The Girl Gladiator:

Atilus the Gladiator E. C. Tubb, 2013-08-05 From the cold misty shores of Britain which the Emperor Claudius had invaded Atilus Cindras was taken as a boy slave to work and fight for the greater glory of the Roman Empire Eventually he was sent to a gladiator school and there trained to fight and perhaps die in the arena But Atilus survives the years of decadent slaughter and gradually gains power and riches as he navigates through the steamy politics of ancient Rome under the Emperor Nero But Nero is a spoiled selfish ruler who is forever seeking the favor of the Roman masses And when he decides to appease the people's lust for something new and original in the ring he picks Atilus to train the first troupe of female gladiators Little does Atilus know however that he's being played both by the Emperor and by his cronies just a little joke a second troupe of female fighters to be pitted against the twenty women that Atilus is managing And if Atilus loses he'll be made a slave once more The second novel in the Atilus Saga features more rousing action and political intrigue by a master storyteller

The Gladiator Alan Baker, 2010-12-23 Alan Baker weaves an extraordinary vivid picture of Roman life as his compelling and evocative history tells the story of Rome's most notable gladiators They were condemned and feared by emperors slaughtered and adored by the masses and worshipped by their female fans yet their lives were invariably violently short Whether their enemy was a starved tiger or a battle hardened criminal their numbered days were dark and bloody Yet men gave up their wealth and freedom to become gladiators and noble women gave up their positions to be with them The Gladiator illuminates the extraordinary lives of Spartacus Commodus Eppia and others bringing the same energy and passion to the page that Ridley Scott's cinematic triumph bough to the screen

The Gladiators George John Whyte-Melville, 1890 Dark and stern in their weird beauty lower the sad brows of the Queen of Hell Dear to her are the pomp and power the shadowy vastness and the terrible splendour of the nether world Dear to her the pride of her unbending consort and doubly dear the wide imperial sway that rules the immortal destinies of souls But dearer far than these dearer than flashing crown and fiery sceptre and throne of blazing gold are the memories that glimmer bright as sunbeams athwart

those vistas of gloomy grandeur and seem to fan her weary spirit like a fresh breeze from the realms of upper earth She has not forgotten she never can forget the dewy flowers the blooming fragrance of lavish Sicily nor the sparkling sea and the summer haze and the golden harvests that wave and whisper in the garden and granary of the world Then a sad smile steals over the haughty face the stern beauty softens in the gleam and for a while the daughter of Ceres is a laughing girl once more

Gladiators Arising: Blood-Bought vs. Blood Sport Trent Herbert,2022-03-08 History repeats Gladiators Arising Blood Bought vs Blood Sport examines the resurgence of blood sports in the world today and its infiltration into the church Historians are calling on people not to be comforted in the false assumption that gladiatorial fights could never happen again Yet it is realized that the neo gladiators of Mixed Martial Arts have already arisen This book walks through the corridors of time and takes a panoramic historical view of the early church s collision with gladiators and its ultimate victory The exploding concussion crisis makes this a timely book and the uncomfortable realities need a biblical response Gladiators Arising demonstrates the early church s success in piercing the darkness with the Light of Christ It was through loving those created in His image and sharing the Gospel no matter the cost that changed the course of history The cross today standing within the weathered Roman Colosseum beckons us to remember the past understand the present and prepare for the future

The Gladiators vs. Spartacus, Volume 2 Abraham Polonsky,2020-12-21 This publication of Abraham Polonsky s unproduced screenplay for The Gladiators is a tribute to one of Hollywood s premiere post WW II directors and writers whose career was severely impacted by the blacklist His script for The Gladiators survives to remind us that he could and did transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler s bold fictional vision Through a combination of the ambivalence of its executive producer and star plus bad timing it never went before the cameras This book is published in the hope that The Gladiators will be produced for cinema or television

Women at War in the Classical World Paul Chrystal,2017-02-28 A look at how warfare affected and was affected by women in ancient times Although the conduct of war was generally monopolized by men in the Greco Roman world there were plenty of

exceptions with women directly involved in its direction and even as combatants Artemisia Olympias Cleopatra and Agrippina the Elder being famous examples And both Greeks and Romans encountered women among their barbarian enemies such as Tomyris Boudicca and Zenobia More commonly of course women were directly affected as noncombatant victims of rape and enslavement as spoils of war and this makes up an important strand of the author's discussion The portrayal of female warriors and goddesses in classical mythology and literature and the use of war to justify gender roles and hierarchies are also considered Overall this is a landmark survey of women's role in and experience of war in the Classical world
