history of the last two thousand years there is but one Person who has been and is supremely loved Many have been loved by individuals by groups of persons or by communities some have received the pliant idolatries of nations such as heroes and national deliverers but in every instance the sense of love thus excited has been intimately associated with some triumph of intellect or some resounding achievement in the world of action In this there is nothing unusual for man is a natural worshipper of heroes But in Jesus Christ we discover something very different He possessed the genius to be loved in so transcendent a degree that it appears His sole genius Jesus is loved not for anything that He taught nor yet wholly for anything that He did although His actions culminate in the divine fascination of the Cross but rather for what He was in Himself His very name provokes in countless millions a reverent tenderness of emotion usually associated only with the most sacred and intimate of human relationships He is loved with a certain purity and intensity of passion that transcends even the most intimate expressions of human emotion The curious thing is that He Himself anticipated this kind of love as His eternal heritage with men He expected that men would love Him more than father or mother wife or child and even made such a love a condition of what He called discipleship The greatest marvel of all human history is that this prognostication has been strictly verified in the event He is the Supreme Lover for whose love unrealizable as it is by touch or glance or spoken word or momentary presence men and women are still willing to sacrifice themselves and surrender all things The pregnant words of Napoleon uttered in his last lonely reveries in St Helena still express the strangest thing in universal history Caesar Charlemagne I have founded empires They were founded on force and have perished Jesus Christ has founded an empire on love and to this day there are millions ready to die for Him Napoleon felt the wonder of it all the baffling inexplicable marvel Were we able to detach ourselves enough from use and custom to survey the movement of human thought from some lonely height above the floods of Time as Napoleon in the high sea silences of St Helena we also might feel the wonder of this most wonderful thing the world has ever known

Whatever Became of Love? Thomas C. Pfizenmaier, 2023-07-21 This book is written for those who want growth in love This book is written for those who long for a place to stand with confidence in a trembling world This book is written for those who suspect our civilization is running on fumes and want to help If you are one of these people then this book is written for you In discovering Jesus as he encounters us in the Scriptures you will discover that his love is unimaginably powerful for those who will place themselves at its disposal powerful enough to restore all things

In the Spirit of Love Ames, 2009 Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames life Reading and reflecting on the words people will be deeply moved by the love the tenderness and the kindness in which God reaches out to all of us His words explain sometimes in mystical and deeply spiritual ways but always with simplicity the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church It is amazing that the almighty God would love mankind so much that He sent His only Son Jesus to suffer and die for us This book helps bring a better understanding of the immeasurable

love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love **The Love Letters of St. John** Bolton Hall,1926 The Love of God Christopher W. Morgan,2016-09-30

Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *The True Christian Religion* Emanuel Swedenborg,1883

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
