

The background of the entire image is a photograph of three people standing in a vast, flat desert landscape at sunset or sunrise. The sky is a mix of orange, yellow, and blue, with some clouds. The ground is a light brown, sandy surface. The three people are silhouetted against the bright sky, and they are all raising their arms in a gesture of triumph or celebration. The overall mood is one of hope, achievement, and freedom.

The Gifted Sophomores:

The Gifted Sophomores Terri Blackstock, 2002-07-13 Three socially mismatched teens are trapped in the school darkroom during a violent earthquake. Despite being raised in the same church, they consider themselves far too different to be friends until they discover God had other plans. After being rescued, Tiffany fears she will be permanently blind, Josh that he'll be handicapped, and Mo that he'll never speak again. Upon awakening in the hospital the following day, each of them discovers that in addition to being healed, they have been given supernatural gifts. Tiffany can see people's darkest, most painful moments; Josh can identify those in need; and Mo cannot stop himself from spouting scripture and encouragement. Individually, they may feel they are going crazy, but together they are an evangelism task force that cannot be stopped until the gifts are abruptly taken away. These teens must learn real-life lessons of unity, servanthood, and the power of the Holy Spirit.

Case Book, Education Beyond the High School United States. Office of Education. Division of Higher Education, 1957. The Condition of Education, *Double Minds* Terri Blackstock, 2009. Struggling to succeed in the Nashville music scene, talented singer-songwriter Parker James finds the competition fierce, even deadly. Congress. Senate. Committee on Labor and Public Welfare, 1972. **Tigerland** Wil Haygood, 2019-08-13. Against the backdrop of one of the most tumultuous periods in recent American history, as riots and demonstrations spread across the nation, the Tigers of poor, segregated East High School in Columbus, Ohio, did something no team from one school had ever done before: they won the state basketball and baseball championships in the same year. They defeated bigger, richer, whiter teams across the state and, along the way, brought blacks and whites together, eased a painful racial divide throughout the state, and overcame extraordinary obstacles on their road to success. In *Tigerland*, Wil Haygood gives us a spirited and stirring account of this improbable triumph and takes us deep into
