The Gobetween God The Holy Spirit And The Christian Mission:

The Go-Between God John V. Taylor, 2014-07-24 First published in 1972 by SCM Press The Go Between God is here re issued in our prestigious SCM Classics series **The Go-between God** John V. Taylor, 1974 The Go-Between God John V. Taylor, 2015-01-14 In 1967 John V Taylor was invited to give the Cadbury Lectures in Theology at the University of Birmingham The experience stimulated him to the extent he felt compelled to rewrite the original series of eight lectures which now make up the chapters of The Go Between God This new edition contains a new Foreword by David Wood John V Taylor s great admirer The Reverend Dr David Wood is Rector of Joondalup Western Australia and the Anglican Chaplain to Edith Cowan University Perth Australia **The Holy Spirit** F. LeRon Shults, Andrea Hollingsworth, 2008-08-20 This introductory text by F LeRon Shults and Andrea Hollingsworth outlines the major movements and figures in the historical unfolding of the doctrine of the Holy Spirit with special attention on the role of philosophical interpretation and spiritual transformation showing how historical developments have shaped contemporary trends in pneumatology The Go-between God John Vernon Taylor (Anglicaanse bisschop van Winchester), 1974 *The Holy Spirit -- In Biblical Teaching, Through the Centuries, and Today* Anthony C. Thiselton, 2013-06 The book is divided into three parts Part One provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature including Josephus Philo and the Mishnah Part Two investigates the thinking of key Christian theologians on the Holy Spirit from the Apostolic Fathers to eighteenth century authors such as John Wesley and Jonathan Edwards Part Three examines more recent writings on the Spirit from the nineteenth century onwards including major systematic theologians such as Schleiermacher Barth and Moltmann as well as biblical scholars such as James D G Dunn Gordon Fee and Gerd Theissen Thiselton concludes the entire study by identifying seven fundamental themes and calling for greater dialogue between mainstream scholarship and contemporary leaders of the Pentecostal and Renewal movements **The Go-between God** John V. Taylor, 1973 **The Holy Spirit in Mission** Gary Tyra, 2011-10-19 The church has been called to participate in God s mission in the world But without a robust biblical sense of the Spirit s action how can we be sure we re fulfilling that call In this innovative work of missional pneumatology Gary Tyra synthesizes charismatic and evangelical perspectives to flesh out the nature and purpose of the church s preaching proclamation and service *A Biblical Theology of the Holy Spirit* Trevor J. Burke, Keith Warrington, 2014-06-26 A comprehensive account of the role and work of the Spirit covering the entire Bible Written by a team of leading evangelical scholars including world authorities such as Craig Bartholomew David deSilva James D G Dunn Walter Kaiser and Max Turner Informed by the latest scholarship Will become the standard introductory survey on the subject Written by an international team of leading scholars this is the first comprehensive exploration of the role and work of the Holy Spirit as witnessed in both the Old and New Testaments With contributions by Craig Bartholomew Gary Burge David deSilva James D G Dunn David Firth Walter Kaiser Wonsuk Ma John Christopher Thomas Max Turner and Matthias

Wenk among others this authoritative survey will rapidly establish itself as a standard reference point for scholars and students of all theological persuasions Any attempt at a biblical theology must begin with a careful exegesis of the biblical text To this end each contributor addresses the text through a rigorous exegesis of pertinent passages keeping in mind the genre canonical contexts and sweep of redemptive history **God and the World of Signs** Andrew Robinson, 2010-09-24 Drawing on the philosophy of C S Peirce Robinson develops a semiotic model of the Trinity and proposes a new theology of nature according to which the evolving cosmos may be understood as bearing vestiges of the Trinity in creation

Transmitting the Spirit in Missions Amos Jimmy Markin, 2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson

Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary Jesus and the Gospel in Africa Kwame Bediako, 2004 Jesus and the Gospel in Africa collects writings by Kwame Bediako and is the best source for his insights into the Christ of present day African history and the Jesus of African faith Bediako shows how intimately bound together are such elements as the message of Jesus and the struggle to give birth to African democracy Book Jacket *Theology in the Public Sphere* Sebastian Kim, 2013-01-03 A substantial and definitive introduction to public theology by one of the leading experts in the field A key text for third year undergraduate modules and MA courses in Social Ethics Political Theology and Public Theology Rethinking Missio Dei among Evangelical Churches in an Eastern European Orthodox Context Vladimir Ubeivolc, 2016-09-30 Following a paradigm shift in his own personal understanding of mission Vladimir Ubeivolc proposes the adoption of mission principles based on missio Dei to meet the social and spiritual needs of people in Moldova Biblically grounded and insightful the lessons to be learned from this book apply far beyond Eastern Europe Dr Ubeivolc uses his knowledge from six years of research twenty years of pastoral ministry and a lifetime of experience to summarize the landscape of the Moldovan Evangelical and Orthodox churches and their historical approaches to mission His evaluation emphasizes the need for a biblical foundation to mission

for Eastern European Evangelical churches This book's message is a timely scholarly reminder of the need to pursue holistic mission if the church of Jesus Christ is to be an authentic and effective vessel to bring transformation to people's lives and society

The Trinity, Creation and Pastoral Ministry Graham Buxton, 2007-01-01 In this book the author proposes a three-way conversation between theology, science and pastoral ministry His approach draws on a Trinitarian understanding of God as a relational being of love whose life spills over into all created reality human and nonhuman By locating human meaning and purpose within God's creation community this book offers the possibility of a transforming engagement between those in pastoral ministry and the scientific community

Missional Church Daniel L. Guder, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three-year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America's secular culture and the church's loss of dominance in today's society They then present a biblically based theology that takes seriously the church's missional vocation and draw out the consequences of this theology for the structure and institutions of the church

The Holy Spirit as Person and Power Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands-on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity

Yearning for the Vast and Endless Sea Chris Russell, 2024-01-31 Evangelism is a contentious word conjuring up all sorts of assumptions It can create suspicion or imply tribalism or can be seen as a desperate response to falling numbers For some the term has become irredeemably polluted But what if we recovered an authentic understanding of evangelism as good news that enables people to know that they are drenched in the love and grace of God And how do we do that This is a book for everyone who wants to share the gospel but who cannot relate to what evangelism has become Its

title is taken from Saint Exupery If you want to build a ship don t drum up the people to gather wood and give orders Instead teach them to yearn for the vast and endless sea Drawing on writers like Bonhoeffer Newbigin and Pope Francis landmark Euangelii Gaudium Chris Russell aims to redeem evangelism from its present predicament He sets it in a deeper and richer theological context asks how the church and individual Christians can communicate the love of God in language and action and explores how the good news is received
