and farmers *The Hidden Half of the Family* Christina K. Schaefer,1999 Offers information on finding female ancestors in each state highlighting those laws both federal and state that indicate when a woman could own real estate in her own name devise a will and enter into contracts In addition entries contain information on marriage and divorce law immigration citizenship passports suffrage and slave manumission Material is included on African American Native American and Asian American women as well as patterns of European immigration Period covered is from the 1600s to the outbreak of WWII Annotation copyrighted by Book News Inc Portland OR The

Gold Rush Widows of Little Falls Linda S. Peavy,1990 Moving personal account of frontier women left behind in Minnesota when their husbands went west to prospect for gold in Colorado and Montana in the mid 1800s **Six-Guns and Saddle Leather** Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more

Echoes of the Past Deb Lish,2016-05-13 A little girl from a coal mining town in Ohio May Arkwright made the decision to migrate west to the gold rich in northern Idahos mining country Her life changed when she met train engineer Levi Al Hutton and found they had common childhood goals and dreams They married on January 17 1887 The Huttons became involved in the mining wars and Idaho Labor Strike in 1892 May became interested in womens suffrage movement fighting for equal rights for women From a small investment they became millionaires twice over The Huttons moved to Spokane Washington in 1907 where Al built May a mansion During this time she became ill and died shortly after For the first time in many years Al was alone His dream became true as the formation of the Hutton Settlement started taking shape for many orphans Levi Al Hutton died on November 3 1928 May and Al played prominent roles in the Coeur dAlene mining wars They realized that the great joy in life was giving Exploring the Huttons as partners makes their story significant to Western history as well as womens history Their legacy should live on forever
