The Ghost Of Monsieur Scarron:

The Ghost of Monsieur Scarron Janet Lewis, 2013-07-15 This historical novel is the third and final book in American poet and fiction writer Janet Lewis's Cases of Circumstantial Evidence series based on legal case studies compiled in the nineteenth century In The Ghost of Monsieur Scarron Lewis returns to her beloved France the setting of The Wife of Martin Guerre her best known novel and the first in the series As Swallow Press executive editor Kevin Haworth relates in a new introduction Monsieur Scarron shifts the reader into the center of Paris in 1694 during the turbulent reign of the Sun King Louis XIV The junction of this time and place gives Monsieur Scarron an intriguing political element not apparent in either The Wife of Martin Guerre or The Trial of S ren Qvist The Ghost of Monsieur Scarron begins in a small bookbinder's shop on a modest Paris street but inexorably expands to encompass a tumultuous affair growing social unrest and the conflicts between a legal system based on oppressive order and a society about to undergo harsh changes With its domestic drama set against a larger political and historical backdrop Monsieur Scarron is considered by some critics and readers to be the most intricately layered and fully realized book of Lewis's long career Originally published in 1959 Monsieur Scarron has remained in print almost continuously ever since The Comic Romance of Monsieur Scarron Paul Scarron, 1775 **Erotic**

Lewis, 2013-08-27 This is the first digital version of Cases of Circumstantial Evidence a collection of three historical novels by noted American writer Janet Lewis For the first time these works have been brought together in a single edition each with a new introduction by Kevin Haworth The Wife of Martin Guerre Based on a notorious trial in sixteenth century France The

Wife of Martin Guerre follows Bertrande de Rois and her lost and returned husband through a tale of impersonation conspiracy and small town intrigue Their fascinating story has also inspired a bestselling historical study and two films including *The Return of Martin Guerre* *The Trial of Søren Qvist* Although set in seventeenth century Denmark *The Trial of Søren Qvist* has a contemporary feel and has been praised for its intriguing plot and for Lewis's powerful writing In this second novel in the *Cases of Circumstantial Evidence* Lewis recounts the story of a murder an investigation and a pious town pastor who confesses to the crime driven perhaps more by a recognition of his own moral flaws than by guilt for the acts of which he stood accused *The Ghost of Monsieur Scarron* The court of Louis XIV and a modest Paris street provide the incongruous settings for this tale of a humble bookbinder his wife and the young craftsman who seduces her and blackmails her husband into covering up a terrible crime This third and last case of circumstantial evidence bristles with character the smell of blood and considerable suspense against a backdrop of national political unrest in the cruel and dingy Paris of the seventeenth century

The Novel Michael Schmidt, 2014-05-12 The 700 year history of the novel in English defies straightforward telling Encompassing a range of genres it is geographically and culturally boundless and influenced by great novelists working in other languages Michael Schmidt choosing as his travel companions not critics or theorists but other

novelists does full justice to its complexity The Man Who Wrote the Perfect Novel Charles J. Shields, 2018-10-15 An engrossing biography of a brilliant novelist underappreciated in his own time who became a twenty first century bestseller from the New York Times bestselling author *The New Yorker* When *Stoner* was published in 1965 the novel sold only a couple of thousand copies before disappearing with hardly a trace Yet the quietly powerful tale of Midwestern college professor William Stoner whose life becomes a parable of solitude and anguish eventually found an admiring audience in America and especially in Europe The New York Times called *Stoner* a perfect novel and a host of writers and critics including Colum McCann Julian Barnes Bret Easton Ellis Ian McEwan Emma Straub Ruth Rendell C P Snow and Irving Howe praised its artistry The New Yorker deemed it a masterly portrait of a truly virtuous and dedicated man This biography traces the life of Stoner's author John Williams Charles J Shields follows the whole arc of Williams's life which in many ways paralleled that of his titular character from their shared working class backgrounds to their undistinguished careers in academia Shields vividly recounts Williams's development as an author whose other works include the novels *Butcher's Crossing* and *Augustus* for the latter Williams shared the 1972 National Book Award Shields also reveals the astonishing afterlife of *Stoner* which garnered new fans with each American reissue and then became a bestseller all over Europe after a Dutch publisher brought out a translation in 2013 Since then *Stoner* has been published in twenty one countries and sold over a million copies Like Williams Shields know how to tell a good story one that will appeal especially to those interested in the ins and outs of the publishing industry and the ups and downs of a writer's life Los Angeles Review of Books The Trial of Sören Qvist Janet Lewis, 2013-07-15 Originally published in 1947 The Trial of Sören Qvist has been praised by a number of critics for its intriguing plot and Janet Lewis's powerful writing And in the introduction to this new edition Swallow Press executive editor and author Kevin Haworth calls attention to the contemporary feeling of the story despite its having been written more than fifty years ago and set several hundred years in the past As in Lewis's best known novel *The Wife of Martin Guerre* the plot derives from Samuel March Phillips's nineteenth century study *Famous Cases of Circumstantial Evidence* in which this British legal historian considered the trial of Pastor Sören Qvist to be the most striking case **An Unsentimental Education** Molly McQuade, 1995-08 *An Unsentimental Education* is a collection of candid interviews with twenty one of our leading novelists and poets Presented as first person essays the interviews are with contemporary writers who have studied or taught at the University of Chicago The book provides an occasion for the writers to reflect on their Chicago experiences and on ideas about education in general What education does a writer need How can formal learning impel the writing life What school stories or tales told out of school do Philip Roth Hayden Carruth Marguerite Young George Steiner Charles Simic Susan Sontag and Saul Bellow have in store and want to share **Luxury Trades and Consumerism in Ancien Régime Paris** Robert Fox, Anthony Turner, 2016-12-05 Since the 16th century Paris has been a leading arbiter of taste and the ultimate source of luxury goods for Europe and the world However the origins of the luxury trades of Paris and

their role in the wider economic development of France and Europe have been relatively little examined by historians This volume provides an entry into some of the many questions raised by the growth of the luxury trades by bringing together eight detailed case studies of specific trades with five more wide ranging and theoretical contributions It therefore offers both the results of entirely new research and a range of new perspectives and methodological reflections on the subject as a whole Essential to economic and social historians of Early Modern France the book will also be of interest to all students of material culture
