The Glass House Politics Morality In The Nations Capital:

Glass Houses Martin Tolchin, 2018-03-13 The Congressional ethics process has been transformed into a lethal partisan political tool feared by lawmakers from both sides of the aisle Newt Gingrich the Ghengis Khan of recent American politics wrenched the humdrum Congressional ethics process out of its lethargy and turned it into an offensive tool for partisan gain Now instead of yawning lawmakers quake at the thought of an ethics inquiry that can easily often unfairly tip elections and ruin careers While members of the House and Senate confront the public s changing attitudes toward money sex and power they are also forced to raise ever escalating sums to finance their campaigns Practices tolerated a decade ago now may cost lawmakers their seats or land them in jail Lawmakers often don t know if they live in Salem or Gomorrah Using new information culled from dozens of Capitol Hill interviews Sue and Marty Tolchin show how ethics in Washington have changed over two centuries while offering new interpretations of past ethics cases The first book to analyse the politicization of the ethics process Glass Houses reveals in wicked and telling detail the forces that drive the modern lawmaker into a maelstrom of fierce corruption battles

The Glass House: Politics and Moral in the Nation's Capital Paul Simon, 1984

The Glass House Paul Simon, 1984 **A Brotherhood of Tyrants** D. Jablow Hershman, Julian Lieb, M.D., 2010-10-29 Napoleon Bonaparte Adolf Hitler and Joseph Stalin were three tyrants and the effects of their brutal regimes are still with us Each attained absolute power and misused it in a gargantuan fashion leaving in his wake a trail of hatred devastation and death In **A Brotherhood of Tyrants** D Jablow Hershman and Julian Lieb uncover manic depression as a hidden cause of dictatorship war and mass killing In comparing these three tyrants they describe a number of behavioral similarities supporting the contention that a specific psychiatric disorder manic depression can be one of the key factors in such political pathologies as tyranny and terrorism Manic depressive disorder has also produced the great destroyers in history when in addition to ambition and egotism have been added large measures of ruthlessness willfulness utter intolerance of criticism a consuming need to dominate others paranoia and megalomania Focusing on these three dictators **A Brotherhood of Tyrants** argues that manic depression has always been and continues to be a critical factor in compelling some individuals to seek political power and to become tyrants It powerfully demonstrates how this disorder is the source of many of the typical characteristics including grandiosity and megalomania of a tyrannical personality and provides a manual for the identification of the psychotic tyrant In their epilogue the authors outline the clinical signs of manic depression as described in the classic studies of the German psychiatrist Emil Kraepelin 1856 1926 They apply these clinical signs and symptoms to the pathologies of four notorious mass killers of recent times David Koresh Jeffrey Dahmer Jim Jones and Colin Ferguson They argue that if these individuals had been identified in time as manic depressives they could have been successfully treated and hundreds of innocent lives could have been saved *Congress A-Z* Staff of Congressional Quarterly, 2013-12-16 A ready reference encyclopedia now in its Third Edition detailing the workings and personalities of the U S Congress written

in language that will be comprehensible to any level of researcher 250 entries provide in depth coverage of how Congress functions Entries range from short definitions to a series of core essays exploring the legislative process the seniority system the committee system the budget process and other broad areas [Congress A to Z](#) CQ Press,,Chuck McCutcheon,2014-03-11 Congress A to Z provides ready reference insight into the national legislature its organization processes personalities major legislation and history No other volume so clearly and concisely explains every key aspect of the national legislature The Sixth Edition of this classic easy to use reference is updated with new entries covering the dramatic congressional events of recent years including social media usage by members of Congress the politics of recent debt ceiling and deficit spending showdowns with the executive branch new floor leaders in both chambers and campaign finance patterns Each of the more than 250 entries arranged in encyclopedic A to Z format provides insight into the key questions readers have about the U S Congress and helps them make sense of the narrow power division between Republicans and Democrats the methods members use to advance their agendas the influence of lobby groups the key role of committees and strong willed leaders and much more Key Features Available in both electronic and print formats Quick answers to questions as well as in depth background on the U S Congress Historical and contemporary photos Detailed appendices tables internet addresses and index [The Essential Paul Simon](#) John S Jackson,2012-09-13 One of the most admired public figures in Illinois s history journalist and politician Paul Simon dedicated his life to public service for more than four decades During his lengthy and productive career he often used his prolific writings as tools to establish a straightforward dialogue with his constituents In [The Essential Paul Simon](#) Timeless Lessons for Today s Politics editor John S Jackson carefully selects the best of Simon s decades of writings which include newspaper columns editorials book chapters and newsletters works that while written to address the challenges of Simon s own era still resonate with practical wisdom today Jackson provides an introduction to each chapter setting Senator Simon s work into the context of its time and emphasizing the connection to today s continuing political questions and conflicts He also contributes an annotated bibliography covering all of Paul Simon s twenty two books which will prove to be a handy guide to Simon s publications While Simon covered a broad spectrum of topics in his written works his mission throughout the years remained the same to urge his constituents to study and understand issues that affected their daily lives and to make the complexities of politics accessible to the average citizen An indispensable volume for voters and politicians alike [The Essential Paul Simon](#) compiles some of the most thought provoking writings from one of the keenest political minds in our nation s history Years after their publication Simon s eloquent and energetic conversations continue to provide witty informative guidance through the maze of American politics and inspire the development of spirited public discussion and debate Certificate of Excellence from the Illinois State Historical Society 2013 [OBSESSED: THE PRESIDENCY AND ILLINOIS SENATORS PERCY, STEVENSON III, SIMON](#) Robert E. Hartley,2023-07-16 From history books memoirs news stories and public utterances it is known that

untold numbers of serving United States senators dreamed of residing in the Oval Office. Many fewer committed to open pursuit of the office and even fewer made it. Three Illinois senators from the 1950s to the 1990s: Republican Charles H. Percy, Democrats Adlai E. Stevenson III and Paul Simon, can be counted as actively engaged in the hunt with widely differing outcomes. Each had internal and external pressures. Percy, encouraged by Dwight Eisenhower and his brother Milton and dogged by media speculation, Stevenson III, expected to follow in the footsteps of his great-grandfather and his father, Stevenson II, Simon, ambitious to find ever higher elective outlets for his policy ideas and willing to take the risk. Circumstances aside, their common goal was to be president. Their stories include campaign images and fresh perspectives based on documents.

Paul Simon Robert E. Hartley, 2009-10-26. With Paul Simon. *The Political Journey of an Illinois Original*. Author Robert E. Hartley presents the first thorough, objective volume on the journalistic and political career of one of Illinois's most respected public figures. Hartley's detailed account offers a fully rounded portrait of a man whose ideals and tenacity not only spurred reform on both state and national levels during his celebrated forty-year career but also established the lasting legacy of a political legend. Simon first became a public figure at the age of nineteen when he assumed the post of editor and publisher of a weekly newspaper in Troy, Illinois. From there he used his paper to launch a fierce crusade against the crime and corruption plaguing Madison County. This battle sparked his entry into politics, helping to land him a seat in the state legislature in 1954. While serving, he campaigned tirelessly according to his principles, earning him the mass voter approval that would usher him into the seat of lieutenant governor in 1968, the first person elected to that position who did not share party affiliation with the governor. As lieutenant governor, Simon initiated many changes to the position, remaking it to better serve the citizens of the state of Illinois. The cornerstone of his reform plan was an ombudsman program designed to allow the people of the state to voice problems they had with government and state agencies. The program, extremely popular with the public and the press, solved problems and helped to make Simon a household name throughout Illinois. Although he faced challenges along the way, including racial upheaval in Cairo and the student and police riots on the Carbondale campus of Southern Illinois University, Simon's outspoken honesty and strong support of his constituents earned him the utmost esteem and popularity. While his 1972 bid for governor of Illinois ultimately failed, this did not deter Simon from his dedication to social progress. In 1974 he began his remarkable twenty-two-year career in the U.S. House of Representatives and Senate, where he earned the admiration of the country for his political integrity. Despite the praise and support Simon had earned during his time in Washington, he was unable to win the Democratic presidential nomination in 1988 and returned to the Senate, winning a second term in 1990. Simon committed time and energy to the myriad issues of interest to him, especially in the field of education, with one of his biggest successes coming with the passage of the National Literacy Act, which he sponsored. He continued to foster his ties to journalism throughout his lengthy political career, authoring numerous books, articles, and columns, all of which he used to relentlessly promote open government and social programs. This

vivid account of the public life of Paul Simon reveals a man whose personal honor and dedication were unshakeable throughout nearly half a century in the political arena Robert E Hartley provides a candid perspective on Simon's accomplishments and victories as well as his mistakes and losses revealing new insights into the life of this dynamic and widely respected public figure *Senators of the United States*, 1995

Ethics in Politics and Government Anne Marie Donahue, 1989 A collection of articles that illuminate the debate over ethics in politics and government discussing the morality of the use of covert procedures in securing national interests considering ethics in the executive and legislative branches and examining the dilemmas of ethical leadership *Senators of the United States* Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works

Legalized Gambling Rod L. Evans, Mark Hance, 1998 Forty eight states now permit legalized gambling in some form thirty seven states run lotteries forty seven allow bingo houses and more than a dozen states permit betting on dog races American gamblers wager over 300 billion yearly in legal gambling Although many Americans enjoy gambling and see it as harmless recreation and a fairly painless way to generate revenue without levying direct taxes many social conservatives see gambling as a socially destructive temptation that ought not to be indulged by private citizens much less sponsored by government Recently economic pressures resulting from less federal revenue and Americans growing aversion to tax increases have led many state governments to liberalize gambling laws or sponsor gambling sparking a lively debate Legalized Gambling contains twenty articles focusing on different aspects of gambling policy by experts in the fields of public policy law psychiatry rhetoric religion economics and politics The contributors address all areas of the debate including the following What moral issues are at the center of the debate What are the true economic costs and benefits of legalized gambling How are they often hidden or misconstrued in order to support either prohibition or legalization How has the history of gambling in America shaped our current policies Is governmental regulation an invasion of personal privacy What are the legitimate uses of laws Is pathological gambling a justifiable medical diagnosis Do gambling establishments run by Native Americans deserve special consideration or regulation In a lottery the tax is laid on the willing only that is to say on those who can risk the price of a ticket without sensible injury for the possibility of a higher prize Thomas Jefferson

Citizen C. Andrew Doyle, 2020-02-17 A must read for Christians struggling with the present political conversation Citizen helps Christians find our place in the politics of the world In these pages Bishop Andy Doyle offers a Christian virtue ethic grounded in fresh anthropology He offers a vision of the individual Christian within the reign of God and the life of the broader community He adds to the conversation in both church and culture by offering a renewed theological underpinning to the complex nature of Christianity in a post modern world How did we get here Is this the way it has to be Are there implications for conversations about politics within the church Doyle contends that

our current debates are not about one partisan narrative winning but communities of diversity being unified by a relationship with God's grand narrative Crafting a deep theological conversation with a unified approach to the Old and New Testament Citizen asks what does it truly mean to live in community *Landmark Legislation 1774-2022* Stephen W.

Stathis,2024-04-09 *Landmark Legislation 1774 2022* Third Edition is a comprehensive guide to important laws and treaties enacted by the U S Congress This updated edition includes landmark legislation from the last five Congresses 2013 2022 on issues like climate change criminal justice education and more It features carefully selected acts and treaties with historical significance and has an updated index and bibliography for easy access A must have for public and academic libraries with American history or political science collections **Congress A to Z** Charles McCutcheon,2022-06 Explains key aspects of the national legislature its organization processes personalities major legislation and history Includes entries covering congressional events of recent years Public Affairs Information Service Bulletin Public Affairs Information Service,1985

The Nation ,1892 Glass Houses Stanley G. Hilton,Anne-Renee Testa,2014-08-19 The infamous Starr Report which made Bill Clinton's private life very public had one specific aim to send the 42nd U S President packing But many of those who will sit in judgment of Clinton have plenty of skeletons in their own closets now revealed by Stanley G Hilton and Dr Anne Renee Testa in *Glass Houses Shocking Profiles of Congressional Sex Scandals and Other Unofficial Misconduct* From sex scandals to financial fraud to political misconduct discover what scores of members of the U S House and Senate Republicans and Democrats alike are hiding beneath self righteous veneers And learn from a renowned psychologist what drives politicians in particular to commit such risky acts **Oregon Biographical Dictionary** Jan Onofrio,1999-01-01 Describes the lives and accomplishments of over 120 important men and women in the history of Oregon from business leaders and politicians to authors and actors
