Aztec Mythology: The Gods and Myths of Ancient Mexico Sebastian Berg, 2021-08-14 Discover the mythology of the Aztec civilization The Aztec civilization of Central Mexico consisted of several communities with distinct cultures and languages

The Nahuatl speaking tribes were the most popular and celebrated rituals based on their own version of myths and stories While the Mesoamerican cultures shared many stories rituals and myths with the Aztecs they were recognized as a separate community The Aztecs were believed to come from the regions around Lake Texcoco and the Anahuac Valley These regions collectively form the modern Mexico City we know today *The Myths of Mexico & Peru* Lewis Spence,1913 **Young Folks' History of Mexico** Frederick Albion Ober,1883 **The Civilization of Ancient Mexico** Lewis Spence,1912

The Gods of Mexico (Classic Reprint) Lewis Spence,2017-12-19 Excerpt from The Gods of Mexico Although political and financial conditions in Mexico frequently arouse a passing agitation in the minds of British people the antiquities of that extraordinary land Various as Greece and mysterious as Egypt have failed to appeal to them with the same degree of interest We have not yet perhaps quite recovered from the amazement with which in our own day we have seen the secret gates of the East unlocked and the prodigies of Mesopotamia and the endless dynasties of the Nile emerge therefrom Yet an archaeology less venerable but no less notable pleads with us for recognition from a continent so closely associated with the spirit of modernity that we can scarcely believe in its ability to present us with the credentials of respectable antiquity American scientists however have in recent years successfully addressed themselves to the problems of Isthmian research and the antiquaries of Germany and France have in certain respects even improved upon their endeavours Great Britain alone remains insensible to the lure of old Mexico and small indeed is the band of workers that she has given to this department of archaeology About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
