The Getaway The Killer Inside Me The Grifters Pop 1280:

The Getaway Jim Thompson,1983 **The Killer Inside Me** Jim Thompson,2025-04-08 The deputy sheriff of a small Texas town hides a dark secret in this classic 1952 crime novel from the author of *The Grifters* Probably the most chilling and believable first person story of a criminally warped mind I have ever encountered Stanley Kubrick Everyone in the small town of Central City Texas loves Lou Ford A deputy sheriff Lou s known to the small time criminals the real estate entrepreneurs and the rest of his fellow townsmen as the nicest guy around He might not be the brightest or the most interesting man in town but he s the kind of officer you re happy to have keeping your streets safe But behind the platitudes and glad handing lurks a monster the likes of which few have seen A monster with a sickness that urges him to hurt others A sickness that almost got Lou put away when he was younger and that is about to surface again In *The Killer Inside Me* Jim Thompson goes where few novelists have dared to go giving us a pitch black glimpse into the mind of a serial killer years before Charles Manson John Wayne Gacy or Bret Easton Ellis s *American Psycho* in a novel that will forever be known as his masterpiece A twisted tale told by a sociopath from his point of view How twisted This book leaves *Silence of the Lambs* in the dust

Huffington Post **The Getaway** Jim Thompson,2024-09-24 The classic heist thriller from the master of the American groin kick novel the basis for the movie starring Steve McQueen *Vanity Fair* Doc McCoy is the most skilled criminal alive But when for the first time in Doc s long criminal career his shot doesn t hit the mark everything begins to fall apart And Doc begins to realize that the perfect bank robbery isn t complete without the perfect getaway to back it up *The Getaway* is the classic story of a bank robbery gone horribly wrong where the smallest mistakes have catastrophic consequences and shifting loyalties lead to betrayals and chaos The basis for the classic Steve McQueen film of the same name as well as a 1994 remake with Alec Baldwin Thompson s novel set the bar for every heist story that followed but as Thompson s proved time and again nobody s ever done it better than the master Praise for Jim Thompson The best suspense writer going bar none *The New York Times* My favorite crime novelist often imitated but never duplicated Stephen King My man in crime fiction Jo Nesb If Raymond Chandler Dashiell Hammett and Cornell Woolrich would have joined together in some ungodly union and produced a literary offspring Jim Thompson would be it His work casts a dazzling light on the human condition *The Washington Post*

The Post-Utopian Imagination M. Keith Booker, 2002-01-30 In America the long 1950s were marked by an intense skepticism toward utopian alternatives to the existing capitalist order This skepticism was closely related to the climate of the Cold War in which the demonization of socialism contributed to a dismissal of all alternatives to capitalism This book studies how American novels and films of the long 1950s reflect the loss of the utopian imagination and mirror the growing concern that capitalism brought routinization alienation and other dehumanizing consequences The volume relates the decline of the utopian vision to the rise of late capitalism with its expanding globalization and consumerism and to the beginnings of postmodernism In addition to well known literary novels such as Nabokov's *Lolita* Booker explores a large body of leftist fiction popular novels and the films of Alfred Hitchcock and Walt Disney The book argues that while the canonical novels of the period employ a utopian aesthetic that aesthetic tends to be very weak and is not reinforced by content The leftist novels on the other hand employ a realist aesthetic but are utopian in their exploration of alternatives to capitalism The study concludes that the utopian energies in cultural productions of the long 1950s are very weak and that these works tend to dismiss utopian thinking as naïve or even sinister The weak utopianism in these works tends to be reflected in characteristics associated with postmodernism
