*The Girl on the Front Porch* Ron Arnold, 2002-09-01 The Girl On The Front Porch centers on a collection of characters as they work toward making life brighter for a young woman dealing with various physical and emotional challenges Employing elements of romance and suspense the story is designed to enlighten and inspire as well as to explore the capacity of the human spirit

Alabama, One Big Front Porch Kathryn Tucker Windham, 2007-01-01 Many of Alabama's finest stories used to begin with a reference to the night the stars fell and even now there is an inclination among some residents to divide local history into two segments before the stars fell and after the stars fell That would make November 13 1833 the dividing line Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them

**The Front Porch Revolution** Robert H. Lengel, 2018-06-07 A piece of music is more than the sum and sequence of its notes The spaces between the notes the rests or silences are just as essential Without those spaces the notes do not properly relate to each other and even the most profound composition degrades into mere noise Front porches metaphorically represent those rest spaces in our lives and they are vanishing Without them we are denying ourselves access to our music and possibility and the evidence is clear at all levels of interaction The social and political discourse in this country has of late eroded into noise and acrimony dialogue having been abandoned for weaponized partisan monologues Diatribes and rhetoric are gleefully accelerated like charged particles online and on competing TV news and talk radio shows In fact this dynamic is experienced in meetings of any scale where diverse perspectives clash around

topics we care about But ask yourself what is being accomplished beyond gridlock frayed relationships and destructive polarization We need to meet in new ways The Front Porch Revolution is about the need to reassert true conversation and dialogue and reaffirm an earnest commitment to genuine communication If anything is to be accomplished and there is much that needs to be accomplished we must be able to hear ourselves think and be present with our personal stories that give context to that thinking This is more likely to happen on front porches than on the floor of Congress in board rooms in classrooms or on Facebook or Twitter Viewing the world from the front porch invites a new way of thinking about our communication challenges leadership and what we have become in the absence of front porches Based on decades of research and first hand experience at the Center for Professional Excellence at the University of Texas at San Antonio The Front Porch Revolution maps out a lucid thoughtful and hopeful path forward to possibility State of New York Supreme Court Appellate Division Fourth Department , *The Farmers' Advocate and Home Magazine* ,1917 **Adventure** ,1929

**Dads and Daughters** Joe Kelly,2003-05-13 Every father can make a huge difference in his daughter s life As the primary male role model in a girl s life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don t realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter s Father dads can immediately see what kind of role they play in their daughter s life To educate fathers and offer solutions when problems arise Dads and Daughters then offers thoughtful coverage of the most pivotal issues today s girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives **Women in the Trees** Susan
