The God Around Us:

In Search of God's Will Trevor Hudson, 2024-11-05 Have You Ever Asked What Is God's Will for My Life A trusted voice of the Christian faith in spiritual formation and discipleship deeply shaped by the wisdom of Dallas Willard and St Ignatius Trevor Hudson has crafted a user's guide to discern God's personal will for our lives After serving the local congregation as a Methodist pastor in South Africa for almost fifty years Trevor now lectures teaches and offers spiritual retreats both locally and internationally Over the years this question about discerning God's will is one that he has heard again and again *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life ultimately helping you to become the unique person God wants you to be You'll be equipped and encouraged in your faith on how to align your heart with the heart of God attune yourself to your calling listen to God in Scripture pray the Scriptures pay attention to the movements of the Spirit in your heart uncover and exercise your God-given giftedness notice God's presence and activity in daily life engage in sacred conversations with trusted companions make faithful decisions take the initiative when God seems silent and more Each concept includes a discernment exercise so that you can experience what you are learning If you have ever wondered about God's personal will for your life how your desires and God's desires intersect and how God is present and active around you *In Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be [The 50 Most Important Teachings of the Bible](#) Jim George, 2015-09-01 What you know about the Bible affects how you live Yet the Bible is a big book where do you begin *In 50 Most Important Teachings of the Bible* bestselling author Jim George highlights key teachings every believer should know With great clarity and simplicity this book focuses on the most essential elements of the faith with entries such as the Bible is the ultimate handbook for life God is here and is not silent the Holy Spirit is the secret weapon of every Christian Satan is not as powerful as you think he is once God has a hold on you He'll never let go Learn the great truths of the Bible and make them real in your life You'll be strengthened and encouraged as you do *The Essence of Leadership Volume 2: Part 1* Ollie Fobbs, 2017-09-03 One of the things I used to tell people which is still good if you have gotten lazy you need to go on a missions trip now going on a missions trip does not mean that you go off to a foreign country to serve for many years and you come back devastated no most missions trips happen right here in the United States many times right in your community things like soup kitchens food pantries at local churches volunteering at the Hospitals there are many things that can be done but the one thing is we have to find ways to get past ourselves here's a key question for us and one that I had to learn too HOW CAN YOU MANAGE SOMEBODY ELSE'S LIFE WHEN YOU CAN'T MANAGE YOUR OWN In order to get over failure to get to the point of getting past failure we must first learn what we are really dealing with defeat is first a systematic rebellion against one's self again you are your worst enemy there will never be anyone that can influence you that has a voice that's greater than your own **Nourishment for the Spiritual Pilgrimage** Vernon T.

Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1 35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship

The Gospel as Conversation James Boyd White, 2013-08-27 How are we to read the Gospels and bring them into our lives The idea of this book is that the Gospels are not merely rules for life or stories illustrating moral lessons or statements of theological doctrine but invitations to thought and conversation The Gospels are full of problems uncertainties and tensions these difficulties call upon us to engage with the Gospels in a new way to read them to ask questions about them to live with them alone and together The way we do that is by a kind of conversation with each other or within ourselves The Gospel as Conversation is meant to engage the reader in the conversation by which the Gospels maintain their life today among us It contains Gospel passages sermons given on those passages and questions for reflection It is intended both for individual readers and for groups in adult education classes
