The Global Trade and Investment Handbook Jack A. Gottschalk,1993 The world is changing rapidly The former People s Republic of Germany and the Republic of Germany have been reunited Others such as Czechoslovakia Yugoslavia and of course the former Soviet Union have split apart The consequences of such changes are not relegated only to the spheres of geopolitics and strategic planning they are equally important to the international business and investment communities As a country becomes geographically larger or smaller so does its ability to attract foreign dollars either in terms of portfolio or direct investment Governmental stability surely one of the most important considerations of foreign investors when international alternatives are reviewed also plays an important role The information needed to enter new or changing markets and control risk is difficult to obtain and expensive to compile Now available in one source The Global Trade and Investment Handbook is the first comprehensive source of available information on business practices regulations foreign trade and investment law written for foreign investors This volume triumphs in providing in one country by country reference format a complete and readily accessible overview of foreign trade and investment law for 155 countries For every country included from Albania to Zimbabwe the reader will find a complete review of relevant topics including Political Environment Foreign Investment Policy Permitted Business Organizations Environmental Protection Rights and Obligations of Foreign Investors and Labor Laws Accounting Requirements Currency Controls Taxation Legal System Customs and Duties Protection of Intellectual Property Immigration and Residence andWhere to Find Investment Assistance
