The Genuine Jesus Alan E. Ross, 2003 Lost for 90 years the teachings in this book were channeled to author Alan Ross through automatic writing [The Genuine Jesus and the Counterfeit Christs](#) Simon J. Gathercole, 2025-10-16 What are the key differences between the canonical Gospels and the apocryphal gospels In this concise and engaging book New Testament scholar Simon Gathercole shows that crucial theological features link Matthew Mark Luke and John together and also set them apart from other ancient accounts of Christ's life Writing in a clear and highly accessible style Gathercole analyzes the New Testament Gospels alongside some of the earliest and most controversial apocryphal gospels He shows that the canonical Gospels share key elements of theological content content that consistently aligns with what the apostles taught about Jesus Specifically what distinguishes Matthew Mark Luke and John is that they faithfully represent Jesus's messiahship his saving death and resurrection and his fulfilment of Scripture This stands in sharp contrast to the apocryphal Gospels which either represent such teaching incompletely ignore it or actively reject it In short what separates the canonical Gospels from their noncanonical counterparts covered in this book is that the former are faithful portraits of Christ the savior the latter are less than authentic representations The Genuine Jesus and the Counterfeit Christs will appeal to everyday readers who want to know more about apocryphal gospels and to students in biblical studies who are interested in questions of authority and canonicity

The Genuine Jesus Alan Ross, 1999 The text claims to correct the discrepancies between what is presented in the New Testament and what Jesus actually taught in Palestine The author states that the Gospels of the Bible are the result of recollections and the later interpretations by the New Testament copyists of what they thought Jesus had said and is not the true mouthpiece of God and is at times a stumbling block to acquire a correct knowledge of the truths of God

A Revival of Hope in the Genuine Christ Gary R. Goetz, 2013-12-10 What in the world has gone wrong and how will it be set right

America is in a moral and economic crisis Political action by itself will not reverse this moral and economic decline In times past Christian revivals occurred before a crisis in American history such as the Revolutionary and the Civil War What were the characteristics of Christian revivals in past history Can a national revival happen again or are we too close to the end times Prophetic events relate in practicality to revival in the church today because the believers hope lies in the future revelation of the genuine Christ History is repeating itself Neo democracy leading to an imperial form of the continuing Roman Empire is the rising form of government today and it will rule at the end of the age Arguments will be given for the identity of the genuine Christ The order of prophetic events will be delineated leading to the genuine new age along with the events that follow such as the rebellion of Satan and the Great White Throne Judgment **The True Jesus** David

the glory of Christ the Christ of glory as the excellent treasure is received by the believers now the shining reality of Christ the embodiment and expression of the Triune God is the treasure within us The Spirit of reality guides us into all the divine reality which is the Triune God and His word Through the Spirit the reality of the Triune God is transmitted into us thus the reality into which the Spirit guides us is the reality of the Triune God As the Spirit of reality guides us into the divine reality by transmitting this reality into us the divine reality the processed and consummated Triune God becomes the constituent of our being The Christian life comes out of such a constituting work of the Spirit The Spirit has been commissioned by the Godhead in His Trinity to come to function by applying what God the Son Christ has accomplished according to what God the Father has planned in His economy The New Testament reveals various functions of the all inclusive Spirit in the Christian life The all inclusive Spirit gives life to the believers sanctifies the believers saturating all the inward parts of their being with God's nature of holiness renews the believers transforms the believers searches and reveals to the believers all things concerning Christ as the depths of God becomes the joy in the believers for the kingdom of God and becomes the essence for the organic building up of the Body of Christ which building up is the total function of the all inclusive Spirit dwelling in all of us To live the Christian life we need to have a vision of the seven aspects of Christ's person and work in His all inclusive death In His all inclusive death Christ was the Lamb of God taking away the sin of the world died as a man in the flesh causing sin to be condemned in the flesh by God was the last Adam causing the old man to be crucified was the Firstborn of all creation terminating the old creation was the reality of the bronze serpent destroying the devil who has the might of death died as the Peace maker and died as a grain of wheat falling into the ground for the release of the divine life to produce many grains The Reports and Announcements sections contains an Update on Rhema Mass Distribution in India Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Blomberg, 2023-02-28 Christianity Today 2024 Book Award Biblical Studies The third quest for the historical Jesus has reached an impasse But a fourth quest is underway one that draws from a heretofore largely neglected source John's Gospel In this book now in paperback renowned New Testament scholar Craig Blomberg advances the idea that John is a viable and valuable source for studying the historical Jesus The data from John should be integrated with that of the Synoptics which will yield additional insights into Jesus's emphases and ministry Blomberg begins by reviewing the first three quests reassessing both their contributions and their shortcomings He then discusses the emerging consensus regarding demonstrably historical portions of John which are more numerous than usually assumed Peeling back the layers we discover in Jesus's ministry an emphasis on purity and purification The Synoptics corroborate this discovery specifically in Jesus's meals with sinners Blomberg then explores the practical and contemporary applications of Jesus the purifier including the contagious holiness that Jesus's followers can spread to others *CSB She Reads Truth Bible, Brown Genuine Leather* Raechel Myers, Amanda Bible Williams, CSB Bibles by Holman, 2017-04-15 The CSB She Reads Truth Bible aims to live at the

The Revelation of Jesus Christ Wallace Shows, 2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are

Inventing Christic Jesuses, Volume 1 Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980-2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom
