## **The Golden Dream:**

*The Golden Dream* R. M. Ballantyne, 2007-12-01 Ned Sinton gazed at the scene before him with indescribable amazement He had often witnessed strange things in the course of his short though chequered life but he had never seen anything like this Many a dream of the most extravagant nature had surrounded his pillow with creatures of curious form and scenes of magic beauty but never before either by actual observation or in nightly vision had Ned Sinton beheld a scene so wonderful as that which now lay spread out before him Ned stood in the centre of a cavern of vast dimensions so vast and so full of intense light that instead of looking on it as a huge cave he felt disposed to regard it as a small world The sides of this cavern were made of pure gold and the roof far above his head was spangled all over with glittering points like a starry sky The ground too and in short everything within the cave was made of the same precious metal **The Golden Dream** R. Koch,2021-06-23 This book traces the origin of the legend of El Dorado and the various expeditions that set out to locate that mysterious land of untold wealth in South America Motivated by both fanciful rumors of a golden city ruled by a man who coated himself daily with gold dust and the more practical allure of a region abundant in cinnamon trees a spice that was worth its weight in gold to Europeans many conquistadors convinced themselves that another native empire

awaited their conquest These quests for fortune and glory would lead to an encounter with fierce female warriors who were believed to be the Amazons of ancient Greek lore and the discovery of the mighty river later named for the legendary Amazon tribe The first half of this book details the lesser known accounts of German interest in locating the wealth of a golden kingdom called Xerira and an elusive passage at Venezuela s Lake Maracaibo which supposedly led to the Pacific Ocean The second section focuses on the various Spanish efforts to discover El Dorado each of which was eventually doomed to despair disappointment and death      *Prose and Verse* Thomas Hood,1849
