come into your life unannounced Without a word or notice they will latch onto you and will do everything in their power to never let go Everything in your life will seem like it is coming to an end It ll seem that your life can t and will not get better Life will hit you with everything it s got to keep you from getting up It ll send one of its greatest enforcers to get the job done fear Fear will strip you from your strength and your will to survive James had more downs than ups in his life Life was constantly presenting him with opposing forces With every opposing force he encountered he discovered a common factorthe live BASIC formula The live BASIC formula helped him overcome his opposing forces that life had given him The live BASIC formula helped him establish a strong relationship with God and because of it he overcame his greatest enemy of all fear With the live BASIC formula James was able to put his uttermost trust in God and welcomed whatever decision God would give him Many decide to go through this journey of life without ever asking for help from God What we fail to understand is that God blessed humanity with the gift of freedom of choice God will not force his love on us instead He gives us the choice to love and follow him The freedom of choice can serve as a double edged sword We get upset when things don t go our way If only we d ask for God s guidance our life may or may not have brought us into the predicaments we re currently in Instead we have become selfish with our time and lives We want nothing to do with God Many will argue that he doesn t exist But what kind of life would that be A life without God means a life without a purpose A man or woman without a purpose is destined for a life filled with misery Throughout our existence we ve wrestled with ourselves in trying to find an answer to what is my purpose in life Some find its meaning and others never do This then leads them down a dark path of emptiness and hopelessness They start to feel an emptiness growing inside of them never knowing how to fill it They try to fill it with

money materialistic things or meaningless relationships but it never works We were all blessed with gifts and talents by our creator God But we never bother to seek out our gifts and talents we rob ourselves and the world from them We were created by God to serve a specific purpose When we don't carry out our purpose then we feel as though our life is meaningless If ever we get to this point we must then ask God to guide us through our journey of life God shouldn't be your last resort on the contrary God should be the first person you seek in your life's journey
