Lahey,2003-03-13 John Wyclif was the fourteenth century English thinker responsible for the first English Bible and for the Lollard movement which was persecuted widely for its attempts to reform the Church through empowerment of the laity Wyclif had also been an Oxford philosopher and was in the service of John of Gaunt the powerful duke of Lancaster In several of Wyclif s formal Latin works he proposed that the king ought to take control of all Church property and power in the kingdom a vision close to what Henry VIII was to realize 150 years later This book argues that Wyclif s political programme was based on a coherent philosophical vision ultimately consistent with his other reformative ideas identifying a consistency between his realist metaphysics and his political and ecclesiological theory *Reports of the United States Board of Tax Appeals* ,1938 Reports of the U.S. Board of Tax Appeals United States. The battles we fought alone leave us bruised The prayers we tried to control go unanswered And it is in that quiet broken place where God whispers Surrender This foreword is not written by someone who has mastered surrender but by someone who has come to treasure it For I have found that the most powerful moments in life are not when we rise in self sufficiency but when we fall on our faces before the Lord and say Thy will be done In a world that exalts self and applauds control surrender sounds foolish But in the kingdom of God surrender is where miracles begin The pages that follow are a sacred invitation They are not filled with formulas for success but with the truth that when we let go God steps in This book does not ask you to be stronger it asks you to be still It does not demand more effort it invites deeper trust And it does not lead you to independence but to intimacy with the Savior who surrendered everything for you As you read may your heart be softened your grip be loosened and your faith be strengthened For the power of surrender is not in what we give up it is in the One we give it to
