The God Who Believes Christian D. Kettler, 2005-09-01 How does one deal with doubt? Are faith and doubt irreconcilable? Does one's understanding of God affect the answers to these questions? Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T. F. Torrance and his doctrine of the vicarious humanity of Christ. If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe? How do Christians know God? Jesus knows God for us and in our place. Who God is, Who is the God Whom Jesus knows and how to believe in God in a world of suffering and evil. Providence, Evil, Suffering and the God Who Believes receive new insight in light of this christological exploration. Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions. In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus

The Tragedy of Almighty Sybe Schaap, 2016-01-06 The Tragedy of Almighty encircles the theme of human yearning for omnipotence as expressed in religion and various ideologies. The central question revolves around the matter of what in pursuing such an extreme power of the will man seeks to achieve. While exploring the question a thought provoking link is made between religion and atheism between the Biblical longing for God's promise and the Marxist appeal for man to realize that same promise. Omnipotence must vouch for the fulfilling of the promise for justice and for man's dream of redemption. However that is not where it ends. The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all pervading evil. Omnipotence also facilitates the avenging of such evil. History has shown what this kind of yearning can lead to. The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness. The description of this process leads to a plea for renewed ethical purpose in life. It is a challenge that also extends to religion. Hence the reason that it is necessary to depart from the idea of omnipotence

Ocean of Love, or Sea of Troubles? Geoffrey Harris, 2016-12-22 The title of Dr Harris' book suggests that life is like a two-sided coin: it can be an Ocean of Love but can also be a Sea of Troubles. The subtitle clarifies this paradox: first there are many signs of God's reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life. The signs of God are not philosophical proofs but empirical realities accessible to all people. In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments. In the third section the writings of two modern apologists C. S. Lewis and Philip

Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives

Encountering Transcendence Lieven Boeve, Hans Geybels, Stijn Van den Bossche, 2005 This volume consists of several contributions to a refined understanding of religious experience in view of contemporary theological epistemology Diverse sample studies taken from the extensive field of religion theology and religious studies reveal that religious experience is today clearly a pivotal issue More specifically this is made evident in modern theological hermeneutics and in the anti modern and or post modern reactions thereto the theology of world religions and inter religious dialogue the contemporary resurgence of religiosity in Western society and culture and the so called turn to religion in contemporary continental philosophy It would appear from such studies that the category of religious experience is frequently called upon to clarify or explain the phenomenon of religion and religiosity on the one hand and to support and legitimise religious positions or the critique thereof on the other Because of the loss of plausibility of tradition bound religiosity and of foundational so called onto theological schemes religious experience has come to constitute for many the last or latest point of departure and anchor for religion and religious thinking This is certainly the case with respect to tendencies within contemporary Christian traditions and theological reflection In a multitude of ways and from a variety of different perspectives religious experience and experience of transcendence or of the divine have gained a prominent place in philosophical and fundamental theological conceptual schemes In reaction to this other authors have denied the very primacy given to religious experience in reflecting upon faith pointing to the constitutive role of tradition and narrative without which there is no religious experience From all this follows that the category of religious experience is in great need of reconceptualisation not least from a theological point of view On the one hand religious experience is all too easily called upon to legitimise religious claims often against tradition and on the other hand the category has become misleading in so far as it is tainted by the modern scientific understanding of experience in reaction to which tradition is then easily invoked to protect the core of religion Both young scholars at the preceding junior conference and senior scholars during the conference s paper sessions presented from diverse perspectives new ways to conceive of religious experience in view of today s challenges of secularisation religious plurality the aestheticisation of religion etc The selected contributions have been arranged in four thematically oriented parts Approaching Religious Experience in a Postmodern Age Modern re Thinking of Religious Experience Liberating Religious Experience and Challenges for Spirituality *The Spirit at the Cross: Exploring a Cruciform Pneumatology* Carolyn E. L. Tan, 2019-09-19 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God s reconciliation with humanity Does the Holy Spirit s work pause between Gethsemane and the resurrection What does the phrase through the eternal Spirit in Hebrews 9 14 mean In this book Tan examines the perspectives of John Vernon Taylor Jurgen Moltmann and John D Zizioulas from whom three views of the Spirit s role at the cross are discerned the Spirit as the bond of love between the Father and the Son the Spirit as the Son s coworker enabler and power and the Spirit as the unifier

who unites humanity to the Son In addition Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son and specifically the one who carries out God s judgment in Jesus Christ the Elect Integrating these theological perspectives with an in depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9 14 Tan offers another way of understanding the role of the Spirit at the cross Christ as the Father s pneumatic crucible in whom sinful humanity is judged destroyed and reborn through the power of the Holy Spirit *Blood Beneath the Snow* Alexandra Kennington,2025-03-11 A heart pounding romantasy following a rebellious princess who must compete to the death against her siblings for the crown to ensure justice while fighting her feelings for her country s most powerful enemy by debut author Alexandra Kennington Revna is no stranger to struggle As the only member of the royal family without a magical ability she is seen as an embarrassing mistake by her kingdom and a blight on her bloodline Luckily Revna has found family in other outcasts in her kingdom But when her two closest friends lives are put in danger she is determined to save them by any means necessary no matter the cost The Bloodshed Trials a competition where the last sibling in the royal family standing takes the throne might just be the ultimate price Revna turns down her arranged marriage and commits to competing for the throne only to be kidnapped by the mysterious and terrifyingly powerful Hellbringer the general of her country s greatest enemy He has the ability to rend souls with the flick of his wrist and is every inch as intimidating as the war stories say he is But Revna wonders if there may be some humanity left in him especially when he reveals there are other parties who want her on the throne for their own secret reasons Pilgrimage of Love Joy Ann McDougall,2005-10-13 This book engages one of the liveliest theological debates at the turn of the twenty first century the significance of the doctrine of the Trinity to the Christian concept of God and to its life of faith *The Crucified God* Jurgen Moltmann,2014-04-15 This work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering Jürgen Moltmann Jürgen Moltmann,2014 Jürgen Moltmann s life and work have marked the history of theology after the Second World War in Europe and North America like no other He is the most widely read quoted and translated theologian of our time His systematic work thrives on the cutting edge of Christian theology in the twenty first century challenging and stimulating a whole generation of theologians to work at theology in different and more comprehensive ways The Crucified God Jürgen Moltmann,2015-11-01 From its English publication in 1973 Jrgen Moltmanns *The Crucified God* garnered much attention and it has become one of the seminal texts of twentieth century theology Following up on his groundbreaking *Theology of Hope* *The Crucified God* established the cross as the foundation for Christian hope Moltmanns dramatic innovation was to see the cross not as a problem of theodicy but instead as an act of ultimate solidarity between God and humanity In this he drew on liberation theology and he was among the first to bring third world theologies into a first world context Moltmann proposes that suffering is not a problem to be solved but instead that suffering is an aspect of Gods very being God is love and love invariably involves suffering In this view

the crucifixion of Jesus is an event that affects the entirety of the Trinity showing that The Crucified God is more than an arresting title it is a theological breakthrough **T&T Clark Companion to Atonement** Adam J. Johnson, 2017-07-27 The T T Clark Companion to Atonement establishes a vision for the doctrine of the atonement as a unified yet extraordinarily rich event calling for the church's full appropriation Most edited volumes on this doctrine focus on one aspect of the work of Christ for example Girard Feminist thought Penal Substitution or divine violence The Companion is unique in that every essay seeks to both appropriate and stimulate the church's understanding of the manifold nature of Christ's death and resurrection The essays are divided into four main sections 1 dogmatic location 2 chapters on the Old and New Testaments 3 major theologians and 4 contemporary developments The first set of essays explore the inter relationship between the atonement and other Christian doctrines for example Trinity Christology and Pneumatology opening up yet further avenues of inquiry Essays on key theologians eschew reductionism striving to bring out the nuances and breadth of the contribution The same is true of the biblical essays The final section explores more recent developments within the doctrine for example the work of Rene Girard and the ongoing reflection on Holy Saturday The book is comprised of 18 major essays and an A Z section containing shorter dictionary length entries on a much broader range of topics The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the doctrine **The Suffering of God in the Eternal Decree** Nixon de Vera, 2020-06-15 This book seeks to unpack the evolution of Barth's understanding of God's suffering in Jesus Christ in the light of election The interconnectedness of election crucifixion and im passibility is explored in order to ask whether the suffering of Christ is also a statement about the Trinity **Continental Philosophy and Modern Theology** David Brown, 2012-01-18 About the Contributor's David William Brown FBA is an Anglican priest and theologian who currently serves as Professor of Theology Aesthetics and Culture in the Institute for Theology Imagination and the Arts and as Wardlaw Professor at St Mary's College University of St Andrews **Modernism, Nationalism, and the Novel** Pericles Lewis, 2000-04-24 In Modernism Nationalism and the Novel first published in 2000 Pericles Lewis shows how political debates over the sources and nature of national character prompted radical experiments in narrative form amongst modernist writers Though critics have accused the modern novel of shunning the external world Lewis suggests that far from abandoning nineteenth century realists concern with politics the modernists used this emphasis on individual consciousness to address the distinctively political ways in which the modern nation state shapes the psyche of its subjects Tracing this theme through Joyce Proust and Conrad amongst others Lewis claims that modern novelists gave life to a whole generation of narrators who forged new social realities in their own images Their literary techniques multiple narrators transcriptions of consciousness involuntary memory and arcane symbolism focused attention on the shaping of the individual by the nation and on the potential of the individual in time of crisis to redeem the nation **Indwelling the Forsaken Other** J. Matthew Bonzo, 2009-02-01 Indwelling the Forsaken Other is a critical reading of Jurgen Moltmann's ethics of discipleship While

Moltmann's notable turn to the inner life of the Trinity as a source for his reflections on the life of the church is influential it is not without problems The call emerging from Moltmann's reflection upon Trinitarian life to copy God in our relationships may offer some general direction for our actions however it also raises several questions Two important questions for this work are In what way are we to copy God and What conditions make it possible to copy God Moltmann's answers to these questions are insufficient and consequently he fails to protect the difference between Creator and creation in his analogia relationis As a result the ethical direction of Moltmann's work seems to be increasingly muddled and at best paradoxical

Our Only Hope Margaret B Adam, 2014-08-28 The most popular source of theological hope for modern Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann's influence with their hope in a this worldly eschatology and suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises Our Only Hope explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practise hope in Jesus Christ our only hope **An Interview with the Devil** Raymond Burt, 2015-01-23 An Interview with the Devil shares a prophecy Many of you live in abundance but in the terror of Satan It is the time of the Bible sinners the devil and the Lord God thy father Many of you are the sane and the tired like the Romans and no better Many are the crimes of war torn countries This is the vital part of you and society and utopia and many are the signs and the quatrains for you and me It is the time of the child the fi ghts the Hebrews and liarsthe time of woes and the pit hole eight miles down and the Czechoslovakians and the Russians Many of you are jokers and favourites and many are the prophecies of the Lord Father thy Lord The brokers and the money exchangers and the ASX with beef and crosses and the part of you and women are made *Timothy Williams The Infernal Shadow* iestyn Long, Timothy and the gang are back Timothy Rupert and George return for their second year at Great Underwood Upper Yet with Lucifer back with a vengeance and Ursula Le Rouge more determined than ever it promises to be Timothy's most hellish challenge to date A bit like Buffy the Vampire Slayer but with English accents possessed squirrels and apocalyptic land wars from the mists of time The action starts almost immediately and keeps you anxiously turning pages until the end The battles in the dream realm are my favourite parts of the books as they take place over a wide range of famous historical battles The author is truly in his element bringing them vividly to life Truly an excellent and fun read Amazon review A full on teenage adventure Original humorous and highly imaginative A rip roaring read BookViral Teenage school geek by day Dream World warlord by night Follow the trials and tribulations of a demon hunter in training Crammed full of non stop action high adventure occasional wit epic battles angels demons werewolves goblins heroes magic powers dodgy haircuts and so much more For lovers of war demons and unlikely heroes Can Timothy and his friends save their school and themselves from a demon invasion Will the League of Demon Hunters answer the call before it is too late Can Timothy win the Last Battle again And
