The Gnome Of Illusion:

Black Blooded Heart Joseph Barresi, 2011-06-13 Valdimir The Butcher of Antamor the First Dark Knight Morith's Chosen These are all titles of the villainous Valdimir a once proud and just knight of Arathon that had once believed in protecting the innocent and punishing the wicked The first and only barbarian that ever became a knight Valdimir had gained both fame and respect during his time as knight All that changed when tragedy struck his life and he began to question his beliefs as a knight and began to turn towards the Death Gods for guidance most notably the God of Death himself becoming his most devoted follower in life Having been killed over 300 years ago during the events of the novel *The Curse of Silver Blood* Valdimir is brought back to life as a death knight once again under the service of the dreaded Death God Valdimir's long absence from a hugely different world then when he had once lived begins to cause him to question his faith once again even in death In this gripping and emotional story Valdimir's life as a knight is fully described as well as how he was raised from death itself to once again serve the will of Morith From his joining the knighthood all the way up to his grief stricken turn to the Death Gods to the present time in Arator where Valdimir awakens *Black Blooded Heart* is a dark and moving tale of a man whose soul has been tainted through life's brutal circumstances Will Valdimir once again bow down before Morith or will he take his own path forging his own destiny in a new world that still freshly remembers the atrocities and horrors he acted on in his former life

Author of Illusions Robert D. Luginbill, 2011-01-18 Pericles famed general and foremost political leader of Athens during her glory days of the 5th century brought about the downfall of the Athenian empire almost single handedly This truth obvious to contemporary Greeks is today not generally understood and we have Thucydides and his *History of the Peloponnesian War* to thank for the confusion That Thucydides a fierce partisan of Pericles and a soldier exiled for his own military misadventures should wish to reinvent the history of that famous war to show himself

and Pericles in a more favorable light is understandable But how could one man with a single literary production manage to replace the reality of the war with a myth of his own making creating in the process an edifice of illusion that would last for millennia scarcely questioned even by scholars The answer lies in Thucydides ability to engage the reader s mind and emotions with his psychological motifs By promising to peel back the superficial layers of contemporary descriptions of the war and reveal the true mysteries of history Thucydides draws in his readers and persuades them to accept his overall thesis of Pericles innocence Author of Illusions examines Thucydides techniques and demonstrates just how it was that he was able to reinterpret the history of the Peloponnesian War so successfully for his own and for Pericles benefit **Son of Thunder**

Murray Leeder,2012-10-02 It was the best thing that ever happened to him It was his god s blessing It was hell Vell was content to be a mere warrior in the Thunderbeast tribe staying behind on the hunt to guard the camp But then something alien awakened deep within him the spirit of a behemoth that he could not control With it came attacks from the sky visitors from far lands and a mysterious command from their ancestral totem Find the living And this time no one was going to let him just stay behind **Hybrid Blood** David Silver,2018-07-16 Strange gods or wizardly interference has blended animal and man By practice accident or even nature the beast people have risen to live against and with humanity in all its varied cultures and origins Two legs or four they stand ready to spice up your adventure as allies antagonists or player options In a world steeped with magic even the most unlikely matches are occasionally made Sometimes through wildly inventive sorcery the interference of otherworldly gods or even the spark of true love may bring two distant lines together Such creatures may be an anomaly or give rise to whole new species Even if one doesn t force blood together that normally would remain separated as water and oil the nurture side of what makes a person who they are cannot be denied What if your halfling was raised by orcs Or that orc was brought up by elves Without a single physical exchange lines can be brought together Hundreds of racial combinationsA new race the beast people designed to cover the animal kingdom New FeatsNew Magic to blur racial linesReincarnation handled with grace and easeCompatible with Pathfinder Starfinder and 5th Edition **Four Pretenders & the Talismans of Darkness & Light** Melvin Karew,2012-08-07 The guard at the city gates does not attempt to stop the stranger entering Nuthollia for his job is to keep people inside the city and no person would enter the city voluntarily unless he were an agent of Grimlindus Nuthollia the capital of Neuthonia is no longer a trading metropolis Its remaining inhabitants are usually hiding indoors trying to escape Grimlindus s violent soldiersthe tall blond northerners bandit warriors and Knights of Destruction as well as goblins hobgoblins kobolds and ogres from further east on the steppes While contact with these soldiers is dangerous and unpredictable the soldiers do keep the city s economy moving the trade continuing So Nuthollia s inhabitants the original Neuthonics as well as countless released prisoners of war attempt to earn a meagre living in fear and dread The stranger is rnwulf the tall barbarian who had been learning sword skills in the cold hills of the Borderlands He is dressed in heavy furs His long straight black hair is tied back by a broad cloth that completely conceals his

forehead and from which hangs three beaded feathers His heavy broadsword is strapped to his back partially buried within his fur coat while a number of knives are strapped to his chest and belt A two headed tomahawk hangs from his belt He is accompanied by Caleb the huge wolf that is as large as a small pony and which has a thick mane of grey fur Man and wolf survey the cold snow covered streets looking beyond the unhappy houses to the dark palace standing on a hill near the centre of the city They turn away from it and head into one of the darker and less inviting neighbourhoods where even Grimlindus's soldiers would think twice before entering The houses are closer together than elsewhere the streets disappear into narrow alleyways and blind corners Open doorways and boarded windows show that many of the residences are empty of normal occupation However a quick survey inside would reveal hiding squatters ruffians thieves and muggers The man and wolf stop in front of a building that is deep within this neighbourhood This building is similar to all the others dismal and grey It has a heavy steel door with a small window at face height covered by a shutter The man thumps on the door and the shutter is pulled back revealing two dark slanted eyes What do you want says the bouncer Where are your mistresses asks rnwulf with a heavy northern accent They are busy Who wants to know I was sent by Cleosius the warlord to purchase something which was stolen from him They are expecting me The shutter is slid shut and rnwulf hears muted discussions behind it The shutter slides open again You are early snaps the voice and the shutter slams closed rnwulf thumps on the door again his blows echoing inside The shutter is pulled back again Can I wait inside he asks The door opens revealing a seven and a half foot monstrosity which bends over inside the small front room its hairy frame fills up the doorway Bugbear thinks rnwulf staring at the hairy giant goblin which would tower over one of its smaller goblin or hobgoblin cousins Come inside it snarls but the wolf stays out there After re locking the door the bugbear leads rnwulf along a dimly lit corridor before arriving at a small room furnished only with a hard backed chair The mistresses are busy the bugbear growls but I will send someone to fetch them when they are um finished Would you like a drink while you are waiting rnwulf waves the bugbear away and sits on the chair In a moment he becomes completely motionless his keen eyes surveying every inch of the room He waits becoming tenser as he looks at the low ceiling and the walls After a short time he stands up goes to the door and tries the handle finding it locked H
