The Gift Of Kinds The Good In Abundance:

The Gift of Kinds Stephen David Ross,1999-09-16 Explores the idea of human and natural kinds pursuing an ethics of the earth responsive to social political and environmental issues The Gift of Beauty Stephen David Ross,1996-07-03 Ross explores the developments in Western thought from Plato and Aristotle through Kant and Hegel when art was separated from science and philosophy At the heart of the project is a reexamination of the good found in Plato as that which makes being possible which gives authority to knowledge and beckons to art preserved in Levinas as infinite responsibility The idea of the good is interpreted as nature s abundance giving beauty and truth as gifts calling us to respond It gives rise to an ethics of inclusion expressed in art **The Gift of Touch** Stephen David Ross,1998-08-27 The Gift of Touch is the third volume in Ross s ongoing examination of the Western philosophical tradition in ethical terms from the standpoint of the good giving rise to endless responsibilities resisting the neutrality of being and truth The first volume The Gift of Beauty explored the link between art and the good in the light of Nietzsche s revaluation of all values and the second volume The Gift of Truth explored the ways in which truth and knowledge answer to a responsibility beyond themselves given from the good This third book traces Western ideas for corporeal bodies from Plato to contemporary feminist and poststructuralist writings understanding corporeal things throughout nature as heterogeneous and expressive interpreted in ethical terms in relation to histories of domination and resistance At the heart of the book is a reexamination of the good found in Plato as that which gives authority to knowledge and truth The good gives being in abundance understood in terms of endless responsibility giving rise to an ethics of inclusion *4 Abundant Life* Drs. Eric,Joanna Oestmann,2013-02-12 The abundant life is all around us yet we fail to capture it Have you experienced setbacks and challenges in your life Maybe you have lost a job have financial burdens experienced divorce parent alienation death of a loved one or just feel like you have lost yourself along the way What many do not realize is that what you feel and believe keeps you trapped in chaos and sadness Here is the key to your future The abundant life is for everyone We have written this book based on four fundamental biblical truths 1 We children of God Christ followers are anointed to prosper 2 At an appointed time and place 3 When we use our talents and gifts 4 For the glory of Him 4 Abundant Life is a step by step guide to help you discover what it means to be an authentic man woman married person develop your unique talents and gifts and use them for His glory and how reconciliation and redemption lead to transformation into life abundantly This book is for anyone who wants more out of his or her life More purpose promise self worth peace confidence love forgiveness grace and mercy comfort and the list goes on The challenge is yours Find your inheritance of abundance and discover why God sometimes says no or not yet how to grow in the valley of life struggles and emerge victorious It is time to capture the abundant life promise and transform your life from surviving into thriving *The Abundant Community* John McKnight,Peter Block,2010-06-14 This book reminds us that a neighborhood that can raise a child provide security sustain our health secure our income and care for our vulnerable people is within the

power of our community **Christ the Gift and the Giver** Enoch O. Okode,2022-01-28 This book provides a close look at how Paul uses the Greco Roman royal benefaction system in Romans 5 1 11 as well as 5 12 8 39 to accomplish his theological purpose of portraying Jesus Christ as the supreme royal benefactor so that the Roman believers might faithfully respond to his reign now even as they anticipate glorification This study makes at least three significant contributions First at the lexical level it provides a reading that accounts for the benefaction motifs that permeate Romans 5 1 11 and Romans 5 12 8 39 Second it looks at the relationship between as used in Romans 5 2 and the Messiah s sacrifice as described in Romans 5 6 10 even as it asserts that Paul portrays Christ as a royal benefactor in ways that surprise the Greco Roman notion of brokerage and the expectation that a beneficiary would be willing to die for the sake of his benefactor Third the study demonstrates that the Messiah s supreme benefaction demands appropriate reciprocity or fitting response *The Abundant Marriage Focus on the Family*,2004-01-02 This Bible study explores the concept that understanding and practicing biblical stewardship as a way of life gives joy and longevity to a marriage It will lead couples to discover how to be good managers of the time talents finances possessions and people that God has uniquely provided for them This the eighth study in the marriage series
