

# The German Sniper 1914 1945

**Adrian Gilbert**

## **The German Sniper 1914 1945:**

*The German Sniper, 1914-1945* Peter R. Senich, 1982 The complete story of Germany's sniping arms development through both World Wars Presents more than 600 photos of Mauser 98s Selbstladegewehr 41s and 43s optical sights by Goerz Zeiss etc plus German snipers in action An exceptional hardcover collectors edition for serious military historians everywhere

**The German Sniper** Peter R. Senich, Howard Kyle, 1975 *Sniping Rifles on the Eastern Front 1939-45* Martin Pegler, 2019-03-21 The Soviet Union had developed a significant sniping force by 1939 but the extraordinary skill and cunning displayed by Finnish snipers during the Winter War forced the Soviets to innovate On the other side German sniping suffered from a lack of standardization of weapons and a lack of marksmen deployed at the start of the Great Patriotic War 1941-45 There were few heroes in the conflict but on both sides the snipers were idolized especially on the Soviet side gaining almost mythical status As well as traditional bolt action weapons both sides used several types of semi automatic rifle such as the SVT 38 and the Gew 41 Offering greater firepower at the expense of long range accuracy such weapons would be profoundly influential in the postwar world Fully illustrated this absorbing study investigates the development of sniping weapons and techniques on World War II's Eastern Front

**World War II Snipers** Gary Yee, 2022-05-04 This illustrated military history reveals the untold story of WWII snipers from training and firearms to combat and field operations Though snipers played a significant role in the battlefields of World War II they are often overlooked by historians In this volume military historian and firearms expert Gary Yee offers a comprehensive and fully illustrated narrative of snipers across the major theaters of conflict Europe the Eastern Front and the Pacific Drawing on memoirs archives wartime photographs and eyewitness accounts *World War II Snipers* presents a compelling and authoritative study Each of the warring countries had its own unique methodology for selecting and training snipers They recruited hunters outdoorsmen competitive shooters and military veterans to take on this highly skilled role They were deployed to ensure battlefield dominance and instill a paralyzing fear among the enemy Yee tells the stories of these soldiers who were both admired and at times reviled by their own comrades He also includes a lengthy chapter on the sniper rifles and other equipment issued to snipers

*Enemy Inside The Gates: Snipers In Support Of Military Operations In Urbanized Terrain* Lt.-Colonel Jeffery E. Dearolph USMC, 2014-08-15 As the world's urban areas continue to increase in size the possibility of U S forces conducting military operations in urbanized terrain also increases However the weapon systems the U S procures and employs obtain maximum effectiveness in open terrain These weapons prove less capable in urban terrain since their standoff and precision advantages suffer degradation due to buildings and the fleeting nature of enemy personnel U S weaponry also causes a large amount of collateral damage that may also result in civilian casualties which proves politically unacceptable Potential adversaries of the U S realize these limitations and present a target set that proves difficult to locate and engage The target set the enemy uses in urban terrain consists of enemy combatants mixing with non combatants enemy snipers and special

purpose teams Assets the U S possesses that can engage elements of the enemy s urban target set include U S Army and Marine Corps snipers However a determination on whether more snipers will effectively defeat the target set requires consideration This monograph analyzes the contemporary operating environment to articulate the enemy s urban target set Next a review of current U S Army and Marine Corps sniping doctrine organization and training establishes the foundation for presenting the sniper s capability to defeat the urban target set In order to provide a balanced argument other possible solutions to engaging and defeating the target set receive consideration Research shows that the sniper company organized at the division level achieves the desired effect of increasing the density of sniper teams on the urban battlefield The costs associated with the sniper company prove acceptable as it requires minimal expenditure concerning personnel and equipment The division sniper company will effectively counter the enemy s urban target set without causing non combatant casualties

Mauser Military Rifles Neil Grant,2015-03-20 This volume offers an insight into the iconic Mauser family of German bolt action rifles Drawing on first hand accounts of the weapons in combat and primary sources regarding their mechanical performance this fully illustrated study charts the Mauser s origins combat record and lasting influence It explores the full range of Mauser rifles beginning with the hugely successful Gew 98 which entered service in the time of the Kaiser provided the basis for the US Springfield M1903 and equipped combatants such as the South African Boers It also investigates the Kar 98k which was still in front line use with Wehrmacht troops in 1945 saw use with Mexican and Yugoslavian forces and even played a role in the 1990s Balkan conflicts in the hands of snipers Featuring expert analysis specially commissioned artwork and gripping first hand accounts this volume is ideal for anyone seeking an understanding of these sturdy and accurate rifles unique place in the history of small unit tactics in the 20th century

Inside the Crosshairs Col. Michael Lee Lanning,2013-06-19 The American sniper could be regarded as the greatest all around rifleman the world has ever known At the start of the war in Vietnam the United States had no snipers by the end of the war Marine and army precision marksmen had killed more than 10 000 NVA and VC soldiers the equivalent of an entire division at the cost of under 20 000 bullets proving that long range shooters still had a place in the battlefield Now noted military historian Michael Lee Lanning shows how U S snipers in Vietnam combining modern technology in weapons ammunition and telescopes used the experience and traditions of centuries of expert shooters to perfect their craft To provide insight into the use of American snipers in Vietnam Lanning interviewed men with combat trigger time as well as their instructors the founders of the Marine and U S Army sniper programs and the generals to whom they reported Backed by hard information and firsthand accounts the author demonstrates how the skills these one shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada the Gulf War and Somalia and continues to this day with American troops in Bosnia

**Stalkers and Shooters** Kevin Dockery,2007-07-03 Now in paperback From the author of the Navy SEALs Oral History series an intimate look at the world s most efficient and deadly warriors Snipers have a rich history This fascinating

book follows their tasks and techniques from the Revolutionary and Civil Wars through both World Wars to the Korean War and Vietnam the genesis of modern sniping to the current conflicts in the Middle East Also readers will see how sniping has evolved on the civilian side in law enforcement Readers will learn about the tools of the trade but most importantly they will hear from the experts themselves military snipers as well as civilian police and SWAT snipers Capturing the suspense and action of the hunt the words of these men draw readers into the close knit little known world of men who need only one bullet to get the job done

*The Stalingrad Cauldron* Frank Ellis, 2013-06-27 The encirclement of the German 6th Army at Stalingrad in mid November 1942 and its final collapse in February 1943 was a signature defeat for Hitler as more than 100 000 of his soldiers were marched off into captivity Frank Ellis tackles this oft told tale from the unique perspective of the German officers and men trapped inside the Red Army s ever closing ring of forces This approach makes palpable the growing desperation of an army that began its campaign confident of victory but that long before the end could see how hopeless their situation had become Highlighting these pages are three previously unpublished German army division accounts translated here for the first time by Ellis Each of these translations follows the combat experiences of a specific division the 76th Infantry the 94th Infantry and the 16th Panzer and take readers into the cauldron or Kessel that was Stalingrad Together they provide a ground level view of the horrific fighting and yield insights into everything from tactics and weapons to internal disputes the debilitating effects of extreme cold and hunger and the Germans astonishing sense of duty and the abilities of their junior leaders Along with these first hand accounts Ellis himself takes a new and closer look at a number of fascinating but somewhat neglected or misunderstood aspects of the Stalingrad cauldron including sniping desertion spying and the fate of German prisoners His coverage of sniping is especially notable for new insights concerning the duel that allegedly took place between Soviet sniper Vasilii Zaitsev and a German sniper Major Konings a story told in the film *Enemy at the Gates* 2001 Ellis also includes an incisive reading of Oberst Arthur Boje s published account of his capture interrogation and conviction for war crimes and explores the theme of reconciliation in the works of two Stalingrad veterans Kurt Reuber and Vasilii Grossman Rich in anecdotal detail and revealing moments Ellis s historical mosaic showcases an army that managed to display a vital resilience and professionalism in the face of inevitable defeat brought on by its leaders It makes for compelling reading for anyone interested in one of the Eastern Front s monumental battles

[Shooter's Bible Guide to Tactical Firearms](#) Robert A. Sadowski, 2015-07-21 Long range shooting in the United States is as old as this country is young Shooters have always had a fascination with shooting at distance whether they are plinkers competitive shooters or hunters The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire In recent years the interest in tactical precision rifles has increased with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters Expert Robert A Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the *Shooter s Bible Guide to Tactical Firearms* This

Shooter's Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear. The shooting school section provides instructions for those of us who have had no formal training. For experienced shooters having current information on hand in one place can be an invaluable resource. And no Shooter's Bible guidebook is complete without a detailed products section showcasing rifles from all across the market. Other topics covered include Top 10 long range rifles, Precision rifle maintenance, Anatomy of a riflescope, Shooting technique, positions and drills. And much more. Pick up a copy of the Shooter's Bible Guide to Tactical Firearms to learn everything you need to know about precision long range shooting. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

*Sniper Rifles* Martin Pegler, 2011-03-15. A technical outline of the history of the sniper rifle from its introduction in warfare during the Napoleonic wars through the US Civil War to its current apogee as the most frequently used combat rifle in Iraq and Afghanistan. This book details the development of ammunition, different weapons types including single shot magazine loading and semi automatic as well as the introduction and use of optical sights. Martin Pegler, a leading expert on the history of sniping and former Senior Curator of Firearms at the Royal Armouries, Leeds, also details the current advances in technology such as laser range finding sights and night vision devices. Using first hand accounts, the book brings the dangerous world of the sniper to life, revealing their training and concealment techniques as well as their mastering of their weapon of choice.

*Special Forces Sniper Skills* Robert Stirling, 2012-12-20. *Special Forces Sniper Skills* is a hard hitting account of the soldiers' weapons and techniques used to coldly eliminate high value targets on the battlefield. Though many books have become best sellers through telling one side of the story, a sniper's experiences, a training manual, or a weapons catalogue, none before have combined the whole spectrum of a sniper's life and skills into one gripping book. This book examines the role of the sniper and the unique skills employed when serving as part of a Special Forces unit, including the British SAS, the US Navy Seals, and the Russian Spetsnaz. The book is illustrated with photographs of every aspect of the sniper's trade and stories from the real life experiences of the author's comrades, soldiers who have served in almost every overt and covert conflict since World War II.

**One Shot Kills** Glenn Wahlert, Russell Linwood, 2014-05-05. A sniper is not just a good shot. While marksmanship is crucial, it is not this alone that defines the sniper. Snipers must also be superb bushmen, possess limitless patience, iron discipline, rat cunning, extraordinary stamina, and attract more than their share of luck. The well trained sniper will stalk his enemy or lie in wait for his target to appear. He will eliminate his target with just

one shot and escape to repeat his mission time and again The history of the Australian Army is replete with untold tales of brave men who built reputations as daring and skilful snipers From the training grounds of the Boer War and First World War Australian snipers honed their deadly skills and earned a fearsome reputation In the Second World War they duelled with their German counterparts in the Western Desert and the hardy Japanese snipers of the Pacific War The valuable lessons of two major wars had to be relearned for the Korean War where naive young men who knew nothing of combat sniping learned quickly or didn't survive The snipers of today's Australian Army have learned the lessons of history and are held in the same high regard by friend and foe as their Gallipoli forebears Snipers have become an essential force multiplier and have deployed on every operation since Somalia One Shot Kills is the story of the sniper's journey from the South African veldt to the recent battlegrounds of Iraq and Afghanistan It is also the story of the development of the modern sniper's combat weapon system in which technology has been harnessed to produce extraordinary results on the battlefield Australian Army snipers are justifiably regarded as among the best in the world

**The Damned and the Dead** Frank Ellis, 2011-06-15 The confrontation between the Wehrmacht and the Red Army on the Eastern Front of World War II was defined by incalculable suffering destruction casualties and heroism While many historians have chronicled the epic nature of that arena of war it has largely been left to Russian novelists to fully express the intense human dimensions of that conflict Frank Ellis's groundbreaking study provides the first comprehensive survey of that impressive body of literature Canvassing a wide spectrum of works by Soviet and post Soviet writers many of whom were war veterans themselves Ellis uncovers themes both common to war literature in general and distinctive to the Soviet experience He recalls the earliest works in this genre by Emmanuil Kazakevich Grigorii Baklanov and IUrii Bondarev presents a long overdue assessment of Vasil Bykov's work which focuses on the partisan war in Bykov's native Belorussia and brings into sharp focus the powerful Stalingrad novels of Vasilii Grossman Konstantin Simonov Viktor Nekrasov and Bondarev He also provides keen insights into the heroic portraits of Stalin in the fiction of Ivan Stadniuk and Vladimir Bogomolov and examines three important war novels published during the 1990s Viktor Astaf'ev's *The Damned and the Dead* Georgii Vladimov's *The General and His Army* and Vladimir But's *Heads Tails* One of the many threads running throughout Ellis's study is the dilemma of the Red Army soldier condemned to serve a regime that was utterly paranoid regarding the allegiances of its own armies so much so that Soviet soldiers often felt as threatened by the Soviet government as they did by the German armies Many of these novels reinforce the now well known fact that Stalin devoted considerable resources to ferreting out soldiers whose actions or inactions suggested disloyalty to his repressive regime A few of them such as Grossman's *Life and Fate* became battlegrounds in their own right pitting Soviet writers against Soviet censors in a struggle over the public memory of the war Russia's memories of World War II are forever tied to the suffering of its people Ellis's rich and revealing work shows us why

*Sniper* Martin Pegler, 2011-08-20 Following the success of *Out of Nowhere* A History of the Military Sniper sniper expert Martin Pegler

gives us an in depth study of the emergence of American rifleman sharpshooter and sniper Pegler examines the evolution of the rifle in America from the earliest firearms of the 15th century to the highly accurate sniping rifles of the 21st century He also analyses the technological development of the rifle sighting systems and ammunition and uses contemporary accounts to describe how the use of the rifle during the Revolutionary War Civil War and the conflicts of the 20th and 21st centuries have impacted on US military history This detailed account concludes with a study of the American sniper in modern warfare including Afghanistan and the ongoing conflict in Iraq providing an overview of the march of weapons technology as well as an unusual insight into the lives and the motives of the men who used them **World War II** Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research *The Gun Book for Girls* Silvio Calabi,Steve Helsley,Roger Sanger,2013-09-16 This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages the fastest growing segment of the sport and it couldn t come at a better time America and firearms literally grew up together but today guns are often simply linked to crime and violence gun control has become a polarizing political issue and misinformation about firearms is spreading Now three experts have tackled the subject in a series of books that explores the realities of guns and shooting and sets the record straight about some common misconceptions On the heels of *The Gun Book for Boys* and *The Gun Book for Parents* *The Gun Book for Girls* is for girls and women interested in guns and shooting but who have little or no background in firearms Through example and anecdote the book emphasizes safety and proper usage and it defines terms and provides hands on advice about using and maintaining guns It also covers firearms shooting methods clothing and accessories for women profiles females who shoot and who work

in the gun trade and discusses the issues around guns for self defense a topic of special interest to women Like the other two titles this book is non political and written in an easy to understand conversational tone Each book is thoroughly illustrated and content is presented in easily managed portions that can be read in series or singly all backed up with an index

Bracketing the Enemy John R. Walker, 2013-08-08 After the end of World War II General George Patton declared that artillery had won the war Yet howitzers did not achieve victory on their own Crucial to the success of these big guns were forward observers artillerymen on the front lines who directed the artillery fire Until now the vital role of forward observers in ground combat has received little scholarly attention In Bracketing the Enemy John R Walker remedies this oversight by offering the first full length history of forward observer teams during World War II As early as the U S Civil War artillery fire could reach as far as two miles but without an FO forward observer to report where the first shot had landed in relation to the target and to direct subsequent fire by outlining or bracketing the targeted range many of the advantages of longer range fire were wasted During World War II FOs accompanied infantrymen on the front lines Now for the first time gun crews could bring deadly accurate fire on enemy positions immediately as advancing riflemen encountered these enemy strongpoints According to Walker this transition from direct to indirect fire was one of the most important innovations to have occurred in ground combat in centuries Using the 37th Division in the Pacific Theater and the 87th in Europe as case studies Walker presents a vivid picture of the dangers involved in FO duty and shows how vitally important forward observers were to the success of ground operations in a variety of scenarios FO personnel not only performed a vital support function as artillerymen but often transcended their combat role by fighting as infantrymen sometimes even leading soldiers into battle And yet although forward observers lived fought and bled with the infantry they were ineligible to wear the Combat Infantryman s Badge awarded to the riflemen they supported Forward observers are thus among the unsung heroes of World War II Bracketing the Enemy signals a long overdue recognition of their distinguished service

Sniper Adrian Gilbert, 1996-02-15 From the evolution of the art to firsthand accounts of legendary exploits through the basics of sniper training Sniper traces the development of these most feared hunters marking their historical battles and their pivotal role in modern forces Includes eight pages of authentic action photos

Snigskytter Lars Reinhardt Møller, 2013-11-01 Lars R Møller giver et portræt af krigens ensomme ulve snigskytterne Møllers egne erfaringer med snigskytter stammer fra den anden side af sigtekornet han er mere end en gang blevet beskudt af disse spøgelseskrigere I bogen har han vendt sin frygt til nysgerrighed og beskriver snigskytternes metoder den psykologi der ligger bag det overlagte drab den teknologiske udvikling fra middelalderens langbuer til den moderne verdens computerstyrede kikkertsigter Møller gennemgår snigskytternes historie fra pelsj gerne i Louisianas sumpe over vinterkrigen i Finland hvor en lille gruppe jeger på ski kæmpede imod den røde hær til Vietnams jungle og vore dages rænkrige LARS R MØLLER oberst i Forsvarskommandoen er forfatter til bl.a. ### **The German Sniper 1914 1945 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The German Sniper 1914 1945 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The German Sniper 1914 1945 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The German Sniper 1914 1945 free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The German Sniper 1914 1945. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The German Sniper 1914 1945 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The German Sniper 1914 1945 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The German Sniper 1914 1945 is one of the best book in our library for free trial. We provide copy of The German Sniper 1914 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The German Sniper 1914 1945. Where to download The German Sniper 1914 1945 online for free? Are you looking for The German Sniper 1914 1945 PDF? This is definitely going to save you time and cash in something you should think about.
