

How does an African wild messenger  
run on his withered trail? What  
state of energy is he in? How does  
an American executive run on his  
adrenaline? What does his cluttered  
head demand from his tired and  
hurt stomach? How do hurt  
kisses rebel? Can physical  
exercise provide a deeply  
personal, visceral  
release from the  
relentless chatter of  
the thinking mind?
