The Goddaughter's Revenge Melodie Campbell,2013-10-01 When jewelry store owner Gina Gallo and her boyfriend Pete take a week's vacation she leaves the store in the hands of her cousin from New York. After all, cousin Carmine is a certified gemologist, but Carmine is also in the Mob. With her reputation on the line, what's a Mob goddaughter to do? Mastermind a string of burglaries to get the gems back, of course. But nothing ever goes entirely smoothly for Gina. Soon she and her eccentric cousin Nico are the toast of the town as the local paper and everyone else follow the antics of their very own Pink Panthers. Edwards, Judith Bray,2025-01-21 Taking a fresh and modern approach, **Contemporary Family Law: Principles and Practice** gives students all the information they need to develop a clear understanding of this fascinating area of the law. Covering the very latest developments in family law, each chapter uses contemporary cases as a window to introducing core legal concepts, principles, and developments, emphasising the dynamism and evolving nature of family law in which practitioners, campaigners, law reformers, and students all play their part. Key features include: Developments in family law are considered not only from a vantage point of judicial decision making but also from the perspective of the contribution made by solicitors, barristers, and experts. This encourages students to develop a sense of their own potential agency when, as future practitioners, they represent their clients and engage in law reform. In considering legal argument and case determination, the book places equality front and centre, including access to justice. Each chapter provides further reading with online links and URLs and a set of self-test questions, including problem scenarios and discursive essay questions. Each form of assessment reflects the levels of educational attainment and mirrors testing techniques relevant to academic examination and legal professional and vocational practice courses. This uniquely contemporary textbook will be essential reading for all students of family law.
