The Glory Of It All

John Wesley

The Glory Of It All:

A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. [By Clement Cotton.], 1627 **Christ All, and in All; Or, Several Significant Similitudes by which the Lord Jesus Christ is Described in the Holy Scriptures ...** Ralph Robinson (Puritan Divine.), 1868 *The Works of Jonathan Edwards: Volume II - II* Jonathan Edwards, 2017-03-29 Bringing together a collection of letters between two theologians along with other observations and reflections this volume continues to open the mind of any person wishing to be a serious theologian While many know about the big names such as Calvin or Luther many do not give credence to some of the important landmark works that writers such as Edwards helped to promote **The Works of Thomas Goodwin, vol. 1** Thomas Goodwin, 2009-04-07 The Second Death and the Restitution of All Things Andrew John Jukes, 1878 *The Works of the Rev. John Wesley, A.M.: Appeals* John Benjamin Wesley, 1830 *The Imitation of Christ* Thomas a Kempis, 1873

Exercitations on the Epistle to the Hebrews· John Owen, 1668 A Plain Account of Christian Perfection John Wesley, 2020-12-08 In A Plain Account of Christian Perfection John Wesley provides a profound exploration of the concept of Christian holiness articulating a systematic approach to the pursuit of spiritual maturity Written in 1766 the book unfolds with clarity and directness characterized by Wesley's accessible prose and rich theological insights It is structured to appeal to both the doubting and the devout situating the quest for perfection within the framework of personal experience and biblical teaching effectively bridging intellectual rigor with practical application in the context of 18th century Methodism John Wesley a pivotal figure in the revivalist movement was deeply influenced by his own spiritual journey and the challenges faced by early Methodists in England His commitment to evangelism and the pursuit of holiness emerged from his encounters with diverse Christian traditions and a sincere desire to address the spiritual malaise of his time Through this work Wesley sought not only to define perfection but also to inspire believers to pursue a deeper transformative relationship with God This book is an essential read for anyone interested in Christian theology and church history as it offers timeless principles for spiritual growth Wesley's reflections resonate with contemporary seekers of faith encouraging readers to embrace a path of sanctification while providing a foundational text for understanding the ideals of Methodism It is a beacon for those striving for a closer walk with God The Church of England Magazine , 1854 **The Whole Works of the Late Rev. Mr. Ebenezer Erskine, Minister of the Gospel at Stirling** Ebenezer Erskine, 1798 **Bearing Remaining Fruit** Living Stream Ministry, 2004-04 **The Christian Magazine** , 1824 Dissertations on Bible Principles, or truly Christian doctrines and duties, and on that Divine Light and Evidence with which these stand clothed all over the Holy Scriptures; containing also a few pages on Magistracy as the ordinance of God James RUTHERFORD (Dissenting Minister at Bavington.), 1794 **The Works of John Owen, D.D.** John Owen, 1853 **Gospel-Centered Idolatry** R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled The Expulsive Power of a New Affection correctly

ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature
