Wyn breaks her silence about that afternoon To clear her head refocus her painting and escape an even more present threat Wyn agrees to be temporary caretaker for a friend s new property on a remote Maine island The house has been empty for years and in the basement Wyn discovers a box of film canisters labeled Epitaphs and Prophecies Like time capsules the photographs help her piece together the life of the house s former owner an artistic young mother much like Wyn But there is a mystery behind the images too and unraveling it will force Wyn to finally confront what happened in those woods and perhaps escape them at last
