Revised Age Level 14 and up Grade Level 9 and up The fate of his entire family seemed to be resting in his hands For Phillip living on the streets has never been easy especially in New York City Then again when he volunteered to find his father who has been missing for the last two and half years stolen away in the middle of the night by a mysterious stranger he knew the chance he was taking After all he was four hundred years and half a world away from home To make matters worse it seemed like those he d been hiding from all this time may have just found him and he knew for a fact that they wanted him just as dead as the rest of his family Steal his country and he ll hate you Steal his time and he ll swear revenge but steal his father scatter his family and banish him to another time to steal his family s throne hell hath no fury as an exiled prince scorned An Excerpt from Heir of Nostalgia A dark mastiff whispered Maggie keeping the beast in sight the entire time In packs they are unstoppable By themselves however We used to hunt them for sport she said At this point Phillip jumped in Surely you can do something Look what you did with Feathers Mastiff and corbie Phillip two completely different creatures Mastiffs are drawn from shadow and shade sharp corners and angles Corbie on the other hand She was about to say something more when the wolf lunged With one arm Maggie swept Theo and Phillip to one side while striking out with her stick As soon as the tree branch struck the great wolf it snapped in two and burst into flame and cinders Steaming blood the color of night the beast snapped wildly at them and withdrew Fresh scarlet ran like a tear down Maggie s right cheek She d been quick but the wolf had been quicker Maggie Phillip cried seeing the ragged gash across her forearm Reviews A new talent states E Finlayson of Staffordshire UK This book can be considered equally as a young adult book or an adult book The plot is out of the usual and the writer builds both tension and atmosphere skillfully Like other reviewers I could hardly put it down until it was finished and I hope very much for a Book 2 AMAZING Says Ron You feel like your right there beside the characters throughout their whole journey I would HIGHLY recommend this book to anyone ready for an adventure There were times while reading this book that my heart would be beating faster Can t wait for the next book in the series HIGHLY recommend this book *Heir to the Throne* Maria Albert, 2013-07-29 Descent of Kings Book Two It would not be the first time I made such a grave tactical error I have made many It is not your responsibility to save this world from the evil that threatens to consume it Aras Do not blame yourself for my shortcomings Prince Talon of the Amontir When his bonds to his cousins Hunter and Beryl are unexpectedly severed Talon is devastated fearing his kinsmen dead In his darkest hour Talon succors a young Wood Elf Aras unaware of the crucial role his new friend is destined to play Prince Jargas thought he would never learn the secret of his grandsire s line and his lost heritage He never suspected the answer might lie in a Dwarven dungeon or that it could cost him the life of his beloved twin sister Jarina Young apprentice trader Rion and his guard Tarrell thought Athanark would be their new home until they met Talon and Aras Friends become enemies and enemies become friends as new alliances are forged men die cities burn and kingdoms fall Everyone has secrets and no one is who or what he seems **The Heir of Kilfinnan** William Henry Giles Kingston, 1881 The following tale contains materials for a full sized novel but my readers probably will

not object to have them condensed into a single modest volume The scene of a considerable portion of the story is laid on the coast of Ireland where the peasantry mostly speak the native Irish and I have therefore translated what my characters say into ordinary English rather than into the generally received brogue which would be coming from their lips as inappropriate as Spanish or Dutch When English is spoken it sounds somewhat high flown but is certainly purer than the language of the same class in England Thus my hero talks more like a well educated young gentleman than a humble fisher lad If that is considered a defect I hope that it may be redeemed by the stirring incidents with which the tale abounds and that old and young may alike find as much amusement as they expect in its perusal Carrying the Lost Heir's Child Jules
