### **The Gnostic Apostle Thomas Twin Of Jesus:**

*Nag Hammadi Bibliography* David M. Scholer, 2009 This is the third volume of the immensely useful Nag Hammadi Bibliography the first volume of which covered 1948a 1969 and was the first publication in the Nag Hammadi Studies series The second volume covered 1970a 1994 This third volume provides a complete integration of Supplements II 1a II 8 to the Bibliography as published in *Novum Testamentum* 1998a 2008 with additions and corrections This latest update contains 3 063 entries with the set of three volumes containing 11 580 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in these fields [Quest for the Historical Apostles](#) W. Brian Shelton, 2018-04-17 The stories and contributions of the apostles provide an important entrance into church history This comprehensive historical and literary introduction uncovers their lives and legacies underscoring the apostles impact on the growth of the early church The author collects and distills the histories legends symbols and iconography of the original twelve and locates figures such as Paul Peter and John in the broader context of the history of the apostles He also explores the continuing story of the gospel mission and the twelve disciples beyond the New Testament

**Was Jesus Crucified?** Keith Prosser, 2016-07-07 An historical research into the life and death of Jesus Christ as described in the Christian Holy Bible Examines early Gnostic Jewish Roman Greek Syrian and Christian historical sources to give a near comprehensive analysis of the subject resulting in a genuine fresh look into the well studied topic A meticulous review is made of what Josephus wrote about Jesus through critical analysis demonstrating why he must have written it A similar examination is made of the Gnostic writings especially the Nag Hammadi gospel of Thomas resulting in textual proof he wrote it after the Bible's gospels The book should prove of great interest to those studying or reading the New Testament as it includes a summarised history of the Faith spanning from the present day to the first century the origins of present day scepticism introduction into manuscript preservation and a glossary of theological terms and early Christian controversies

**The Early Christian World** Philip Esler, 2017-07-20 Since its publication in 2000 *The Early Christian World* has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book's attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully

reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come

**Dark Aeon** Joe Allen, 2023-08-29 Humanity Is Consumed by Relentless Transformation Like a thief in the night artificial intelligence has inserted itself into our lives It makes important decisions for us every day Often we barely notice As Joe Allen writes in this groundbreaking book Transhumanism is the great merger of humankind with the Machine At this stage in history it consists of billions using smartphones Going forward we ll be hardwiring our brains to artificial intelligence systems The world famous robot Sophia symbolizes a rising techno religion She takes her name from the goddess or Aeon whose fall from grace is described in the Gnostic Gospels With an academic background in both science and theology Allen confronts the paradox of what he calls good people constructing a digital abomination Dark Aeon is nothing less than a cri de coeur for humanity itself He takes us on a roller coaster ride through history and the emergence of Scientism and from government mandated mRNA vaccines to the weird visions of cyborg billionaires like Elon Musk From Silicon Valley to China these globalists visions of humanity s future exposed and described in Dark Aeon are dire and terrifying But Joe Allen argues that humanity s salvation is within our grasp Only if we refuse to avert our eyes from the impending twilight before us

Doubting Thomas Glenn W. Most, 2007-09-30 About the disciple known as Doubting Thomas everyone knows at least this much he stuck his finger into the risen Jesus wounds Or did he A fresh look at the Gospel of John reveals how little we may really understand about this most perplexing of biblical figures and how much we might learn from the strange twists and turns Thomas s story has taken over time From the New Testament Glenn W Most traces Thomas s permutations through the centuries as Gnostic saint missionary to India paragon of Christian orthodoxy hero of skepticism and negative example of doubt blasphemy stupidity and violence Rife with paradoxes and tensions these creative transformations at the hands of storytellers theologians and artists tell us a great deal about the complex relations between texts and their interpretations and about faith love personal identity the body and twins among other matters Doubting Thomas begins with a close reading of chapter 20 of the Gospel of John set against the conclusions of the other Gospels and ends with a detailed analysis of the painting of this subject by Caravaggio setting it within the pictorial traditions of late antiquity the Middle Ages and the Renaissance Along the way Most considers narrative reactions to John s account by storytellers of various religious persuasions and Christian theologians interpretations of John 20 from the second century ad until the Counter Reformation His work shows how Thomas s story in its many guises touches upon central questions of religion philosophy hermeneutics and not least life

Echoes from the Gnosis George Robert Stow

Mead,2006-06-25 Between 1906 and 1908 G R S Mead published eleven small books under the series title Echoes from the Gnosis These books contain translations and interpretations of the Gnostic writings of the ancients Long before the discovery of the Nag Hammadi Library Mead translated these esoteric texts of various origins Christian Roman Greek He wanted to make this material accessible to the growing number of people at the time eager to encounter this ancient mystical religion based on an intuitive process of knowing oneself and the hidden aspects of life and existence Upon the publication of the 100 year anniversary edition of the series the appeal for this same material remains stronger than ever Studies in John,1970

**Hidden Religion** Micah Issitt,Carlyn Main,2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world s religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World s Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs **Studies in John** W.C. van Unnik,2014-04-09 *Words of God Or Words of Men?* A. I. Mind,2013-06-26 While highly controversial the book is intended to stimulate discussion about the divine origin of religious texts and attempts to raise the collective consciousness regarding religion s subjugation of women with the hope that women break free from this repression Is scripture truly the Word of God Why does scripture treat women as second class citizens What is the meaning of 666 Did Jesus live to be over fifty years of age The author suggests a qualitative analysis be performed on scripture for accuracy consistency and reasonableness to determine divine origin and exposes religion s subjugation and oppression of women Read the Open Letter to God which contains references to scriptural passages and ask yourself Are these the words of God The author suggests we are entering into a new phase of the Age of Enlightenment where individuals replace acceptance of repressive religious ideology with An Inquiring Mind The last chapter contains Thoughts on life on some 50 subjects **Dictionary of New Testament Background** Craig A. Evans,Stanley E. Porter,2010-05-11 Written by known experts and edited by Craig A Evans and Stanley E Porter this reference work with its full bibliographies and cross references to other volumes in the series is the best for researching the New Testament in its ancient setting *The*

*Heavenly Twins of Boston Baseball* Donald Hubbard, 2008-08-21 Baseball was a rough sport in the nineteenth century and no one played the game with more vigor and often violence than Hall of Famers Hugh Duffy and Tommy McCarthy dubbed The Heavenly Twins This book details their professional history playing for Boston Beaneaters teams and personal experiences with baseball faith and legendary Boston baseball scribe Tim Murnane The book also traces their minor league careers and post professional baseball activities

**The Twelve Apostles** James Rendel Harris, 1927 [Majestic Mirror or Mind-Bending Mirage](#)

Jens Bruun Kofoed, 2025-03-13 Discover the profound insights on gender identity and sexuality through a biblical lens in this compelling book Delving into the Old Testament the author critiques modern gender theories tracing their evolution through feminist movements existentialism and social constructivism By contrasting these with a biblical perspective rooted in the creation story the book offers a thoughtful examination of today s complex gender discussions including identity expression and orientation Explore historical and theological views from ancient Mesopotamian cultures focusing on the worship of Inanna Ishtar and the shifting gender roles and sexual norms of the time The author defends a traditional biblical view challenging modern secular ideologies and arguing for a consistent understanding of the body sexuality and gender This book also provides valuable guidance for church leaders and pastors on navigating these sensitive topics in today s world Engage with a perspective that reconnects biological and theological truths offering a robust critique of contemporary feminist and transgender movements

**Matthew** Craig A. Evans, 2012-02-06 This book provides a comprehensive introduction to the New Testament Gospel of Matthew and its historical social and religious contexts

*The Triumph and Tragedy of The Synod of Diamper* K X M John, 2019-06-25 This book The Triumph and Tragedy of The Synod of Diamper gives a modern perspective to the fascinating story of a unique Church created by a unique Apostle who believed in the Risen Lord only after physically verifying the truth In modern times Swami Vivekananda hailed it as the purest of Christianity in the world The existential turbulence it underwent during the 16th 17th centuries under the Portuguese colonialists who sought to refashion this Church according to their western model and to reform the community s social familial customs and their consequences form the essence of this book The context is made vivid by briefly describing the story of the Church from its beginning The Synod conducted at Diamper near Cochin in AD 1599 set in motion the reform process It was a triumph of the Colonialists in one respect and a tragedy in several others It triumphed in bringing two thirds of the faithful to the Roman Church It was also tragic in that the remaining faithful got fragmented into different denominations Also the social familial reform efforts yielded but partial success The progressive Jesuits were unfairly misunderstood and they were replaced by traditionalist conservative Carmelites Malabar was the loser in that bargain Although the events narrated herein have become history this is still being perpetuated as an emotive issue by sections of Christians in Malabar Consequently they have also created emotionally charged versions of the subject This author has taken an objective approach and has given the subject a modern perspective fit for the reading of a 21st century reader
