

The Golden Age Of Augustus

James R. Harrison

The Golden Age Of Augustus:

The Golden Age of Augustus Meyer Reinhold, Paul T. Alessi, 1978 Golden Age Augustus Meyer Reinhold, Paul T. Alessi, 1978 The Golden Age of Augustus : [texts], 1978 **Augustus** George Philip Baker, 2000 Another in a series of superb biographies of ancient leaders Baker tackles the life and times of Gaius Octavian Augustus first emperor of Rome and founder of a Roman state that endured for centuries *Augustus. The Golden Age of Rome, Etc. [With Plates, Including Portraits.]*. George Pierce BAKER (Professor of Dramatic Literature, Harvard University.), 1937 *Augustus. The Golden Age of Rome, Etc. [With Plates, Including Portraits.]*. George Pierce Baker, 1937 **The Renaissance in Rome** Charles L. Stinger, 1998 From the middle of the fifteenth century a distinctively Roman Renaissance occurred A shared outlook a persistent set of intellectual concerns similar cultural assumptions and a commitment to common ideological aims bound Roman humanists and artists to a uniquely Roman world different from Florence Venice and other Italian and European centers This book provides the first comprehensive portrait of the Roman Renaissance world Charles Stinger probes the basic attitudes the underlying values and the core convictions that Rome's intellectuals and artists experienced lived for and believed in from Pope Eugenius IV's reign to the Eternal City in 1443 to the sacking of 1527 He demonstrates that the Roman Renaissance was not the creation of one towering intellectual leader or of a single identifiable group rather it embodied the aspirations of dozens of figures active over an eighty year period Stinger illuminates the general aims and character of the Roman Renaissance Remaining mindful of the economic social and political context Rome's retarded economic growth the papacy's increasing entanglement in Italian politics papal preoccupation with the crusade against the Ottomans and the effects of papal fiscal and administrative practices Stinger nevertheless maintains that these developments recede in importance before the cultural history of the period Only in the context of the ideological and cultural commitments of Roman humanists artists and architects can one fully understand the motivation for papal policies Reality for Renaissance Romans was intricately bound up with the notion of Rome's mythic destiny The Renaissance in Rome is cultural history at its best It evokes the moods myths images and symbols of the Eternal City as they are manifested in the Liturgy ceremony festivals oratory art and architecture of Renaissance Rome Throughout Stinger focuses on a persistent constellation of fundamental themes the image of the city of Rome the restoration of the Roman Church the renewal of the Roman Empire and the fullness of time He describes and analyzes the content meaning origin and implications of these central ideas of Roman Renaissance This book will prove interesting to both Renaissance and Reformation scholars as well as to general readers who may have visited or plan to visit Rome and have become fascinated and affected by this extraordinary city There is no other book like it in any language says Renaissance historian John O Malley It presents a coherent view of Roman culture collects and presents a vast amount of information never before housed under one roof Anyone who teaches the Italian Renaissance O Malley stresses will have to know this book The Renaissance Battle for Rome Susanna de

Beer,2024-01-01 *The Renaissance Battle for Rome* examines the rhetorical battle fought simultaneously between a wide variety of parties individuals groups authorities seeking prestige or legitimacy through the legacy of ancient Rome a battle over the question of whose claims to this legacy were most legitimate Distinguishing four domains power morality cityscape and literature in which ancient Rome represented a particularly powerful example this book traces the contours of this rhetorical battle across Renaissance Europe based on a broad selection of Humanist Latin Poetry It shows how humanist poets negotiated different claims on behalf of others and themselves in their work acting both as spin doctors and new Romans while also undermining competing claims to this same idealized past By so doing this book not only offers a new understanding of several aspects of the Renaissance that are usually considered separately but ultimately allows us to understand Renaissance culture as a constant negotiation between appropriating and contesting the idea and ideal of Rome

The Rape of Eve Celene Lillie,2017-01-01 Sex violence power and redemption In recent decades scholars of New Testament and early Christian traditions have given new attention to the relationships between gender and imperial power in the Roman world In this surprising work Celene Lillie examines core passages from three Gnostic texts from Nag Hammadi On the Origin of the World The Reality of the Rulers and the Secret Revelation of John in which Eve is portrayed as having been humiliated by the cosmic powers yet experiencing restoration Lillie compares that pattern with Gnostic savior motifs concerning Jesus and Seth then sets it in the broader context of Roman cosmogonic myths at play in imperial ideology The Nag Hammadi texts she argues offer us a window into symbolic forms of Christian resistance to imperial ideology This groundbreaking study highlights the importance of the Nag Hammadi writings for our fuller appreciation of the currents of Christian response to the Roman Empire and the culture of rape pervasive within it Caesar's Calendar Denis

Feeney,2007-06-04 The ancient Romans changed more than the map of the world when they conquered so much of it they altered the way historical time itself is marked and understood In this brilliant erudite and exhilarating book Denis Feeney investigates time and its contours as described by the ancient Romans first as Rome positioned itself in relation to Greece and then as it exerted its influence as a major world power Feeney welcomes the reader into a world where time was movable and changeable and where simply ascertaining a date required a complex and often contentious cultural narrative In a style that is lucid fluent and graceful he investigates the pertinent systems including the Roman calendar which is still our calendar and its near perfect method of capturing the progress of natural time the annual rhythm of consular government the plotting of sacred time onto sacred space the forging of chronological links to the past and above all the experience of empire by which the Romans meshed the city state s concept of time with those of the foreigners they encountered to establish a new worldwide web of time Because this web of time was Greek before the Romans transformed it the book is also a remarkable study in the cross cultural interaction between the Greek and Roman worlds Feeney s skillful deployment of specialist material is engaging and accessible and ranges from details of the time schemes used by Greeks and Romans to

accommodate the Romans unprecedented rise to world dominance to an edifying discussion of the fixed axis of B C A D or B C E C E and the supposedly objective dates implied He closely examines the most important of the ancient world s time divisions that between myth and history and concludes by demonstrating the impact of the reformed calendar on the way the Romans conceived of time s recurrence Feeney s achievement is nothing less than the reconstruction of the Roman conception of time which has the additional effect of transforming the way the way the reader inhabits and experiences time

Paul and the Imperial Authorities at Thessalonica and Rome James R. Harrison,2011 James R Harrison investigates the collision between Paul s eschatological gospel and the Julio Claudian conception of rule The ruler s propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul s proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul s eschatology intersected with the imperial cult in the Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul s view culminated in the arrival of God s new creation upon Christ s return as Lord of all Paul exalted the Body of Christ over Nero s body of state transferring to the risen and ascended Jesus many of the ruler s titles and to the Body of Christ many of the ruler s functions Thus for Paul Christ s reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit

Savage Anxieties Robert A. Williams,2024-03-26 This review of Western history s disdain for savage tribes across three millennia is a provocative contribution to multicultural studies Publishers Weekly From one of the world s leading experts on Native American law and indigenous peoples human rights comes an original and striking intellectual history of the tribe and Western civilization that sheds new light on how we understand ourselves and our contemporary society Throughout the centuries conquest war and unspeakable acts of violence and dispossession have been justified by citing civilization s opposition to these differences represented by the tribe Robert Williams award winning author legal scholar and member of the Lumbee Indian Tribe proposes a wide ranging reexamination of the history of the Western world told from the perspective of civilization s war on tribalism as a way of life Williams shows us how what we thought we knew about the rise of Western civilization over the tribe is in dire need of reappraisal A tidy academic survey of the savage from the ancient centaurs to today s indigenous tribal peoples A straightforward scholarly study that concludes with a compelling look at the pervasive harm in stereotypical attitudes and language Kirkus Reviews

Apostle of the Last Days C. Marvin Pate,2013-11-07 Paul s life letters and theology are unified by the theme of the overlapping of two ages this age and the age to come With the life death and resurrection of Jesus Christ the age to come i e kingdom of God broke into this present age but didn t end it Where other important doctrines such as justification by faith reconciliation and the cross of Christ were key players in Paul s theology Marvin Pate compellingly demonstrates that the

overarching theme driving the Pauline corpus was indeed Paul's inaugurated eschatology. In fact, Paul's apocalyptic framework was only one of a number of other rival eschatologically focused religious perspectives of the day such as the Imperial Cult, Hellenistic syncretistic religion, and the merkabah Judaism. Paul's vigorous debates with the churches he served centered on the exclusivity of the gospel of Christ that he preached: the nonnegotiable apocalypse of Jesus the Messiah. Apostle of the Last Days will be welcomed in the classroom as a one-volume treatment of Paul's life and letters as well as his theology.

Epic Pastures Eleni Ntanou, 2025-03-17 Although nearly all scholars acknowledge that the *Metamorphoses* appears to engage with pastoral poetry, there has not been a monograph specifically designed to address and explore the interaction between pastoral and epic in the *Metamorphoses*. This book fills in this gap, building on modern approaches to intertextuality, Ovidian and pastoral studies. The present book is comprised of five main chapters: 1. Pastoral Encounters, 2. Female Pastoral, 3. Mourning Pastoral, 4. Pastoral Ascent in the *Metamorphoses*, 5. Pastoral Golden Age and the *Metamorphoses*. The chapters are often in dialogue with one another, thus offering a more sustained examination of the topic. Alongside the lack of comprehensive monograph on pastoral in the *Metamorphoses*, the present book's originality and contribution lie on the exploration of pastoral in the *Metamorphoses* through the lenses of fiction, heroics, and gender notions which are interwoven throughout the chapters. This modern approach to generic interaction will be useful for scholars working on Ovid and across the range of Greek and Roman literature as well as for students of Classics.

Paul and Empire Richard A. Horsley, 1997-11-01 Over the centuries, Paul has been understood as the prototypical convert from Judaism to Christianity. At the time of Paul's conversion, however, Christianity did not yet exist. Moreover, Paul says nothing to indicate that he was abandoning Judaism or Israel. He, in fact, understood his mission as the fulfillment of the promises to Israel and of Israel's own destiny. In brief, Paul's gospel and mission were set over against the Roman Empire, not Judaism.

Mixed Feelings Douglas Cairns, Pia Campeggiani, 2025-06-02 Affective valence typically refers to the way an affective state feels, i.e., the quality of the displeasure we subjectively experience: fear usually feels unpleasant while joy feels good. Yet sometimes affective experience feels bittersweet, i.e., good and bad at the same time, as when we enjoy being scared on the roller coaster or being sad when reading a heart-rending novel. In these situations, mixed affect is experienced as a blended state in which positive and negative aspects cannot be prised apart in any meaningful way. But mixed affect can also arise from conflicting emotions, e.g., when we desire something that we also wish to avoid, from ambivalence, e.g., when we are of two minds about something, and more. Taking a cross-cultural and multidisciplinary perspective, this volume aims to enrich our understanding of the phenomenology of mixed affective experiences. It explores narrative representations of mixed emotions in historical and literary works in both Western and Eastern traditions as well as the theorization of such experiences in these traditions. It will be of interest to students and scholars of literature, especially classical Chinese, Greek, Indian, and Latin history of emotions and philosophy.

East and West Through Fifteen Centuries George Frederick Young, 1916 **A**

Literary Commentary on Panegyrici Latini VI(7) ,2020-12-17 The oration presented in this volume is critical to our knowledge of Constantine's early career and covers Maximian's rebellion Constantine's claim of descent from Claudius II and his vision of Apollo Written in AD 310 two years before Constantine's capture of Rome and his acceptance of Christianity the speech gives a unique insight into the evolution of an imperial persona This commentary examines the literary context of the panegyric and the role of the classical literary and rhetorical tradition in the recreation of Constantine's image From the outset the orator praises Constantine as separate from the imperial college a *deus praesens* god manifest to the people of Gaul He uses Lucan and Caesar to link Maximian's bid for power with the civil war between Caesar and Pompey while Vergilian allusion associates Constantine with Augustus

OCR Classical Civilisation AS and A Level Components 21 and 22 Robert Hancock-Jones,James Renshaw,Laura Swift,2017-07-13 This textbook is endorsed by OCR and supports the specification for AS and A Level Classical Civilisation first teaching September 2017 It covers Components 21 and 22 from the Culture and the Arts Component Group Greek Theatre by James Renshaw and Laura Swift Imperial Image by Robert Hancock Jones Why was tragedy and comedy so central to Athenian life How did drama challenge Athenians to reflect on their way of living How did the emperor Augustus present himself as the restorer of Rome's greatness To what extent did he provide an example to later political figures as a promoter of his regime This book guides AS and A Level students to a greater understanding of these issues The Greek Theatre chapter explores the festival context in which tragedies and comedies were performed and then analyses three plays Oedipus the King by Sophocles Bacchae by Euripides and Frogs by Aristophanes The Imperial Image chapter analyses the self presentation of Rome's most dynamic emperor who claimed to have found Rome a city of bricks but left it a city of marble The ideal preparation for the final examinations all content is presented by experts and experienced teachers in a clear and accessible narrative Ancient literary and visual sources are described and analysed with supporting images Helpful student features include study questions quotations from contemporary scholars further reading and boxes focusing in on key people events and terms Practice questions and exam guidance prepare students for assessment A Companion Website is available at www.bloomsbury.com/classiciv as a level

The Golden Age Of Augustus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Golden Age Of Augustus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Golden Age Of Augustus PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Golden Age Of Augustus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Golden Age Of Augustus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Golden Age Of Augustus is one of the best book in our library for free trial. We provide copy of The Golden Age Of Augustus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Golden Age Of Augustus. Where to download The Golden Age Of Augustus online for free? Are you looking for The Golden Age Of Augustus PDF? This is definitely going to save you time and cash in something you should think about.
