The God Catchers Experiencing The Manifest Presence Of God:

The God Catchers Tommy Tenney, 2002-10-06 Why do some believers experience genuine life changing personal revival while others don't? In *The God Catchers*, the sequel to the phenomenal *The God Chasers*, Tommy explains the difference. God in a sense plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look. Simply put, those who earnestly seek God rather than wait for something to happen, find Him. Full of biblical and contemporary accounts of believers who chased God and caught Him, *The God Catchers* will motivate readers to discover the joy of finding God and having a loving relationship with Him.

God Catcher's Workbook Tommy Tenney, 2001-10 A perfect companion to the tradebook by the same name, *The God Catchers Workbook* shows readers how to move from the pursuit of God to an encounter with Him. Author Tommy Tenney writes, "God in a sense plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look." In this workbook, Tenney will guide readers through a step-by-step process, allowing them to re-ignite the thrill of earnestly seeking God and the joy of finding Him. Readers will learn practical applications that will teach them how to understand God's promise to be found by those who seek Him, be reminded that church is about Him, not about us, and to discover the communion and power that flow from the presence of God.

Experiencing His Presence Tommy Tenney, 2001-10-28 Drawing from the themes in *The God Catchers*, this devotional is an ideal companion for those seeking practical ways to move from the pursuit of God to an encounter with Him. Written in the warm conversational style that is his signature, Tenney provides insightful and challenging guidance to those who wish to dwell in God's presence. Each devotion is designed to help readers turn their focus away from themselves and toward God. God's promise of communion and power becomes real as readers mature in their daily pursuit of a more meaningful and intimate relationship with God.

How to Pray with Passion and Power Tommy Tenney, 2010-10 Tommy Tenney has a unique gift for leading people into the presence of God. In *How to Pray with Passion and Power*, Tenney dives deep into the riches of intimate and rewarding conversation and interaction with the Almighty. This gathering of biblical, historical, and contemporary prayers inspires and leads the reader into life-changing and purposeful communication with God.

Out of Context Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible, their use of the Bible varies significantly. Only 59% of Americans read the Bible at least occasionally, and an even smaller percentage go beyond merely reading the Bible and actually study it. It is no wonder that even those who say they read the Scriptures often don't understand them. Veteran Bible professor Richard L. Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice. In *Out of Context*, he seeks to explain how biblical interpretation goes wrong and how to get it right. He introduces readers to the important concepts of context, word meaning, genre, and the differences between the world of the Bible and our own. Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and

ultimately positive message Archangel Raphael Mary LaSota, **From Nicaragua** Bill Cox,2013-09 When I was just twenty eight years old I was diagnosed with cancer and given no hope What I thought would be my end was just the beginning of a journey laden with miracles that took me far from my home in Tennessee From Nicaragua Principles for Life and Mission chronicles that journey It is a story that begins with a love that God gave me for a place I had never been and for a people I did not know With nothing more than that love I purposed in my heart to go to Nicaragua to stand with its people in their struggle to make a better life for themselves Following that commitment God made provision for the planting of a ministry there that has changed tens of thousands of lives including mine For me a special part of that divine provision proceeded from a miraculous reunion with my Central American family whose patriarch Col John Alexander Downing traveled to Nicaragua in 1866 with a fellow Missourian who later became renowned as one of America s most famous literary icons Embedded in this extraordinary story of God events are principles for your life and mission *Who Am I, Lord? Why Me?* Richard J. Purino,2025-08-06 This is a God desired book written for all people to know they can encounter God prophets and angels and experience supernatural manifestations they never thought possible Know that your desperation and passion for God do attract His undivided attention In Richard s extreme or not so situations God met his needs granted his desires and rescued him and his family from drowning accidents and death He even made people stop moving frozen for a short time God made him experience total peace Shalom peace up to now Have you ever turned to God when you lost important items and couldn t find them Be not surprised if you get rubbed off with the anointing while reading the book *One in a Million* Priscilla Shirer,2010-03-01 The Egyptians in Exodus 1 were intent on enslaving the Israelites wearing them down so that God s chosen people would become disillusioned and not live up to their destiny Of the original two million Israelites who received God s invitation to enter the Promised Land only two actually entered it Similarly modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life In *One in a Million* Bible teacher Priscilla Shirer invites us to change that pattern for good living beyond our circumstances and expecting to see God move in miraculous ways day after day Without a doubt we can find and follow God s purpose for our journey We can make it to the Promised Land **Rules for Radical Christians** Nelson R Foster,2019-10-04 This book is a brutal expose of religion s failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the

complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth *THE SECRET OF A SUCCESSFUL CHRISTIAN MINISTRY* Ferkah Ahenkorah,2014 The Secret of a Successful Christian Ministry is a short work inspired by a burning passion to ensure that contemporary Christian ministries thrive under a leadership that is solidly anchored in the Lord Jesus Christ and in biblical principles for leading the congregations of Christ Drawing strength from the idea that the shepherd is the single most important factor that makes the difference between success and failure in Christian ministries the book discusses a series of factors that could ensure a successful ministry for the Christian leader from the time he first receives his calling from God to the time he finishes his life s course The presentation is illustrated with a wealth of biblical examples contemporary real ministry cases and historical anecdotes which give an insight into why some ministers have failed and why others have succeeded Obviously inspired by the Holy Spirit to improve the leadership of the church in these end times the book is not only an invaluable asset to any Christian minister who is eager for success in his calling but also a fruitful addition to the library of the average reader

overrepresentation of queer males in music ministry these elements coexist within the spaces of historically black Protestant churches creating an atmosphere where simultaneous heteropatriarchy and real masculinity anxieties archetypes of the alpha male preacher the effeminate choir director and homo antagonism are all in play The flamboyant male vocalists formed in the black Pentecostal music ministry tradition through their vocal styles gestures and attire in church services display a spectrum of gender performances from hyper masculine to feminine masculine to their fellow worshippers subtly protesting and critiquing the otherwise heteronormative theology in which the service is entrenched And while the performativity of these men is characterized by cynics as flaming a similar musicalized fire that of the Holy Spirit moves through the bodies of Pentecostal worshippers endowing them religio culturally physically and spiritually like fire shut up in their bones Using the lenses of ethnomusicology musicology anthropology men s studies queer studies and theology *Flaming The Peculiar Theopolitics of Fire and Desire in Black Male Gospel Performance* observes how male vocalists traverse their tightly knit social networks and negotiate their identities through and beyond the worship experience Author Alisha Jones ultimately addresses the ways in which gospel music and performance can afford African American men not only greater visibility but also an affirmation of their fitness to minister through speech and song
